VACANCIES: 007

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

If any man walks in the day, he does not stumble because he sees the light of this world. (John 11:9)

O Everlasting God, whose mercy is from everlasting to everlasting and whose truth endures forever, in all humility and reverence we bow in Your presence, offering to You once again the devotion of our loving and humble hearts. Amid all the tasks of our day, stress without and within, make in our hearts a quiet place and come and dwell there. Confident of Your presence, may we face the tasks of this day with a dauntless courage, a quiet faith, and a never-failing good will.

In the struggle between light and darkness in our time, as we recall September 11th, may we walk in the light and live in the light, that we and our state may continue to be the light of the nation and the free world.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

My time serving in the House has given me valuable insight and I shall be forever grateful to the citizens of the 22nd District for allowing me to represent their voices. MESSAGES FROM THE GOVERNOR

July 12, 2019

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
100th GENERAL ASSEMBLY
FIRST REGULAR SESSION

Herewith I return to you **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 399** entitled:

AN ACT

To repeal sections 192.007, 208.909, 208.918, 208.924, 208.930, 376.690, 376.1040, 376.1042, and 376.1224, RSMo, and to enact in lieu thereof seventeen new sections relating to healthcare, with an emergency clause for a certain section.

I disapprove of Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 399. My reasons for disapproval are as follows:

Section 192.007 of the bill amends the qualifications of the Director of the Department of Health and Senior Services to require that he or she have a medical doctor or doctor of osteopathy degree, a Ph.D. in a health-related field, or an equivalent academic degree. While having a health-related academic degree would certainly be beneficial in managing our state's Department of Health and Senior Services, it may limit the appointment of otherwise qualified candidates. For example, an individual with an advanced degree in business or in public policy with decades of experience managing a hospital would be unable to be appointed to the position. Similarly, an attorney who has spent his or her entire career practicing health care law would not be eligible unless he or she also possessed a medical degree. Furthermore, the Senate confirmation process serves as an additional layer of approval for gubernatorial appointees. Limiting the Governor's ability to appoint otherwise qualified candidates in this manner is not in the best interests of the state.

There are many other provisions contained within this bill of which I approve and fortunately also appear in Senate Bill No. 514, which I have signed. Unfortunately, two provisions that only appeared in House Bill No. 399 will not become law as a result of my disapproval. Sections 208.909, 208.918, and 208.924 relating to consumer-directed services vendor requirements would likely result in improved program quality assurance and decreased fraud. Section 208.935 relating to the development of an interactive mobile assessment tool for MO HealthNet home- and community-based services would likely lead to greater efficiencies for the Department of Health and Senior Services. I look forward to working with the legislature next session on such beneficial provisions.

In accordance with the above stated reasons for disapproval, I am returning **Conference Committee Substitute for Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 399** without my approval.

Respectfully Submitted,

/s/ Michael L. Parson
Governor

July 12, 2019

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
100th GENERAL ASSEMBLY
FIRST REGULAR SESSION

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 447** entitled:

AN ACT

To repeal sections 58.095, 58.451, 58.720, 192.067, 193.145, 193.265, 194.119, 210.192, 210.194, 210.195, and 333.011, RSMo, and to enact in lieu thereof fifteen new sections relating to the deceased.

I disapprove of Senate Committee Substitute for House Committee Substitute for House Bill No. 447. My reasons for disapproval are as follows:

Sections 333.011 and 333.072 of the bill allow for licensed funeral establishments to perform outdoor cremations. The burial of our loved ones or the disposal of their remains is deeply personal and should be treated with the utmost care and respect. Without more thorough vetting to ensure that outdoor cremations can be conducted in a manner that fully disposes of the entire remains while also addressing the health and safety concerns of individuals who may be impacted nearby, I am not comfortable with allowing these types of ceremonies to be conducted in our state.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 447** without my approval.

Respectfully Submitted,

/s/ Michael L. Parson
Governor

CONSTITUTIONAL OBJECTION – SS SCS HCS HB 192

Missouri's Constitution states in Article III, section 21 states, "... no bill shall be so amended through its passage through either house as to change its original purpose."

The original purpose of House Bill 192 was “relating to the payment of fines.” When the bill was passed out of the House, the original purpose remained intact. While in the Senate, however, the title was changed to “relating to court procedures.”

The apparent changes made in the Senate were necessary for increasing the scope of the bill to include not only the payment of fines, but also unrelated items such as County sheriff’s ability to receive \$10 for service of any summons, writs, subpoenas, or other court orders, the removal of a provision requiring the Director of the Public Defender’s Office to prepare a plan to establish district offices that would coincide with existing judicial circuits, specifies that traffic court judges in St. Louis County may review decisions of the Director of Revenue or Department of Revenue to revoke a person’s driver’s license for refusal to submit to a chemical test, modifies provisions related to the Public Service Commission, removal of a provision requiring the Director of the Public Defender’s Office to prepare a plan to establish district offices that would coincide with existing judicial circuits, and finally, the bill specifies circumstances under which a court may depart from mandatory minimum prison sentences or terms.

Lastly, Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that SS SCS HCS HB 192 contains more than one subject, that is, if the original purpose of the bill was “relating to the payment of fines” and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – CCS SS SCS HCS HB 399

Missouri’s Constitution states in Article III, section 21 states, “... no bill shall be so amended through its passage through either house as to change its original purpose.”

The original purpose of House Bill 399 was relating to health care for persons with disabilities. The Truly Agreed and Finally Passed version of HB 399 had a broader title of relating to healthcare.

The title change allowed the inclusion of personal care assistance vendors, consumer directed services, developing an interactive assessment tool for utilization by the Division of Senior and Disability Services, offender Missouri Healthnet benefits, unanticipated out-of-network healthcare services, and multiple employer welfare.

Lastly, Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that CCS SS SCS HCS HB 399 contains more than one subject, that is, if the original purpose of the bill was “relating to the health care for persons with disabilities” and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – CCS SS HCS#2 HB 499

Missouri's Constitution states in Article III, section 21 states, "... no bill shall be so amended through its passage through either house as to change its original purpose."

The original purpose of House Bill 499 was relating to accidents occurring in work or emergency zones. The Truly Agreed and Finally Passed version of HB 499 had a broader title of relating to transportation.

The title change allowed the inclusion of license fees, title transfer fees, permit fees, fees charged for processing of lien notices, the designation of memorial highways, and authorizing traffic court judges in St. Louis County to revoke driver's licenses.

Lastly, Missouri constitution, Article III, section 23 states, "No bill shall contain more than one subject which shall be clearly expressed in its title."

It is clear that CCS SS HCS#2 HB 499 contains more than one subject and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – SS HB 821

Missouri's Constitution states in Article III, section 42 states, "No local or special law shall be passed unless a notice, setting forth the intention to apply therefore and the substance of the contemplated law, shall have been published in the locality where the matter or thing to be affected is situated at least thirty days prior to the introduction of the bill into the general assembly and in the manner provided by law. Proof of publication shall be filed with the general assembly before the act shall be passed and the notice shall be recited in the act."

House Bill 821 deals with a land bank in the locality of St. Joseph only, thereby requiring a notice in the St. Joseph area and proof of the notice (in the bill).

No notice was found in SS HB 821, thereby rendering the bill in violation of the Missouri constitution.

CONSTITUTIONAL OBJECTION – HCS SB 87

Missouri’s Constitution states in Article III, section 21 states, “... no bill shall be so amended through its passage through either house as to change its original purpose.”

The original purpose of Senate Bill 87 was relating to an option for taxpayers to donate a portion of income to the Pediatric Cancer Research Trust Fund. The Truly Agreed and Finally Passed version of HCS SB 87 had a broader purpose including transient guest taxes, a public safety officer surviving spouse tax credit, residential renovations for disability tax credit, Missouri adjusted gross income, late income tax payment, Sahara’s law, the Kansas City Regional Law Enforcement Memorial fund, sales tax receipts, and fantasy sports contests.

Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that HCS SB 87 contains more than one subject and therefore has violated the constitution and will of the people.

Missouri constitution, Article III, section 23 states, "No bill shall contain more than one subject which shall be clearly expressed in its title."

It is clear that CCS HCS SB 133 contains more than one subject and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – SB 275

Missouri’s Constitution states in Article III, section 21 states, “... no bill shall be so amended through its passage through either house as to change its original purpose.”

The original purpose of Senate Bill 275 was relating to health care (in and of itself, a fairly broad title). The Truly Agreed and Finally Passed version of SB 275 including an even broader (and non-germane) list of subjects: sheltered workshops, a senior services growth and development program, and a joint task force on radiologic technologist licensure.

Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that SB 275 contains more than one subject and therefore has violated the constitution and will of the people.

Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that SB 297 contains more than one subject and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – CCS SB 368

Missouri’s Constitution states in Article III, section 21 states, “... no bill shall be so amended through its passage through either house as to change its original purpose.”

The original purpose of Senate Bill 368 was relating to dealer license plates. The Truly Agreed and Finally Passed subject of CCS SB 368 was relating to transportation. The change in purpose allowed for the inclusion port authorities, motor vehicle rental and leasing, organ donor designations on driver’s licenses, and commercial driver’s licenses.

Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

It is clear that CCS SB 368 was purposefully changed to include more than one subject and therefore has violated the constitution and will of the people.

CONSTITUTIONAL OBJECTION – SB 514

Missouri’s Constitution states in Article III, section 21 states, “... no bill shall be so amended through its passage through either house as to change its original purpose.”

The original purpose of Senate Bill 514 was relating to MO HealthNet benefits for individuals aged 18 - 26. The Truly Agreed and Finally Passed version of SB 514 subject was relating to healthcare. The broad change in purpose allowed for the inclusion of a task force on substance abuse prevention and treatment, health professional student loan repayment program, physician referrals of infants affected by substance abuse, medication-assisted treatment, pregnancy-associated mortality review board, infection data reporting, physician assistants, electronic prescribing, opioid prescriptions for sickle cell patients, medical marijuana, hospital inspections, certified nursing assistants, ticket to work health assurance program, Medicaid per diem reimbursement rates, the Missouri Rx plan, structured family caregiving, consumer directed services for non-Missouri HealthNet eligible participants, prescribing long-acting or extended release opioids by dentists, telehealth, family and marital therapist training, tobacco cessation, pharmacist voluntary compliance agreements, pharmacy pilot projects, utilization reviews, multiple employer self-insured health plans, health insurance for persons with disabilities, and health insurance reimbursement.

Missouri constitution, Article III, section 23 states, “No bill shall contain more than one subject which shall be clearly expressed in its title.”

While it could be argued that the final bill does indeed deal with healthcare, it also expanded (changed) the bill’s original intent. It is clear that SB 514 was purposefully changed to include more than one subject and therefore has violated the constitution and will of the people.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, MONDAY, MAY 13, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Kenneth Wilson.

Heavenly Father, as we gather together to begin this final week of our session together, we humbly reach out to You in prayer. Your servant David, the mighty King David, once prayed, "Search me, O God, and know my heart; try me and know my anxious thoughts; and see if there be any hurtful way in me, and lead me in the everlasting way." We all know the demands of this week, the meetings, the schedules, the confusion, and the debates and arguments. May we have the same courage and faith as David to be honest with ourselves and to be honest with You, the one who knows our hearts, to be kind and compassionate to one another, to be patient and forgiving of one another, and to be humble in our positions as we serve the people of this great state.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Parker Zeller.

The Journal of the sixty-sixth day was approved as printed by the following vote:

If the taxpayer employs only a portion of such facility in the operation of a revenue-producing enterprise, and leases another portion of such facility to another person or persons or does not otherwise use such other portions in the operation of a revenue-producing enterprise, the portion employed by the taxpayer in the operation of a revenue-producing enterprise shall be considered a new business facility, if the requirements of paragraphs (b), (c), (d) and (e) of this subdivision are satisfied;

(b) Such facility is acquired by, or leased to, the taxpayer after December 31, 1983. A facility shall be deemed to have been acquired by, or leased to, the taxpayer after December 31, 1983, if the transfer of title to the taxpayer, the transfer of possession pursuant to a binding contract to transfer title to the taxpayer, or the commencement of the term of the lease to the taxpayer occurs after December 31, 1983, or, if the facility is constructed, erected or installed by or on behalf of the taxpayer, such construction, erection or installation is commenced after December 31, 1983;

If a taxpayer has income derived from the operation of a new business facility as well as from other activities conducted within this state, the Missouri taxable income derived by the taxpayer from the operation of the new business facility shall be determined by multiplying the taxpayer's Missouri taxable income, computed in accordance with chapter 143, or in the case of an insurance company, computed in accordance with chapter 148, by a fraction, the numerator of which is the property factor, as defined in paragraph (a) of this subdivision, plus the payroll factor, as defined in paragraph (b) of this subdivision, and the denominator of which is two:

(a) The property factor is a fraction, the numerator of which is the new business facility investment certified for the tax period, and the denominator of which is the average value of all the taxpayer's real and depreciable tangible personal property owned or rented and used in this state during the tax period. The net annual rental **or license** rate shall be the annual rental **or license** rate paid by the taxpayer less any annual rental **or license** rate received by the taxpayer from subrentals **or sublicenses**. The new business facility investment shall be determined by dividing by twelve the sum of the total value of such property on the last business day of each calendar month of the **[taxable] tax** year. If the new business facility is in operation for less than an entire **[taxable] tax** year, the new business facility investment shall be determined by dividing the sum of the total value of such property on the last business day of each full calendar month during the portion of such **[taxable] tax** year during which the new business facility was in operation by the number of full calendar months during such period;

620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. **The department shall certify or reject the qualifying company's plan outlined in their notice of intent as satisfying good faith efforts made to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census.** Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable

minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (19) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs, **along with minority jobs created or retained**, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, **if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census**, or if the number of jobs is below the number required, the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; **provided that, tax credits awarded under subsection 6 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 3 of section 620.2010.**

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. **(1)** The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection ~~[13]~~ **14** of this section:

~~[(1)]~~ (a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

~~[(2)]~~ (b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; ~~and~~

~~[(3)]~~ (c) For ~~any~~ the fiscal year beginning on or after July 1, 2015, **but ending on or before June 30, 2020**, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; **and**

(d) **For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.**

(2) **For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year, provided that such tax credits shall only be authorized for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections 620.2000 to 620.2020.**

8. **For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention by qualified companies with a project facility base employment of less than fifty.**

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program; **provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 6 of section 620.2010.** However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements **or, for benefits awarded under subsection 6 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 3 of section 620.2010.** In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

~~[(9)]~~ 10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

~~[(10)]~~ 11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the

taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

~~[11-]~~ 12. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

~~[12-]~~ 13. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

~~[13-]~~ 14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

~~[14-]~~ 15. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

~~[15-]~~ 16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

~~[16-]~~ 17. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

~~[17-]~~ 18. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

On motion of Representative Dogan, **House Amendment No. 1 to House Amendment No. 4** was adopted.

On motion of Representative Roberts (77), **House Amendment No. 4, as amended**, was adopted.

Representative Hill offered **House Amendment No. 5.**

House Amendment No. 5

AMEND Senate Committee Substitute for Senate Bill No. 184, Page 2, Section 620.800, Line 35, by inserting after the words "employees at" the following:

"the project facility and at"; and

Further amend said bill, Page 17, Section 620.809, Line 253, by inserting after said section and line the following:

"620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (18) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level

applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company receiving benefits under this program shall provide an annual report of the number of jobs and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, **the qualified company shall provide monthly, wage, insurance, and number of jobs data for the project period year covered in such report, and** if the average wage is below the applicable percentage of the county average wage, the qualified company has not maintained the employee insurance as required, or if the number of jobs is below the number required **in any given month during the project period year covered in such report,** the qualified company shall not receive tax credits or retain the withholding tax for the balance of the project period. Failure to timely file the annual report required under this section shall result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs.

5. Any qualified company approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 13 of this section:

(1) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(2) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized; and

(3) For any fiscal year beginning on or after July 1, 2015, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year.

8. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company under this program. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company meets the applicable minimum new job requirements. In the event the qualified company does not meet the applicable minimum new job requirements, the qualified company may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company at the project facility or other facilities.

9. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

10. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of insurance, financial institutions and professional registration that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of insurance, financial institutions and professional registration, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

11. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

12. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

13. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

(1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or

(2) Receive benefits under the provisions of section 620.1910 for the same jobs.

14. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

15. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

(1) A list of all approved and disapproved applicants for each tax credit;

(2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;

(3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;

(4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and

(5) The department's response time for each request for a proposed benefit award under this program.

16. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

17. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of this reauthorization of sections 620.2000 to 620.2020; and

(3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-NINTH DAY, TUESDAY, MAY 14, 2019

The House met pursuant to adjournment.

Representative Basye in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

My presence shall go with you, and I will give you rest. (Exodus 33:14)

O God in heaven and on earth, who has given us life and the promise of life eternal, on every hand we see evidence of Your spirit and of Your goodness to us. For the beauty of the earth, for the glory of the skies, for the love which from our birth over and around us lies, Lord of all, to You we raise this our prayer of grateful praise.

We thank You for Your presence in our hearts making us strong, giving us confidence, and helping us to live in good will with our fellow citizens. We thank You for our great state. May we now and always play our full part in keeping the flag of freedom forever flying over our state.

We thank You for these men and women in this House for their devotion to our state and their dedication to You. May Your presence go with us all the day long.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Angela Patterson.

The Journal of the sixty-eighth day was approved as printed by the following vote:

"337.068. 1. If the board finds merit to a complaint by an individual incarcerated or under the care and control of the department of corrections or who has been ordered to be taken into custody, detained, or held under sections 632.480 to 632.513 **or who has been ordered to be evaluated under chapter 552** and takes further investigative action, no documentation may appear on file or disciplinary action may be taken in regards to the licensee's license unless the provisions of subsection 2 of section 337.035 have been violated. Any case file documentation that does not result in the board filing an action pursuant to subsection 2 of section 337.035 shall be destroyed within three months after the final case disposition by the board. No notification to any other licensing board in another state or any national registry regarding any investigative action shall be made unless the provisions of subsection 2 of section 337.035 have been violated.

2. Upon written request of the psychologist subject to a complaint, prior to August 28, 1999, by an individual incarcerated or under the care and control of the department of corrections or prior to August 28, 2008, by an individual who has been ordered to be taken into custody, detained, or held under sections 632.480 to 632.513, **or prior to August 28, 2019, by an individual who has been ordered to be evaluated under chapter 552** that did not result in the board filing an action pursuant to subsection 2 of section 337.035, the board and the division of professional registration, shall in a timely fashion:

(1) The statement was made by a person employed by the licensee or the broker with whom the licensee is associated;

(2) The person making the statement was selected by and engaged by the licensee. For purposes of this section, the ordering of a report or inspection alone shall not constitute selecting or engaging a person; or

(3) The licensee knew prior to closing that the statement was false or the licensee acted in reckless disregard as to whether the statement was true or false.

2. A real estate licensee shall not be the subject of any action and no action shall be instituted against a real estate licensee for any information contained in a seller's disclosure for residential, commercial, industrial, farm, or vacant real estate furnished to a buyer, unless the real estate licensee is a signatory to such or the licensee knew prior to closing that the statement was false or the licensee acted in reckless disregard as to whether the statement was true or false.

3. A real estate licensee acting as a courier of documents referenced in this section shall not be considered to be making the statements contained in such documents.

4. A real estate licensee shall not be the subject of any action and no action shall be instituted against a real estate licensee for the accuracy of any information about the size or area, in square footage or otherwise, of a property or of improvements on the property if the real estate licensee obtains the information from a third party and the licensee discloses the source of the information prior to an offer to purchase being transmitted to the seller, unless the real estate licensee knew the information was false at the time the real estate licensee transmitted or published the information or the licensee acted with reckless disregard as to whether such information was true or false."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Ross, **House Amendment No. 2** was adopted.

Representative Schroer offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 204, Page 6, Section 324.035, Line 4, by inserting after all of said section and line the following:

"324.950. 1. Sections 324.950 to 324.983 shall be known and may be cited as the "Missouri Statewide Mechanical Contractor Licensing Act".

- (7) "Statewide mechanical contractor license", a valid license issued by the division that allows the mechanical contractor and any of its employees or manufacturers' representatives or subcontractors to practice in any jurisdiction in Missouri regardless of local licensing requirements. Political subdivisions cannot require any member of the work force of a licensed statewide mechanical contractor to obtain an individual occupational license.

324.953. 1. The division shall adopt, implement, rescind, amend, and administer such rules as may be necessary to carry out the provisions of sections 324.950 to 324.983. The division may promulgate necessary rules authorized or as required to explain or clarify sections 324.950 to 324.983 including, but not limited to, rules relating to professional conduct, continuing competency requirements for the renewal of licenses, approval of continuing competency programs, fees, and the establishment of ethical standards of business practice for persons holding a license under sections 324.950 to 324.983. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

2. For the purpose of sections 324.950 to 324.983, the division shall:

- (1) Establish all applicable fees, set at an amount which shall not substantially exceed the cost of administering sections 324.950 to 324.983; and
- (2) Deposit all fees collected under sections 324.950 to 324.983 by transmitting such funds to the department of revenue for deposit to the state treasury to the credit of the Missouri mechanical contractor licensing fund.

324.956. There is hereby created the "Office of Mechanical Contractors" to be housed within the division of professional registration. The division shall:

(1) Employ, within the limits of the funds appropriated, persons as are necessary to carry out the provisions of sections 324.950 to 324.983, including both administrative and professional staff and legal counsel, with the discretion to hire experts in mechanical contracting to advise the division on technical matters related to mechanical contracting;

- (2) Exercise all budgeting, purchasing, reporting, and related management functions;
- (3) Conduct investigations to determine compliance with sections 324.950 to 324.983; and
- (4) File suit in its own name on behalf of the office to enforce the provisions of sections 324.950 to 324.983.

324.959. 1. The applicant for a statewide mechanical license shall satisfy the following requirements:

- (1) Be at least twenty-one years of age;
- (2) Provide proof of liability insurance in the amount of five hundred thousand dollars and post bond with each political subdivision in which he or she will perform work as required by that political subdivision;
- (3) Pass one of the following standardized and nationally offered mechanical assessment tests:
 - (a) International Code Council;
 - (b) Prometric; or

(c) North American Technician Excellence (NATE) certification; or a similar test that is administered by an independent professional testing agency not affiliated with any political subdivision or the state of Missouri and is approved by the division. The applicant shall pay for all costs associated with the examinations;

(4) Complete the application form provided by the division and pay any applicable application fees; and

(5) Have completed seven thousand five hundred hours of verifiable field experience in the mechanical industry or a bachelor's or further advanced degree in mechanical or civil engineering from an accredited college or university with a minimum of three years verifiable experience directing and supervising at least one field employee.

2. Any applicant for licensure who holds a local license as defined in section 324.950, or other license authorizing him or her to engage in mechanical contracting, who has seven thousand five hundred hours of verifiable field experience in the mechanical industry, and who is otherwise eligible for licensure shall be issued a statewide mechanical license, therefore becoming a statewide mechanical license holder. The provisions of this subsection shall apply only to licenses issued by a political subdivision with the legal authority to issue such licenses.

3. If a corporation, firm, institution, organization, company, or representative thereof desires to engage in mechanical contracting licensed under sections 324.950 to 324.985, it shall have in its employ at least one license holder who possesses a statewide license in accordance with sections 324.950 to 324.983. A statewide licensed mechanical license holder shall represent only one corporation, firm, institution, organization, or company at one time.

4. The division may issue a mechanical contractor license to any person who holds a current and active license to engage in the practice of a mechanical contractor or as a master pipefitter or master plumber issued by any other state, the District of Columbia, or territories of the United States that require standards for licensure, registration, or certification considered to be equivalent or more stringent than the requirements for licensure under sections 324.950 to 324.983.

324.962. 1. Political subdivisions shall not be prohibited from establishing their own local mechanical contractor's license but shall recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within such political subdivision. No political subdivision shall require the employees of a statewide licensed mechanical contractor or its subcontractors or manufacturers' representatives to obtain journeyman licenses, apprentice licenses, or occupation licenses that require passing any examination or any special requirements to assess proficiency or mastery of the mechanical trade. The workforce of a statewide licensee shall be deemed eligible to perform mechanical contracting work and to obtain permits to perform such work from any political subdivision within the state of Missouri.

2. If a political subdivision does not recognize a statewide license in lieu of a local license for the purposes of performing contracting work or obtaining permits to perform work within the political subdivision, a statewide mechanical contractor licensee may file a complaint with the division. The division shall perform an investigation into the complaint, and if the division finds that the political subdivision failed to recognize a statewide license in accordance with this section, the division shall notify the political subdivision that the political subdivision has violated the provisions of this section and has thirty days to comply with this section. If after thirty days the political subdivision still does not recognize a statewide license, the division shall notify the director of the department of revenue, who shall withhold any moneys the noncompliant political subdivision would otherwise be entitled to from local sales tax, as defined in section 32.085, until the director has received notice from the division that the political subdivision is in compliance with this section. Upon the political subdivision coming into compliance with the provisions of this section, the division shall notify the director of the department of revenue, who shall disburse all funds held under this subsection. Moneys held by the director of the department of revenue under this subsection shall not be deemed to be state funds and shall not be commingled with any funds of the state.

3. The provisions of this section shall not prohibit any political subdivision in this state from:

- (1) Enforcing any code or law contained in this section;
- (2) Requiring a business license to perform mechanical contracting work;
- (3) Issuing mechanical contracting permits;
- (4) Enforcing codes of the political subdivision; and

(5) Inspecting the work of a statewide mechanical contractor.

4. Political subdivisions that do not have the authority to issue or require mechanical contractor licenses prior to August 28, 2019, shall not be granted such authority under the provisions of this section.

324.965. There is hereby created in the state treasury the "Missouri Mechanical Contractor Licensing Fund", which shall consist of moneys collected under sections 324.950 to 324.983. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180. Upon appropriation, moneys in the fund shall be used solely for the administration of sections 324.950 to 324.983. The provisions of section 33.080 to the contrary notwithstanding, moneys in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds three times the amount of the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the fund for the preceding fiscal year. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

324.968. 1. Licenses shall expire on a renewal date established by the division. The term of licensure shall be twenty-four months. The division shall mail a renewal notice to the last known address of each person licensed under sections 324.950 to 324.983 prior to the renewal date. Failure to provide the division with the information required for renewal or to pay the required fee after such notice shall result in the license being declared inactive. The licensee shall not practice until he or she applies for reinstatement and pays the required fees. The license shall be restored if the application for reinstatement is received within two years of the renewal date.

2. In addition to other requirements provided by sections 324.950 to 324.983 and established by the division, in order to renew such license under this section, the person shall have at least sixteen contact hours of industry-related training.

324.971. Any person operating as a mechanical contractor in a political subdivision that does not require the mechanical contractor to hold a local license, or who operates as a mechanical contractor in a political subdivision that requires a local license possessed by that person, shall not be required to possess a statewide license under sections 324.950 to 324.983 to operate as a mechanical contractor in such political subdivision.

324.977. The statewide license shall be regulated by the division of professional registration and not a state-appointed licensing board.

324.980. 1. The division may refuse to issue any certificate of registration or authority, permit, or license required under sections 324.950 to 324.983 for one or any combination of causes stated in subsection 2 of this section. The division shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The division may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit, or license required by sections 324.950 to 324.983, or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit, or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by sections 324.950 to 324.983;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions, or duties of any profession licensed or regulated under sections 324.950 to 324.983, for any offense involving a controlled substance, or for any offense an essential element of which is fraud, dishonesty, or an act of violence;

(3) Use of fraud, deception, misrepresentation, or bribery in securing any certificate of registration or authority, permit, or license issued under sections 324.950 to 324.983 or in obtaining permission to take any examination given or required under sections 324.950 to 324.983;

(4) Obtaining or attempting to obtain any fee, charge, tuition, or other compensation by fraud, deception, or misrepresentation;

(5) Incompetency, misconduct, gross negligence, fraud, misrepresentation, or dishonesty in the performance of the functions or duties of any profession licensed or regulated by sections 324.950 to 324.983;

(6) Violation of, or assisting or enabling any person to violate, any provision of sections 324.950 to 324.983, or of any lawful rule or regulation adopted thereunder;

(7) Impersonation of any person holding a certificate of registration or authority, permit, or license or allowing any person to use his or her certificate of registration or authority, permit, license, or diploma from any school;

(8) Disciplinary action against the holder of a license or other right to practice any profession regulated by sections 324.950 to 324.983 granted by another political subdivision, state, territory, federal agency, or country upon grounds for which revocation or suspension is authorized in this state;

(9) A person is finally adjudged mentally incompetent by a court of competent jurisdiction;

(10) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by sections 324.950 to 324.983 who is not licensed or registered and currently eligible to practice thereunder;

(11) Issuance of a certificate of registration or authority, permit, or license based upon a material mistake of fact;

(13) Violation of any professional trust or confidence;

(14) Use of any advertisement or solicitation which is false, misleading, or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed; or

(15) Failure to post bond as required by any local jurisdiction.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the division may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the division deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke any certificate of registration or authority, permit, or license issued under sections 324.950 to 324.983.

4. An individual whose certificate of registration or authority, permit, or license has been revoked shall wait three years from the date of revocation to apply for any certificate of registration or authority, permit, or license under sections 324.950 to 324.983. Any certificate of registration or authority, permit, or license shall be issued at the discretion of the board after compliance with all the requirements of sections 324.950 to 324.983 relative to the licensing or registration of the applicant for the first time.

5. The division may file suit to enforce compliance, including the authority to seek injunctions and restraining orders to enjoin any person from:

(1) Offering to engage or engaging in the performance of any acts or practices for which a license is required upon a showing that such acts or practices were performed or offered to be performed without a certificate of registration or authority, permit, or license;

(2) Engaging in the practice of business authorized by a license issued under a building trades contractor law upon a showing that the license holder presents a substantial probability of serious harm to the health, safety, or welfare of any resident of this state or owner or lessee of real property within this state; or

(3) Refusing to recognize a statewide license as a valid license within any political subdivision, or requiring journeymen or apprentices to be individually licensed or requiring subcontractors and manufacturer's representatives, or other members of the contractor's workforce to be licensed.

7. The division may compel the production of documents, things, or persons by subpoena.

8. The division may refer any violations of the provisions of any state law or local ordinance relating to the work performed by a licensee to the appropriate state or local official.

324.983. 1. Any person that knowingly violates any provision of sections 324.950 to 324.983 is guilty of a class B misdemeanor.

For the purposes of this chapter, the term "direction" shall mean guidance or supervision provided by a person licensed by a state regulatory board to prescribe medications and treatments or a registered professional nurse, including, but not limited to, oral, written, or otherwise communicated orders or directives for patient care. When practical nursing care is delivered pursuant to the direction of a person licensed by a state regulatory board to prescribe medications and treatments or under the direction of a registered professional nurse, such care may be delivered by a licensed practical nurse without direct physical oversight;
- (15) "**Practice of** professional nursing", the performance for compensation of any act **or action** which requires substantial specialized education, judgment and skill based on knowledge and application of principles derived from the biological, physical, social, **behavioral** and nursing sciences, including, but not limited to:
 - (a) Responsibility for the **promotion and** teaching of health care and the prevention of illness to the patient and his or her family;

- (b) Assessment, **data collection**, nursing diagnosis, nursing care, **evaluation**, and counsel of persons who are ill, injured or experiencing alterations in normal health processes;
- (c) The administration of medications and treatments as prescribed by a person licensed by a state regulatory board to prescribe medications and treatments;
- (d) The coordination, **initiation, performance**, and assistance in the **determination and** delivery of a plan of health care with all members of a health team;
- (e) The teaching and supervision of other persons in the performance of any of the foregoing;
- (16) [A] "Registered professional nurse" or "registered nurse", a person licensed pursuant to the provisions of this chapter to engage in the practice of professional nursing;
- (17) "Retired license status", any person licensed in this state under this chapter who retires from such practice. Such person shall file with the board an affidavit, on a form to be furnished by the board, which states the date on which the licensee retired from such practice, an intent to retire from the practice for at least two years, and such other facts as tend to verify the retirement as the board may deem necessary; but if the licensee thereafter reengages in the practice, the licensee shall renew his or her license with the board as provided by this chapter and by rule and regulation.

335.046. 1. An applicant for a license to practice as a registered professional nurse shall submit to the board a written application on forms furnished to the applicant. The original application shall contain the applicant's statements showing the applicant's education and other such pertinent information as the board may require. The applicant shall be of good moral character and have completed at least the high school course of study, or the equivalent thereof as determined by the state board of education, and have successfully completed the basic professional curriculum in an accredited or approved school of nursing and earned a professional nursing degree or diploma. Each application shall contain a statement that it is made under oath or affirmation and that its representations are true and correct to the best knowledge and belief of the person signing same, subject to the penalties of making a false affidavit or declaration. Applicants from non-English-speaking lands shall be required to submit evidence of proficiency in the English language. The applicant must be approved by the board and shall pass an examination as required by the board. The board may require by rule as a requirement for licensure that each applicant shall pass an oral or practical examination. Upon successfully passing the examination, the board may issue to the applicant a license to practice nursing as a registered professional nurse. The applicant for a license to practice registered professional nursing shall pay a license fee in such amount as set by the board. The fee shall be uniform for all applicants. Applicants from foreign countries shall be licensed as prescribed by rule.

2. An applicant for license to practice as a licensed practical nurse shall submit to the board a written application on forms furnished to the applicant. The original application shall contain the applicant's statements showing the applicant's education and other such pertinent information as the board may require. Such applicant shall be of good moral character, and have completed at least two years of high school, or its equivalent as established by the state board of education, and have successfully completed a basic prescribed curriculum in a state-accredited or approved school of nursing, earned a nursing degree, certificate or diploma and completed a course approved by the board on the role of the practical nurse. Each application shall contain a statement that it is made under oath or affirmation and that its representations are true and correct to the best knowledge and belief of the person signing same, subject to the penalties of making a false affidavit or declaration. Applicants from non-English-speaking countries shall be required to submit evidence of their proficiency in the English language. The applicant must be approved by the board and shall pass an examination as required by the board. The board may require by rule as a requirement for licensure that each applicant shall pass an oral or practical examination. Upon successfully passing the examination, the board may issue to the applicant a license to practice as a licensed practical nurse. The applicant for a license to practice licensed practical nursing shall pay a fee in such amount as may be set by the board. The fee shall be uniform for all applicants. Applicants from foreign countries shall be licensed as prescribed by rule.

3. Upon refusal of the board to allow any applicant to ~~[sit for]~~ **take** either the registered professional nurses' examination or the licensed practical nurses' examination, ~~[as the case may be,]~~ **or upon refusal to issue an advanced practice registered nurse license**, the board shall comply with the provisions of section 621.120 and advise the applicant of his or her right to have a hearing before the administrative hearing commission. The administrative hearing commission shall hear complaints taken pursuant to section 621.120.

4. The board shall not deny a license because of sex, religion, race, ethnic origin, age or political affiliation.

335.047. 1. The Missouri state board of nursing may promulgate rules under chapter 536 establishing the licensure, renewal procedures, fees, and the discipline of advanced practice registered nurses. An application for licensure may be denied or the license of an advanced practice registered nurse may be suspended or revoked by the board in the same manner and for violation of the standards as set forth by section 335.066, or such other standards of conduct set by the board by rule.

2. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

3. Nothing in this section shall prohibit a certified advance practice registered nurse from continuing to practice with a certification before such licensing rules are established by the board.

4. Nothing in this section shall prohibit a certified registered nurse anesthetist as defined in section 335.016 from providing anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available, if needed, pursuant to subsection (7) of section 334.104.

335.051. 1. The board shall issue a license to practice nursing as either a registered professional nurse or a licensed practical nurse without examination to an applicant who has duly become licensed as a registered nurse or licensed practical nurse pursuant to the laws of another state, territory, or foreign country if the applicant meets the qualifications required of registered nurses or licensed practical nurses in this state at the time the applicant was originally licensed in the other state, territory, or foreign country.

2. Applicants from foreign countries shall be licensed as prescribed by rule.

3. Upon application, the board shall issue a temporary permit to an applicant pursuant to subsection 1 of this section for a license as either a registered professional nurse or a licensed practical nurse who has made a prima facie showing that the applicant meets all of the requirements for such a license. The temporary permit shall be effective only until the board shall have had the opportunity to investigate his or her qualifications for licensure pursuant to subsection 1 of this section and to notify the applicant that his or her application for a license has been either granted or rejected. In no event shall such temporary permit be in effect for more than twelve months after the date of its issuance nor shall a permit be reissued to the same applicant. No fee shall be charged for such temporary permit. The holder of a temporary permit which has not expired, or been suspended or revoked, shall be deemed to be the holder of a license issued pursuant to section 335.046 until such temporary permit expires, is terminated or is suspended or revoked.

4. The board may issue a license by endorsement to an advanced practice registered nurse licensed under the laws of another state if, in the opinion of the board, the applicant meets the qualifications for licensure in this jurisdiction. An advanced practice registered nurse licensed under this subsection shall practice in accordance with the laws of this state.

335.056. 1. The license of every person licensed under the provisions of [sections 335.011 to 335.096] this chapter shall be renewed as provided. An application for renewal of license shall be mailed to every person to whom a license was issued or renewed during the current licensing period. The applicant shall complete the application and return it to the board by the renewal date with a renewal fee in an amount to be set by the board. The fee shall be uniform for all applicants. The certificates of renewal shall render the holder thereof a legal practitioner of nursing for the period stated in the certificate of renewal. Any person who practices nursing as an advanced practice registered nurse, a registered professional nurse, or [as] a licensed practical nurse during the time his or her license has lapsed shall be considered an illegal practitioner and shall be subject to the penalties provided for violation of the provisions of sections 335.011 to [335.096] 335.099.

2. A licensee's advanced practice registered nursing license and his or her professional nursing license shall be treated as one license for the purpose of discipline, renewal, and assessment of renewal fees.

335.076. 1. Any person who holds a license to practice professional nursing in this state may use the title "Registered Professional Nurse" and the abbreviation "R.N.". No other person shall use the title "Registered Professional Nurse" or the abbreviation "R.N.". No other person shall assume any title or use any abbreviation or any other words, letters, signs, or devices to indicate that the person using the same is a registered professional nurse.

2. Any person who holds a license to practice practical nursing in this state may use the title "Licensed Practical Nurse" and the abbreviation ["L.P.N."] "LPN". No other person shall use the title "Licensed Practical Nurse" or the abbreviation ["L.P.N."] "LPN". No other person shall assume any title or use any abbreviation or any other words, letters, signs, or devices to indicate that the person using the same is a licensed practical nurse.

3. Any person who holds a license ~~[or recognition]~~ to practice advanced practice nursing in this state may use the title "Advanced Practice Registered Nurse", **the designations of "certified registered nurse anesthetist", "certified nurse midwife", "certified clinical nurse specialist", and "certified nurse practitioner",** and the ~~[abbreviation]~~ **abbreviations "APRN", [and any other title designations appearing on his or her license] "CRNA", "CNM", "CNS", and "NP", respectively.** No other person shall use the title "Advanced Practice Registered Nurse" or the abbreviation "APRN". No other person shall assume any title or use any abbreviation or any other words, letters, signs, or devices to indicate that the person using the same is an advanced practice registered nurse.

4. No person shall practice or offer to practice professional nursing, practical nursing, or advanced practice nursing in this state or use any title, sign, abbreviation, card, or device to indicate that such person is a practicing professional nurse, practical nurse, or advanced practice nurse unless he or she has been duly licensed under the provisions of this chapter.

5. In the interest of public safety and consumer awareness, it is unlawful for any person to use the title "nurse" in reference to himself or herself in any capacity, except individuals who are or have been licensed as a registered nurse, licensed practical nurse, or advanced practice registered nurse under this chapter.

6. Notwithstanding any law to the contrary, nothing in this chapter shall prohibit a Christian Science nurse from using the title "Christian Science nurse", so long as such person provides only religious nonmedical services when offering or providing such services to those who choose to rely upon healing by spiritual means alone and does not hold his or her own religious organization and does not hold himself or herself out as a registered nurse, advanced practice registered nurse, nurse practitioner, licensed practical nurse, nurse midwife, clinical nurse specialist, or nurse anesthetist, unless otherwise authorized by law to do so.

335.086. No person, firm, corporation or association shall:

(1) Sell or attempt to sell or fraudulently obtain or furnish or attempt to furnish any nursing diploma, license, renewal or record or aid or abet therein;

(2) Practice ~~[professional or practical]~~ nursing as defined by sections 335.011 to ~~[335.096]~~ **335.099** under cover of any diploma, license, or record illegally or fraudulently obtained or signed or issued unlawfully or under fraudulent representation;

(3) Practice ~~[professional nursing or practical]~~ nursing as defined by sections 335.011 to ~~[335.096]~~ **335.099** unless duly licensed to do so under the provisions of sections 335.011 to ~~[335.096]~~ **335.099**;

(4) Use in connection with his **or her** name any designation tending to imply that he **or she** is a licensed **advanced practice registered nurse, a licensed** registered professional nurse, or a licensed practical nurse unless duly licensed so to practice under the provisions of sections 335.011 to ~~[335.096]~~ **335.099**;

(5) Practice ~~[professional nursing or practical]~~ nursing during the time his **or her** license issued under the provisions of sections 335.011 to ~~[335.096]~~ **335.099** shall be suspended or revoked; or

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 204, Page 1, Section A, Line 7, by inserting after all of said section and line the following:

"135.630. 1. As used in this section, the following terms mean:

- (1) "Contribution", a donation of cash, stock, bonds, or other marketable securities, or real property;
- (2) "Director", the director of the department of social services;
- (3) "Pregnancy resource center", a nonresidential facility located in this state:
 - (a) Established and operating primarily to provide assistance to women with crisis pregnancies or unplanned pregnancies by offering pregnancy testing, counseling, emotional and material support, and other similar services to encourage and assist such women in carrying their pregnancies to term; and
 - (b) Where childbirths are not performed; and
 - (c) Which does not perform, induce, or refer for abortions and which does not hold itself out as performing, inducing, or referring for abortions; and
 - (d) Which provides direct client services at the facility, as opposed to merely providing counseling or referral services by telephone; and

- (e) Which provides its services at no cost to its clients; and
 - (f) When providing medical services, such medical services must be performed in accordance with Missouri statute; and
 - (g) Which is exempt from income taxation pursuant to the Internal Revenue Code of 1986, as amended;
 - (4) "State tax liability", in the case of a business taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapters 143, 147, 148, and 153, excluding sections 143.191 to 143.265 and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143, excluding sections 143.191 to 143.265 and related provisions;
 - (5) "Taxpayer", a person, firm, a partner in a firm, corporation, or a shareholder in an S corporation doing business in the state of Missouri and subject to the state income tax imposed by the provisions of chapter 143, or a corporation subject to the annual corporation franchise tax imposed by the provisions of chapter 147, or an insurance company paying an annual tax on its gross premium receipts in this state, or other financial institution paying taxes to the state of Missouri or any political subdivision of this state pursuant to the provisions of chapter 148, or an express company which pays an annual tax on its gross receipts in this state pursuant to chapter 153, or an individual subject to the state income tax imposed by the provisions of chapter 143, or any charitable organization which is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143.
2. (1) Beginning on March 29, 2013, any contribution to a pregnancy resource center made on or after January 1, 2013, shall be eligible for tax credits as provided by this section.
- (2) For all tax years beginning on or after January 1, 2007, **and ending on or before December 31, 2019**, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the amount such taxpayer contributed to a pregnancy resource center. **For all tax years beginning on or after January 1, 2020, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to seventy percent of the amount such taxpayer contributed to a pregnancy resource center.**
3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of fifty thousand dollars per tax year. However, any tax credit that cannot be claimed in the tax year the contribution was made may be carried over only to the next succeeding tax year. No tax credit issued under this section shall be assigned, transferred, or sold.
4. Except for any excess credit which is carried over pursuant to subsection 3 of this section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such taxpayer's contribution or contributions to a pregnancy resource center or centers in such taxpayer's tax year has a value of at least one hundred dollars.
5. The director shall determine, at least annually, which facilities in this state may be classified as pregnancy resource centers. The director may require of a facility seeking to be classified as a pregnancy resource center whatever information which is reasonably necessary to make such a determination. The director shall classify a facility as a pregnancy resource center if such facility meets the definition set forth in subsection 1 of this section.
6. The director shall establish a procedure by which a taxpayer can determine if a facility has been classified as a pregnancy resource center. Pregnancy resource centers shall be permitted to decline a contribution from a taxpayer. ~~[The cumulative amount of tax credits which may be claimed by all the taxpayers contributing to pregnancy resource centers in any one fiscal year shall not exceed two million dollars for all fiscal years ending on or before June 30, 2014, and two million five hundred thousand dollars for all fiscal years beginning on or after July 1, 2014, and ending on or before June 30, 2019, and three million five hundred thousand dollars for all fiscal years beginning on or after July 1, 2019. Tax credits shall be issued in the order contributions are received. If the amount of tax credits redeemed in a fiscal year is less than the cumulative amount authorized under this subsection, the difference shall be carried over to a subsequent fiscal year or years and shall be added to the cumulative amount of tax credits that may be authorized in that fiscal year or years.]~~
7. ~~[The director shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax credits are equally apportioned among all facilities classified as pregnancy resource centers. If a pregnancy resource center fails to use all, or some percentage to be determined by the director, of its apportioned tax credits during this predetermined period of time, the director may reapportion these unused tax credits to those pregnancy resource centers that have used all, or some percentage to be determined by the director, of their apportioned tax credits during this~~

~~predetermined period of time. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.~~

~~8.] Each pregnancy resource center shall provide information to the director concerning the identity of each taxpayer making a contribution to the pregnancy resource center who is claiming a tax credit pursuant to this section and the amount of the contribution. The director shall provide the information to the director of revenue. The director shall be subject to the confidentiality and penalty provisions of section 32.057 relating to the disclosure of tax information.~~

~~[9. Under section 23.253 of the Missouri sunset act:~~

~~(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which a program authorized under this section is sunset; and~~

~~(4) The provisions of this subsection shall not be construed to limit or in any way impair the department's ability to issue tax credits authorized on or before the date the program authorized under this section expires or a taxpayer's ability to redeem such tax credits.]~~

8. The provisions of section 23.253 shall not apply to this section."; and

4. If the board files a complaint with the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, either singularly or in combination with other provisions of this chapter, impose a civil penalty as provided for in section 327.077 against the person named in the complaint.

(1) "Department", the Missouri department of revenue;

(2) "Paid tax return preparer", a person who prepares for compensation, or who employs one or more persons to prepare for compensation, any income tax return or claim for refund required to be filed under this chapter. The preparation of a substantial portion of a return or claim for refund shall be treated as the preparation of such return or claim for refund. A paid tax return preparer shall not include any certified public accountant who holds an active license issued by any state and the employees of such certified public accountant or certified public accounting firm or an enrolled agent enrolled to practice before the federal Internal Revenue Service pursuant to 31 C.F.R. For all tax years beginning on or after January 1, 2020, any income tax return or claim for refund prepared by a paid tax return preparer shall be signed by the paid tax return preparer and shall bear the paid tax return preparer's Internal Revenue Service preparer tax identification number. Any person who is the paid tax return preparer with respect to any income tax return or claim for refund and who fails to sign the return or claim for refund, or who fails to provide his or her preparer tax identification number, shall

pay a penalty of fifty dollars for each such failure, unless it can be shown that the failure was due to reasonable cause and not willful or reckless conduct. The aggregate penalty that may be imposed by the department on any paid tax return preparer with respect to returns or claims for refund filed during any calendar year shall not exceed twenty-five thousand dollars per paid tax return preparer.

4. (1) In a court of competent jurisdiction, the director of revenue may commence suit to enjoin any paid tax return preparer from further engaging in any conduct described in subdivision (2) of this subsection, or from further action as a paid tax return preparer.

(2) In any action under subdivision (1) of this subsection, if the court finds that injunctive relief is appropriate to prevent the recurrence of willful or reckless conduct, the court may enjoin the paid tax return preparer from further engaging in any conduct specified in the action. The court may enjoin conduct when a paid tax return preparer has done any of the following:

- (a) Prepared any income tax return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position. For purposes of this subdivision, the term "unreasonable position" shall have the same meaning as defined under 26 U.S.C. Section 6694;

- (j) Guaranteed the payment of any income tax refund or the allowance of any income tax credit; or
- (k) Engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the laws of this state.

(3) (a) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subdivision (2) of this subsection and that an injunction prohibiting the conduct would not be sufficient to prevent the paid tax return preparer's interference with the proper administration of the laws of this state, the court may enjoin the paid tax return preparer from acting as a paid tax return preparer in Missouri.

(b) Being enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction under this section shall establish a prima facie case for an injunction to be issued under this section. 382.227. 1. The director is authorized to act as the group-wide supervisor for any internationally active insurance group in accordance with the provisions of this section. However, the director may otherwise acknowledge another regulatory official as the group-wide supervisor if the internationally active insurance group:

- (1) Does not have substantial insurance operations in the United States;**
- (2) Has substantial insurance operations in the United States but not in this state; or**
- (3) Has substantial insurance operations in the United States and in this state but the director has determined, pursuant to the factors set forth in subsections 3 and 9 of this section, that another regulatory official is the appropriate group-wide supervisor.**

2. An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the director make a determination or acknowledgment as to a group-wide supervisor pursuant to this section.

3. In cooperation with other state, federal, and international regulatory agencies, the director shall identify a single group-wide supervisor for an internationally active insurance group. The director may determine that the director is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state. However, the director may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The director shall consider the following factors when making a determination or acknowledgment under this subsection:

- (1) The domicile of the insurers within the internationally active insurance group that hold the largest share of the internationally active insurance group's written premiums, assets, or liabilities;**
- (2) The domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group;**
- (3) The location of the executive offices or largest operational offices of the internationally active insurance group;**
- (4) Whether another regulatory official is acting as or is seeking to act as the group-wide supervisor under a regulatory system that the director determines to be:**
 - (a) Substantially similar to the system of regulation provided under the laws of this state; or**
 - (b) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials; and**
- (5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the director with reasonably reciprocal recognition and cooperation.**

4. A director identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made after consideration of the factors listed in subdivisions (1) to (5) of subsection 3 of this section, and shall be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

5. Notwithstanding any other provision of the law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the director shall acknowledge that regulatory official as the group-wide supervisor, subject to subsection 6 of this section. In the event of a

material change in the internationally active insurance group that results in either the internationally active insurance group's insurers domiciled in this state holding the largest share of the internationally active insurance group's premiums, assets, or liabilities, or this state being the domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group, the director shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group under subsections 3 and 4 of this section.

6. In the event of a dispute as to the proper regulatory official to act as group-wide supervisor, a determination by the director not to acknowledge the current group-wide supervisor shall be made only after notice and a public hearing, and such determination shall be accompanied by specific findings of fact and conclusions of law including, but not limited to, application of the factors listed in subdivisions (1) to (5) of subsection 3 of this section.

7. Under section 382.220, the director is authorized to collect from any insurer registered under sections 382.100 to 382.180 all information necessary to determine whether the director may act as the group-wide supervisor of an internationally active insurance group or if the director may acknowledge another regulatory official to act as the group-wide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the director, the director shall notify the insurer registered under sections 382.100 to 382.180 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have not less than thirty days to provide the director with additional information pertinent to the pending determination. The director shall publish on the department's website the identity of internationally active insurance groups that the director has determined are subject to group-wide supervision by the director.

8. If the director is the group-wide supervisor for an internationally active insurance group, the director is authorized to engage in any of the following group-wide supervisory activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure that:
 - (a) The material financial condition and liquidity risks to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management; and
 - (b) Reasonable and effective mitigation measures are in place;
- (2) Request, from any member of an internationally active insurance group subject to the director's supervision, information necessary and appropriate to assess enterprise risk including, but not limited to, information about the members of the internationally active insurance group regarding:
 - (a) Governance, risk assessment, and management;
 - (b) Capital adequacy; and

2. Neither the director nor any person who receives documents, materials, or other information while acting under the authority of the director or with whom such documents, materials, or other information is shared under sections 382.010 to 382.300 shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or other information subject to subsection 1 of this section.

(b) Specify that ownership of information shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300 remains with the director and that the National Association of Insurance Commissioners' use of such information is subject to the direction of the director;

4. The sharing of information by the director under sections 382.010 to 382.300 shall not constitute a delegation of regulatory or rulemaking authority, and the director is solely responsible for the administration, execution, and enforcement of the provisions of sections 382.010 to 382.300.

5. No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or other information shall occur as a result of disclosure of such documents, materials, or other information to the director under this section or as a result of sharing as authorized in sections 382.010 to 382.300.

6. Documents, materials, or other information in the possession or control of the National Association of Insurance Commissioners under sections 382.010 to 382.300 shall be confidential by law and privileged, shall not be subject to disclosure under chapter 610, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action."; and

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license, certificate, or permit. The burden of proving that the actions of a licensee or registrant constitute a clear and present danger to the public health and safety shall be upon the state board of pharmacy. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend the licensee's or registrant's license, such temporary authority of the board shall become final authority if there is no request by the licensee or registrant for a full hearing within thirty days of the preliminary hearing. The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

(2) A refusal to make reasonable accommodations in rules, policies, practices, or services, when such accommodations may be necessary to afford such person equal opportunity to use and enjoy a dwelling; or

(a) The public use and common use portions of such dwellings are readily accessible to and usable by persons with a disability;

Such compliance shall be subject to the following provisions:

(1) A unit of general local government may review and approve newly constructed covered multifamily dwellings for the purpose of making determinations as to whether the design and construction requirements of subdivision (3) of subsection 2 of this section are met;

(2) The commission shall encourage, but may not require, the units of local government to include in their existing procedures for the review and approval of newly constructed covered multifamily dwellings, determinations as to whether the design and construction of such dwellings are consistent with subdivision (3) of subsection 2 of this section, and shall provide technical assistance to units of local government and other persons to implement the requirements of subdivision (3) of subsection 2 of this section;

(3) Nothing in this chapter shall be construed to require the commission to review or approve the plans, designs or construction of all covered dwellings, to determine whether the design and construction of such dwellings are consistent with the requirements of subdivision (3) of subsection 2 of this section.

6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that requires dwellings to be designed and constructed in a manner that affords persons with disabilities greater access than is required by this chapter.

7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be made available to an individual whose tenancy would constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others.

8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any reasonable local or state restriction regarding the maximum number of occupants permitted to occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050 regarding familial status apply with respect to housing for older persons.

9. As used in this section and sections 213.045 and 213.050, “housing for older persons” means housing:

(1) Provided under any state or federal program that the commission determines is specifically designed and operated to assist elderly persons, as defined in the state or federal program;

(2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

(3) Intended and operated for occupancy by at least one person fifty-five years of age or older per unit. In determining whether housing qualifies as housing for older persons under this subsection, the commission shall develop regulations which require at least the following factors:

(b) That at least eighty percent of the units are occupied by at least one person fifty-five years of age or older per unit; and

(c) The publication of, and adherence to, policies and procedures which demonstrate an intent by the owner or manager to provide housing for persons fifty-five years of age or older.

10. Housing shall not fail to meet the requirements for housing for older persons by reason of:

(1) Persons residing in such housing as of August 28, 1992, who do not meet the age requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

(2) Unoccupied units, provided that such units are reserved for occupancy by persons who meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a person because such person has been convicted by any court of competent jurisdiction of the illegal manufacture or distribution of a controlled substance, as defined by section 195.010.

12. Nothing in this chapter shall prohibit a religious organization, association, or society, or any nonprofit institution or organization operated, supervised or controlled by or in conjunction with a religious organization, association, or society, from limiting the sale, rental or occupancy of dwellings which it owns or operates for other than a commercial purpose to persons of the same religion, or from giving preference to such persons, unless membership in such religion is restricted on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private club not in fact open to the public, which as an incident to its primary purpose or purposes provides lodging which it owns or operates for other than a commercial purpose, from limiting the rental or occupancy of such lodging to its members or from giving preference to its members.

13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in subdivision (3) of subsection 1 of this section, shall apply to:

If the owner selling the house does not reside in it at the time of the sale or was not the most recent resident of the house prior to such sale, the exemption in this section applies to only one such sale in any twenty-four-month period; or

(2) Rooms or units in dwellings containing living quarters occupied or intended to be occupied by no more than four families living independently of each other, if the owner actually maintains and occupies one of such living quarters as his or her residence.

213.045. It shall be unlawful for any bank, building and loan association, insurance company or other corporation, association, firm or enterprise whose business consists in whole or in part in the making of commercial real estate loans, to deny a loan or other financial assistance because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability or familial status to a person applying therefor for the purpose of purchasing, construction, improving, repairing, or maintaining a dwelling, or to discriminate against ~~him~~ **such person** in fixing of the amount, interest rate, duration or other terms or conditions of such loan or other financial assistance, because of the race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status of such person or of any person associated with ~~him~~ **such person** in connection with such loan or other financial assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in relation to which such loan or other financial assistance is to be made or given.

213.050. It shall be unlawful to deny any person access to or membership or participation in any multiple listing service, real estate brokers' organization or other service organization, or facility relating to the business of selling or renting dwellings, because of race, color, religion, national origin, ancestry, sex, **sexual orientation, gender identity**, disability, or familial status.

Re: Possible Personal Interest in Legislation

Dear Madam Clerk:

Pursuant to Section 105.461, RSMo, I am hereby filing a written report of a possible personal interest in legislation on which the House of Representatives may vote during the legislative session.

Also, I have contributed to organizations and received the Missouri Pregnancy Resource Center Tax Credit and may do so in the future. I have disclosed these interests in the appropriate ethics or related reporting. Another interest which does not appear to require such reporting but which may be subject of the House Budget committee is the Long Term Care Insurance deduction.

In compliance with Section 105.461, please publish this letter in the Journal of the House.

Thank you for your attention on this matter.

Very Sincerely,

/s/ John F. Black
State Representative

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SEVENTIETH DAY, WEDNESDAY, MAY 15, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let the words of my mouth, and the meditation of my heart, be acceptable in Your sight, O Lord, my strength and my Redeemer. (Psalm 19:14)

Our God, who is in heaven, we come to You conscious of our shortcomings and our sins yet confident that You are with us and that, with You, sins are forgiven, discouragement gives way to encouragement, fear changes to faith, and a new glory enters human life.

Give us the courage of our convictions – the confidence to say "yes" to what is right, the courage to say "no" to what is wrong, and the wisdom and the insight to know the difference. May this spirit enter the hearts of all our people, so shall we be children of Yours, serving You faithfully all our days. Let the words of our mouths and the meditations of our hearts be acceptable in Your sight, O Lord, our strength and our Redeemer, in the people's house.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-ninth day was approved as printed by the following vote:

For purposes of this section, "access to affordable employer-sponsored health care insurance or other affordable health care coverage" refers to health insurance requiring a monthly premium less than or equal to one hundred thirty-three percent of the monthly average premium required in the state's current Missouri consolidated health care plan.

Payments made by the department under the provisions of this section shall be made only after all other available sources of payment have been exhausted.

3. (1) In order to be eligible for financial assistance for consumer-directed personal care assistance services under this section, a person shall demonstrate financial need, which shall be based on the adjusted gross income and the assets of the person seeking financial assistance and such person's spouse.

4. The department shall require applicants and the applicant's spouse, and consumers and the consumer's spouse, to provide documentation for income, assets, and disability-related medical expenses for the purpose of determining financial need and eligibility for the program. 6. Each consumer who participates in the program is responsible for a monthly premium equal to the average premium required for the Missouri consolidated health care plan; provided that the total premium described in this section shall not exceed five percent of the consumer's and the consumer's spouse's adjusted gross income for the year involved.

7. (1) Nonpayment of the premium required in subsection 6 shall result in the denial or termination of assistance, unless the person demonstrates good cause for such nonpayment.

(2) No person denied services for nonpayment of a premium shall receive services unless such person shows good cause for nonpayment and makes payments for past-due premiums as well as current premiums.

(3) Any person who is denied services for nonpayment of a premium and who does not make any payments for past-due premiums for sixty consecutive days shall have their enrollment in the program terminated.

(4) No person whose enrollment in the program is terminated for nonpayment of a premium when such nonpayment exceeds sixty consecutive days shall be reenrolled unless such person pays any past-due premiums as well as current premiums prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument.

8. (1) Consumers determined eligible for personal care assistance services under the provisions of this section shall be reevaluated annually to verify their continued eligibility and financial need. The amount of financial assistance for consumer-directed personal care assistance services received by the consumer shall be adjusted or eliminated based on the outcome of the reevaluation. Any adjustments made shall be recorded in the consumer's personal care assistance services plan.

(2) In performing the annual reevaluation of financial need, the department shall annually send a reverification eligibility form letter to the consumer requiring the consumer to respond within ten days of receiving the letter and to provide income and disability-related medical expense verification documentation. If the department does not receive the consumer's response and documentation within the ten-day period, the department shall send a letter notifying the consumer that he or she has ten days to file an appeal or the case will be closed.

(3) The department shall require the consumer and the consumer's spouse to provide documentation for income and disability-related medical expense verification for purposes of the eligibility review. Such documentation may include but shall not be limited to the documentation listed in subsection 4 of this section.

9. (1) Applicants for personal care assistance services and consumers receiving such services pursuant to this section are entitled to a hearing with the department of social services if eligibility for personal care assistance services is denied, if the type or amount of services is set at a level less than the consumer believes is necessary, if disputes arise after preparation of the personal care assistance plan concerning the provision of such services, or if services are discontinued as provided in section 208.924. Services provided under the provisions of this section shall continue during the appeal process.

(2) A request for such hearing shall be made to the department of social services in writing in the form prescribed by the department of social services within ninety days after the mailing or delivery of the written decision of the department of health and senior services. The procedures for such requests and for the hearings shall be as set forth in section 208.080.

10. Unless otherwise provided in this section, all other provisions of sections 208.900 through 208.927 shall apply to individuals who are eligible for financial assistance for personal care assistance services under this section.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Any provisions of the existing rules regarding the personal care assistance program promulgated by the department of elementary and secondary education in title 5, code of state regulations, division 90, chapter 7, which are inconsistent with the provisions of this section are void and of no force and effect.

~~[12. The provisions of this section shall expire on June 30, 2019.];~~ and

Further amend said bill, Page 8, Section 376.1224, Line 242, by inserting after all of said line the following:

- (1) "Emergency medical condition", the same meaning given to such term in section 376.1350;
- (2) "Facility", the same meaning given to such term in section 376.1350;
- (3) "Health care professional", the same meaning given to such term in section 376.1350;
- (4) "Health carrier", the same meaning given to such term in section 376.1350;
- (5) "Unanticipated out-of-network care", health care services received by a patient in an in-network facility

from an out-of-network health care professional from the time the patient presents with an emergency medical condition until the time the patient is discharged.

2. (1) Health care professionals ~~may~~ **shall** send any claim for charges incurred for unanticipated out-of-network care to the patient's health carrier within one hundred eighty days of the delivery of the unanticipated out-of-network care on a U.S. Centers of Medicare and Medicaid Services Form 1500, or its successor form, or electronically using the 837 HIPAA format, or its successor.

(2) Within forty-five processing days, as defined in section 376.383, of receiving the health care professional's claim, the health carrier shall offer to pay the health care professional a reasonable reimbursement for unanticipated out-of-network care based on the health care professional's services. If the health care professional participates in one or more of the carrier's commercial networks, the offer of reimbursement for unanticipated out-of-network care shall be the amount from the network which has the highest reimbursement.

(3) If the health care professional declines the health carrier's initial offer of reimbursement, the health carrier and health care professional shall have sixty days from the date of the initial offer of reimbursement to negotiate in good faith to attempt to determine the reimbursement for the unanticipated out-of-network care.

(4) If the health carrier and health care professional do not agree to a reimbursement amount by the end of the sixty-day negotiation period, the dispute shall be resolved through an arbitration process as specified in subsection 4 of this section.

(5) To initiate arbitration proceedings, either the health carrier or health care professional must provide written notification to the director and the other party within one hundred twenty days of the end of the negotiation period, indicating their intent to arbitrate the matter and notifying the director of the billed amount and the date and amount of the final offer by each party. A claim for unanticipated out-of-network care may be resolved between the parties at any point prior to the commencement of the arbitration proceedings. Claims may be combined for purposes of arbitration, but only to the extent the claims represent similar circumstances and services provided by the same health care professional, and the parties attempted to resolve the dispute in accordance with subdivisions (3) to (5) of this subsection.

(6) No health care professional who sends a claim to a health carrier under subsection 2 of this section shall send a bill to the patient for any difference between the reimbursement rate as determined under this subsection and the health care professional's billed charge.

3. (1) When unanticipated out-of-network care is provided, the health care professional who sends a claim to a health carrier under subsection 2 of this section may bill a patient for no more than the cost-sharing requirements described under this section.

(2) Cost-sharing requirements shall be based on the reimbursement amount as determined under subsection 2 of this section.

(3) The patient's health carrier shall inform the health care professional of its enrollee's cost-sharing requirements within forty-five processing days of receiving a claim from the health care professional for services provided.

(4) The in-network deductible and out-of-pocket maximum cost-sharing requirements shall apply to the claim for the unanticipated out-of-network care.

4. The director shall ensure access to an external arbitration process when a health care professional and health carrier cannot agree to a reimbursement under subdivision (3) of subsection 2 of this section. In order to ensure access, when notified of a parties' intent to arbitrate, the director shall randomly select an arbitrator for each case from the department's approved list of arbitrators or entities that provide binding arbitration. The director shall specify the criteria for an approved arbitrator or entity by rule. The costs of arbitration shall be shared equally between and will be directly billed to the health care professional and health carrier. These costs will include, but are not limited to, reasonable time necessary for the arbitrator to review materials in preparation for the arbitration, travel expenses and reasonable time following the arbitration for drafting of the final decision.

5. At the conclusion of such arbitration process, the arbitrator shall issue a final decision, which shall be binding on all parties. The arbitrator shall provide a copy of the final decision to the director. The initial request for arbitration, all correspondence and documents received by the department and the final arbitration decision shall be considered a closed record under section 374.071. However, the director may release aggregated summary data regarding the arbitration process. The decision of the arbitrator shall not be considered an agency decision nor shall it be considered a contested case within the meaning of section 536.010.

6. The arbitrator shall determine a dollar amount due under subsection 2 of this section between one hundred twenty percent of the Medicare-allowed amount and the seventieth percentile of the usual and customary rate for the unanticipated out-of-network care, as determined by benchmarks from independent nonprofit organizations that are not affiliated with insurance carriers or provider organizations.

3. The next-of-kin of the deceased shall be entitled to control the final disposition of the remains of any dead human being consistent with all applicable laws, including all applicable health codes. **The next-of-kin may delegate the control of the final disposition of the remains of any dead human being to an agent through either a specific or general grant of power in accordance with section 404.710 if, at the time of delegation, the next-of-kin was eighteen years of age or older and mentally competent and the principal or agent is taking financial responsibility for the disposition.**

Hospitals, ambulatory surgical centers, abortion facilities, and other facilities shall provide such data in compliance with this section. **In order to streamline government and to eliminate duplicative reporting requirements, if the Centers for Medicare and Medicaid Services, or its successor entity, requires hospitals to submit health care-associated infection data, then hospitals and the department shall not be required to**

comply with the health care-associated infection data reporting requirements of subsections 2 to 17 of this section applicable to hospitals, except that the department shall post a link on its website to publicly reported data by hospitals on the Centers for Medicare and Medicaid Services' Hospital Compare website, or its successor.

3. The department shall promulgate rules specifying the standards and procedures for the collection, analysis, risk adjustment, and reporting of the incidence of health care-associated infections and the types of infections and procedures to be monitored pursuant to subsection 13 of this section. In promulgating such rules, the department shall:

(1) Use methodologies and systems for data collection established by the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

The advisory panel recommendations shall address which hospitals shall be required as a condition of licensure to use the National Healthcare Safety Network for data collection; the use of the National Healthcare Safety Network for risk adjustment and analysis of hospital submitted data; and the use of the Centers for Medicare and Medicaid Services' Hospital Compare website, or its successor, for public reporting of the incidence of health care-associated infection metrics. The advisory panel shall consider the following factors in developing its recommendation:

(2) Whether the data provided to the public is subject to the same or greater accuracy of risk adjustment;

(3) Whether the public is provided with the same or greater specificity of reporting of infections by type of facility infections and procedures;

(4) Whether the data is subject to the same or greater level of confidentiality of the identity of an individual patient;

5. After considering the recommendations of the infection control advisory panel, and provided that the requirements of subsection 13 of this section can be met, the department shall implement guidelines from the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor. It shall be a condition of licensure for hospitals that meet the minimum public reporting requirements of the National Healthcare Safety Network and the Centers for Medicare and Medicaid Services to participate in the National Healthcare Safety Network, or its successor. Such hospitals shall permit the National Healthcare Safety Network, or its successor, to disclose facility-specific infection data to the department as required under this section, and as necessary to provide the public reports required by the department. It shall be a condition of licensure for any ambulatory surgical center or abortion facility which does not voluntarily participate in the National Healthcare Safety Network, or its successor, to submit facility-specific data to the department as required under this section, and as necessary to provide the public reports required by the department.

6. The department shall not require the resubmission of data which has been submitted to the department of health and senior services or the department of social services under any other provision of law. The department of health and senior services shall accept data submitted by associations or related organizations on behalf of health care providers by entering into binding agreements negotiated with such associations or related organizations to obtain data required pursuant to section 192.665 and this section. A health care provider shall submit the required information to the department of health and senior services:

(1) If the provider does not submit the required data through such associations or related organizations;

(2) If no binding agreement has been reached within ninety days of August 28, 1992, between the department of health and senior services and such associations or related organizations; or

(3) If a binding agreement has expired for more than ninety days.

7. Information obtained by the department under the provisions of section 192.665 and this section shall not be public information. Reports and studies prepared by the department based upon such information shall be public information and may identify individual health care providers. The department of health and senior services may authorize the use of the data by other research organizations pursuant to the provisions of section 192.067. The department shall not use or release any information provided under section 192.665 and this section which would enable any person to determine any health care provider's negotiated discounts with specific preferred provider organizations or other managed care organizations. The department shall not release data in a form which could be used to identify a patient. Any violation of this subsection is a class A misdemeanor.

8. The department shall undertake a reasonable number of studies and publish information, including at least an annual consumer guide, in collaboration with health care providers, business coalitions and consumers based upon the information obtained pursuant to the provisions of section 192.665 and this section. The department shall allow all health care providers and associations and related organizations who have submitted data which will be used in any publication to review and comment on the publication prior to its publication or release for general use. The publication shall be made available to the public for a reasonable charge.

9. Any health care provider which continually and substantially, as these terms are defined by rule, fails to comply with the provisions of this section shall not be allowed to participate in any program administered by the state or to receive any moneys from the state.

10. A hospital, as defined in section 197.020, aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.071. An ambulatory surgical center or abortion facility as defined in section 197.200 aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.221.

11. The department of health may promulgate rules providing for collection of data and publication of the incidence of health care-associated infections for other types of health facilities determined to be sources of infections; except that, physicians' offices shall be exempt from reporting and disclosure of such infections.

12. By January 1, 2017, the advisory panel shall recommend and the department shall adopt in regulation with an effective date of no later than January 1, 2018, the requirements for the reporting of the following types of infections as specified in this subsection:

(1) Infections associated with a minimum of four surgical procedures for hospitals and a minimum of two surgical procedures for ambulatory surgical centers that meet the following criteria:

(a) Are usually associated with an elective surgical procedure. An "elective surgical procedure" is a planned, nonemergency surgical procedure that may be either medically required such as a hip replacement or optional such as breast augmentation;

(b) Demonstrate a high priority aspect such as affecting a large number of patients, having a substantial impact for a smaller population, or being associated with substantial cost, morbidity, or mortality; or

(c) Are infections for which reports are collected by the National Healthcare Safety Network or its successor;

(2) Central line-related bloodstream infections;

(3) Health care-associated infections specified for reporting by hospitals, ambulatory surgical centers, and other health care facilities by the rules of the Centers for Medicare and Medicaid Services to the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

(4) Other categories of infections that may be established by rule by the department.

The department, in consultation with the advisory panel, shall be authorized to collect and report data on subsets of each type of infection described in this subsection.

13. In consultation with the infection control advisory panel established pursuant to section 197.165, the department shall develop and disseminate to the public reports based on data compiled for a period of twelve months. Such reports shall be updated quarterly and shall show for each hospital, ambulatory surgical center, abortion facility, and other facility metrics on risk-adjusted health care-associated infections under this section.

14. The types of infections under subsection 12 of this section to be publicly reported shall be determined by the department by rule and shall be consistent with the infections tracked by the National Healthcare Safety Network, or its successor.

15. Reports published pursuant to subsection 13 of this section shall be published and readily accessible on the department's internet website. The reports shall be distributed at least annually to the governor and members of the general assembly. The department shall make such reports available to the public for a period of at least two years.

16. The Hospital Industry Data Institute shall publish a report of Missouri hospitals', ambulatory surgical centers', and abortion facilities' compliance with standardized quality of care measures established by the federal Centers for Medicare and Medicaid Services for prevention of infections related to surgical procedures. If the Hospital Industry Data Institute fails to do so by July 31, 2008, and annually thereafter, the department shall be authorized to collect information from the Centers for Medicare and Medicaid Services or from hospitals, ambulatory surgical centers, and abortion facilities and publish such information in accordance with this section.

17. The data collected or published pursuant to this section shall be available to the department for purposes of licensing hospitals, ambulatory surgical centers, and abortion facilities pursuant to chapter 197.

18. The department shall promulgate rules to implement the provisions of section 192.131 and sections 197.150 to 197.160. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

19. No later than August 28, 2017, each hospital, excluding mental health facilities as defined in section 632.005, and each ambulatory surgical center and abortion facility as defined in section 197.200, shall in consultation with its medical staff establish an antimicrobial stewardship program for evaluating the judicious use of antimicrobials, especially antibiotics that are the last line of defense against resistant infections. The hospital's stewardship program and the results of the program shall be monitored and evaluated by hospital quality improvement departments and shall be available upon inspection to the department. At a minimum, the antimicrobial stewardship program shall be designed to evaluate that hospitalized patients receive, in accordance with accepted medical standards of practice, the appropriate antimicrobial, at the appropriate dose, at the appropriate time, and for the appropriate duration.

20. Hospitals described in subsection 19 of this section shall meet the National Healthcare Safety Network requirements for reporting antimicrobial usage or resistance by using the Centers for Disease Control and Prevention's Antimicrobial Use and Resistance (AUR) Module when ~~[regulations concerning Stage 3 of the Medicare and Medicaid Electronic Health Records Incentive Programs promulgated by the Centers for Medicare and Medicaid Services that enable the electronic interface for such reporting are effective]~~ **conditions of participation promulgated by the Centers for Medicare and Medicaid Services requiring the electronic reporting of antibiotic use or antibiotic resistance by hospitals become effective.** When such antimicrobial usage or resistance reporting takes effect, hospitals shall authorize the National Healthcare Safety Network, or its successor, to disclose to the department facility-specific information reported to the AUR Module. Facility-specific data on antibiotic usage and resistance collected under this subsection shall not be disclosed to the public, but the department may release case-specific information to other facilities, physicians, and the public if the department determines on a case-by-case basis that the release of such information is necessary to protect persons in a public health emergency. **Nothing in this section shall prohibit a hospital from voluntarily reporting antibiotic use or antibiotic resistance data through the National Healthcare Safety Network, or its successor, prior to the effective date of the conditions of participation requiring the reporting.**

21. The department shall make a report to the general assembly beginning January 1, 2018, and on every January first thereafter on the incidence, type, and distribution of antimicrobial-resistant infections identified in the state and within regions of the state.

Prior to issuing an initial prescription for an opioid controlled substance, a practitioner shall consult with the patient regarding the quantity of the opioid and the patient's option to fill the prescription in a lesser quantity and shall inform the patient of the risks associated with the opioid prescribed. If, in the professional medical judgment of the practitioner, more than a seven-day supply is required to treat the patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat the patient; provided, that the practitioner shall document in the patient's medical record the condition triggering the necessity for more than a seven-day supply and that a nonopioid alternative was not appropriate to address the patient's condition. The supply limitations provided in this subsection may be increased up to three months if the physician describes on the prescription form or indicates via telephone, fax, or electronic communication to the pharmacy to be entered on or attached to the prescription form the medical reason for requiring the larger supply. The supply limitations provided in this subsection shall not apply if:

(1) The prescription is issued by a practitioner located in another state according to and in compliance with the applicable laws of that state and the United States and dispensed to a patient located in another state; or

(2) The prescription is dispensed directly to a member of the United States Armed Forces serving outside the United States.

No person except a pharmacist for the purpose of filling a prescription under this chapter, shall alter, deface, or remove any label so affixed.

5. Whenever a pharmacist or practitioner sells or dispenses any controlled substance on a prescription issued by a physician, physician assistant, dentist, podiatrist, veterinarian, or advanced practice registered nurse, the pharmacist or practitioner shall affix to the container in which such drug is sold or dispensed a label showing his or her own name and address of the pharmacy or practitioner for whom he or she is lawfully acting; the name of the patient or, if the patient is an animal, the name of the owner of the animal and the species of the animal; the name of the physician, physician assistant, dentist, podiatrist, advanced practice registered nurse, or veterinarian by whom the prescription was written; the name of the collaborating physician if the prescription is written by an advanced practice registered nurse or ~~[the supervising physician if the prescription is written by]~~ a physician assistant, and such directions as may be stated on the prescription. No person shall alter, deface, or remove any label so affixed.

195.550. 1. - (9) Issued by practitioners who have received an annual waiver, or a renewal thereof, from the requirement to use electronic prescribing, pursuant to a process established in regulation by the department of health and senior services, due to economic hardship, technological limitations, or other exceptional circumstances demonstrated by the practitioner;
- (10) Issued by a practitioner under circumstances where, notwithstanding the practitioner's present ability to make an electronic prescription as required by this subsection, such practitioner reasonably determines that it would be impractical for the patient to obtain substances prescribed by electronic prescription in a timely manner, and such delay would adversely impact the patient's medical condition; or
- (11) Issued where the patient specifically requests a written prescription.

2. A pharmacist who receives a written, oral, or faxed prescription is not required to verify that the prescription properly falls under one of the exceptions from the requirement to electronically prescribe. Pharmacists may continue to dispense medications from otherwise valid written, oral, or fax prescriptions that are consistent with state and federal laws and regulations.

3. The department is hereby directed to promulgate regulations exempting from any labeling or packaging requirement of sections 196.010 to 196.120, drugs and devices which are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packed, on condition that such drugs and devices are not adulterated or misbranded under the provisions of said sections upon removal from such processing, labeling, or repacking establishment.

4. The information provided under subsection 2 of this section shall be considered a public record under the provisions of section 610.010.

5. Any person may notify the department if facts exist that would lead a reasonable person to conclude that any inspector or surveyor has any personal or business affiliation that would result in a conflict of interest in conducting an inspection or survey for a hospital. Upon receiving such notice, the department, when assigning an inspector or surveyor to inspect or survey a hospital, for any purpose, shall take steps to verify the information and, if the department has reason to believe that such information is correct, the department shall not assign the inspector or surveyor to the hospital or any hospital within its organization so as to avoid an appearance of prejudice or favor to the hospital or bias on the part of the inspector or surveyor.

The plan developed by the department shall include the maximum amount of financial assistance allowed by the department, subject to appropriation, for such services.

6. Each consumer who participates in the program is responsible for a monthly premium equal to the average premium required for the Missouri consolidated health care plan; provided that the total premium described in this section shall not exceed five percent of the consumer's and the consumer's spouse's adjusted gross income for the year involved.

7. (1) Nonpayment of the premium required in subsection 6 shall result in the denial or termination of assistance, unless the person demonstrates good cause for such nonpayment.

(2) No person denied services for nonpayment of a premium shall receive services unless such person shows good cause for nonpayment and makes payments for past-due premiums as well as current premiums.

(3) Any person who is denied services for nonpayment of a premium and who does not make any payments for past-due premiums for sixty consecutive days shall have their enrollment in the program terminated.

Physician assistants who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

2. The **[supervising] collaborating** physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the physician assistant during which the physician assistant shall practice with the **[supervising] collaborating** physician on-site prior to prescribing controlled substances when the **[supervising] collaborating** physician is not on-site. Proof of such training shall serve to document experience in the prescribing of drugs, medicines, and therapeutic devices;

(4) A physician assistant previously licensed in a jurisdiction where physician assistants are authorized to prescribe controlled substances may obtain a state bureau of narcotics and dangerous drugs registration if a **[supervising] collaborating** physician can attest that the physician assistant has met the requirements of subdivisions (1) to (3) of this subsection and provides documentation of existing federal Drug Enforcement Agency registration.

The licensed physician assistant members shall be appointed to serve three-year terms, except that the first commission appointed shall consist of one member whose term shall be for one year and one member whose term shall be for two years. The physician member and lay member shall each be appointed to serve a three-year term. No physician assistant member nor the physician member shall be appointed for more than two consecutive three-year terms. The president of the Missouri Academy of Physicians Assistants in office at the time shall, at least ninety days prior to the expiration of a term of a physician assistant member of a commission member or as soon as feasible after such a vacancy on the commission otherwise occurs, submit to the director of the division of professional registration a list of five physician assistants qualified and willing to fill the vacancy in question, with the request and recommendation that the director appoint one of the five persons so listed, and with the list so submitted, the president of the Missouri Academy of Physicians Assistants shall include in his or her letter of transmittal a description of the method by which the names were chosen by that association.

3. Notwithstanding any other provision of law to the contrary, any appointed member of the commission shall receive as compensation an amount established by the director of the division of professional registration not to exceed seventy dollars per day for commission business plus actual and necessary expenses. The director of the division of professional registration shall establish by rule guidelines for payment. All staff for the commission shall be provided by the state board of registration for the healing arts.

4. The commission shall hold an open annual meeting at which time it shall elect from its membership a chairman and secretary. The commission may hold such additional meetings as may be required in the performance of its duties, provided that notice of every meeting shall be given to each member at least ten days prior to the date of the meeting. A quorum of the commission shall consist of a majority of its members.

5. On August 28, 1998, all members of the advisory commission for registered physician assistants shall become members of the advisory commission for physician assistants and their successor shall be appointed in the same manner and at the time their terms would have expired as members of the advisory commission for registered physician assistants.

335.175. 1. An advanced practice registered nurse (APRN) providing nursing services under a collaborative practice arrangement under section 334.104 may provide such services outside the geographic proximity requirements of section 334.104 if the collaborating physician and advanced practice registered nurse utilize telehealth in the care of the patient and if the services are provided in a rural area of need. Telehealth providers shall be required to obtain patient consent before telehealth services are initiated and ensure confidentiality of medical information.

2. As used in this section, "telehealth" shall have the same meaning as such term is defined in section 191.1145.

3. (1) The boards shall jointly promulgate rules governing the practice of telehealth under this section. Such rules shall address, but not be limited to, appropriate standards for the use of telehealth.

(2) Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

4. For purposes of this section, "rural area of need" means any rural area of this state which is located in a health professional shortage area as defined in section 354.650.

~~— (3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.]~~

337.712. 1. Applications for licensure as a marital and family therapist shall be in writing, submitted to the committee on forms prescribed by the committee and furnished to the applicant. **The form shall include a statement that the applicant has completed two hours of suicide assessment, referral, treatment, and management training.** The application shall contain the applicant's statements showing the applicant's education, experience and such other information as the committee may require. Each application shall contain a statement that it is made under oath or affirmation and that the information contained therein is true and correct to the best knowledge and belief of the applicant, subject to the penalties provided for the making of a false affidavit or declaration. Each application shall be accompanied by the fees required by the division.

2. The division shall mail a renewal notice to the last known address of each licensee prior to the licensure renewal date. Failure to provide the division with the information required for licensure, or to pay the licensure fee after such notice shall result in the expiration of the license. The license shall be restored if, within two years of the licensure date, the applicant provides written application and the payment of the licensure fee and a delinquency fee.

3. A new certificate to replace any certificate lost, destroyed or mutilated may be issued subject to the rules of the division upon payment of a fee.

4. The committee shall set the amount of the fees authorized. The fees shall be set at a level to produce revenue which shall not substantially exceed the cost and expense of administering the provisions of sections 337.700 to 337.739. All fees provided for in sections 337.700 to 337.739 shall be collected by the director who shall deposit the same with the state treasurer to a fund to be known as the "Marital and Family Therapists' Fund".

5. The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of general revenue until the amount in the fund at the end of the biennium exceeds two times the amount of the appropriations from the marital and family therapists' fund for the preceding fiscal year or, if the division requires by rule renewal less frequently than yearly then three times the appropriation from the fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the appropriate multiple of the appropriations from the marital and family therapists' fund for the preceding fiscal year.

No person shall engage in the practice of pharmacy unless he **or she** is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his or her duties. This assistance in no way is intended to relieve the pharmacist from his or her responsibilities for compliance with this chapter and he or she will be responsible for the actions of the auxiliary personnel acting in his or her assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. The state board of registration for the healing arts, under section 334.125, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010,

that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

8. The state board of pharmacy may grant a certificate of medication therapeutic plan authority to a licensed pharmacist who submits proof of successful completion of a board-approved course of academic clinical study beyond a bachelor of science in pharmacy, including but not limited to clinical assessment skills, from a nationally accredited college or university, or a certification of equivalence issued by a nationally recognized professional organization and approved by the board of pharmacy.

338.015. 1. The provisions of sections 338.010 to 338.015 shall not be construed to inhibit the patient's freedom of choice to obtain prescription services from any licensed pharmacist. However, nothing in sections 338.010 to 338.315 abrogates the patient's ability to waive freedom of choice under any contract with regard to payment or coverage of prescription expense.

2. All pharmacists may provide pharmaceutical consultation and advice to persons concerning the safe and therapeutic use of their prescription drugs.

3. All patients shall have the right to receive a written prescription from their prescriber to take to the facility of their choice **or to have an electronic prescription transmitted to the facility of their choice.**

338.055. 1. The board may refuse to issue any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section or if the designated pharmacist-in-charge, manager-in-charge, or any officer, owner, manager, or controlling shareholder of the applicant has committed any act or practice in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by this chapter;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated under this chapter, for any offense an essential element of which is fraud, dishonesty or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to this chapter or in obtaining permission to take any examination given or required pursuant to this chapter;

(4) Obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation;

(5) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties of any profession licensed or regulated by this chapter;

(6) Violation of, or assisting or enabling any person to violate, any provision of this chapter, or of any lawful rule or regulation adopted pursuant to this chapter;

(7) Impersonation of any person holding a certificate of registration or authority, permit or license or allowing any person to use his or her certificate of registration or authority, permit, license, or diploma from any school;

(8) Denial of licensure to an applicant or disciplinary action against an applicant or the holder of a license or other right to practice any profession regulated by this chapter granted by another state, territory, federal agency, or country whether or not voluntarily agreed to by the licensee or applicant, including, but not limited to, surrender of the license upon grounds for which denial or discipline is authorized in this state;

(9) A person is finally adjudged incapacitated by a court of competent jurisdiction;

(10) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by this chapter who is not registered and currently eligible to practice under this chapter;

(12) Failure to display a valid certificate or license if so required by this chapter or any rule promulgated hereunder;

(13) Violation of any professional trust or confidence;

(14) Use of any advertisement or solicitation which is false, misleading or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed;

(15) Violation of the drug laws or rules and regulations of this state, any other state or the federal government;

(16) The intentional act of substituting or otherwise changing the content, formula or brand of any drug prescribed by written, **electronic**, or oral prescription without prior written or oral approval from the prescriber for the respective change in each prescription; provided, however, that nothing contained herein shall prohibit a pharmacist from substituting or changing the brand of any drug as provided under section 338.056, and any such substituting or changing of the brand of any drug as provided for in section 338.056 shall not be deemed unprofessional or dishonorable conduct unless a violation of section 338.056 occurs;

(17) Personal use or consumption of any controlled substance unless it is prescribed, dispensed, or administered by a health care provider who is authorized by law to do so.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license, certificate, or permit. The board may impose additional discipline on a licensee, registrant, or permittee found to have violated any disciplinary terms previously imposed under this section or by agreement. The additional discipline may include,

singly or in combination, censure, placing the licensee, registrant, or permittee named in the complaint on additional probation on such terms and conditions as the board deems appropriate, which additional probation shall not exceed five years, or suspension for a period not to exceed three years, or revocation of the license, certificate, or permit.

4. If the board concludes that a licensee or registrant has committed an act or is engaging in a course of conduct which would be grounds for disciplinary action which constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the activities which give rise to the danger and the nature of the proposed restriction or suspension of the licensee's or registrant's license. Within fifteen days after service of the complaint on the licensee or registrant, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged activities of the licensee or registrant appear to constitute a clear and present danger to the public health and safety which justify that the licensee's or registrant's license or registration be immediately restricted or suspended. The burden of proving that the actions of a licensee or registrant constitute a clear and present danger to the public health and safety shall be upon the state board of pharmacy. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend the licensee's or registrant's license, such temporary authority of the board shall become final authority if there is no request by the licensee or registrant for a full hearing within thirty days of the preliminary hearing. The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

338.056. 1. Except as provided in subsection 2 of this section, the pharmacist filling prescription orders for drug products prescribed by trade or brand name may select another drug product with the same active chemical ingredients of the same strength, quantity and dosage form, and of the same generic drug or interchangeable biological product type, as determined by the United States Adopted Names and accepted by the Federal Food and Drug Administration. Selection pursuant to this section is within the discretion of the pharmacist, except as provided in subsection 2 of this section. The pharmacist who selects the drug or interchangeable biological product to be dispensed pursuant to this section shall assume the same responsibility for selecting the dispensed drug or biological product as would be incurred in filling a prescription for a drug or interchangeable biological product prescribed by generic or interchangeable biologic name. The pharmacist shall not select a drug or interchangeable biological product pursuant to this section unless the product selected costs the patient less than the prescribed product.

2. A pharmacist who receives a prescription for a brand name drug or biological product may select a less expensive generically equivalent or interchangeable biological product unless:

- (1) The patient requests a brand name drug or biological product; or

3. No prescription shall be valid without the signature of the prescriber, **except an electronic prescription.**

4. If an oral prescription is involved, the practitioner or the practitioner's agent, communicating the instructions to the pharmacist, shall instruct the pharmacist as to whether or not a therapeutically equivalent generic drug or interchangeable biological product may be substituted. The pharmacist shall note the instructions on the file copy of the prescription.

5. Notwithstanding the provisions of subsection 2 of this section to the contrary, a pharmacist may fill a prescription for a brand name drug by substituting a generically equivalent drug or interchangeable biological product when substitution is allowed in accordance with the laws of the state where the prescribing practitioner is located.

6. Violations of this section are infractions.

338.140. 1. The board of pharmacy shall have a common seal, and shall have power to adopt such rules and bylaws not inconsistent with law as may be necessary for the regulation of its proceedings and for the discharge of the duties imposed pursuant to sections 338.010 to 338.198, and shall have power to employ an attorney to conduct prosecutions or to assist in the conduct of prosecutions pursuant to sections 338.010 to 338.198.

2. The board shall keep a record of its proceedings.

3. The board of pharmacy shall make annually to the governor and, upon written request, to persons licensed pursuant to the provisions of this chapter a written report of its proceedings.

The committee shall review and make recommendations to the board on the merit of all rules and regulations dealing with pharmacy distributors, wholesale drug distributors, drug manufacturers, and veterinary legend drugs which are proposed by the board.

5. A majority of the board shall constitute a quorum for the transaction of business.

6. Notwithstanding any other provisions of law to the contrary, the board may issue letters of reprimand, censure or warning to any holder of a license or registration required pursuant to this chapter for any violations that could result in disciplinary action as defined in section 338.055. **Alternatively, at the discretion of the board, the board may enter into a voluntary compliance agreement with a licensee, permit holder, or registrant to ensure or promote compliance with this chapter and the rules of the board, in lieu of board discipline. The agreement shall be a public record. The time limitation identified in section 324.043 for commencing a disciplinary proceeding shall be tolled while an agreement authorized by this section is in effect.**

3. To be approved, pilot or research projects shall be within the scope of the practice of pharmacy as defined by chapter 338, be under the supervision of a Missouri licensed pharmacist, and comply with applicable compliance and reporting as established by the board by rule, including any staff training or education requirements. Board approval shall be limited to a period of up to eighteen months, provided the board grant an additional six month extension if deemed necessary or appropriate to gather or complete research data or if deemed in the best interests of the patient. The board may rescind approval of a pilot project at any time if deemed necessary or appropriate in the interest of patient safety.

4. The provisions of this subsection shall expire on August 28, 2023. The board shall provide a final report on approved projects and related data or findings to the general assembly on or before December 31, 2022. The name, location, approval dates, general description of and responsible pharmacist for an approved pilot or research project shall be deemed an open record.

For the purposes of this chapter, "nicotine replacement therapy product" means any drug or product, regardless of whether it is available over-the-counter, that delivers small doses of nicotine to a person and that is approved by the federal Food and Drug Administration for the sole purpose of aiding in tobacco cessation or smoking cessation.

2. The board of pharmacy and the board of healing arts shall jointly promulgate rules governing a pharmacist's authority to prescribe and dispense nicotine replacement therapy products. Neither board shall separately promulgate rules governing a pharmacist's authority to prescribe and dispense nicotine replacement therapy products under this subsection.

3. Nothing in this section shall be construed to require third party payment for services described in this section.

4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

If the health care professional participates in one or more of the carrier's commercial networks, the offer of reimbursement for unanticipated out-of-network care shall be the amount from the network which has the highest reimbursement.

(3) If the health care professional declines the health carrier's initial offer of reimbursement, the health carrier and health care professional shall have sixty days from the date of the initial offer of reimbursement to negotiate in good faith to attempt to determine the reimbursement for the unanticipated out-of-network care.

(4) If the health carrier and health care professional do not agree to a reimbursement amount by the end of the sixty-day negotiation period, the dispute shall be resolved through an arbitration process as specified in subsection 4 of this section.

(5) To initiate arbitration proceedings, either the health carrier or health care professional must provide written notification to the director and the other party within one hundred twenty days of the end of the negotiation period, indicating their intent to arbitrate the matter and notifying the director of the billed amount and the date and amount of the final offer by each party. 7. When determining a reasonable reimbursement rate, the arbitrator shall consider the following factors if the health care professional believes the payment offered for the unanticipated out-of-network care does not properly recognize:

- (2) The nature of the service provided;
- (3) The health care professional's usual charge for comparable services provided;
- (4) The circumstances and complexity of the particular case, including the time and place the services were provided; and

Direct-care staff that serve persons with developmental disabilities in habilitation centers or community programs operated or funded by the division shall be trained in an emergency intervention system approved by the division when such emergency intervention system is identified in a consumer's individual support plan.

630.875. 1. This section shall be known and may be cited as the "Improved Access to Treatment for Opioid Addictions Act" or "IATOA Act".

2. As used in this section, the following terms mean:

(1) "Department", the department of mental health;

(2) "IATOA program", the improved access to treatment for opioid addictions program created under subsection 3 of this section.

3. Subject to appropriations, the department shall create and oversee an "Improved Access to Treatment for Opioid Addictions Program", which is hereby created and whose purpose is to disseminate information and best practices regarding opioid addiction and to facilitate collaborations to better treat and prevent opioid addiction in this state. The IATOA program shall facilitate partnerships between assistant physicians, physician assistants, and advanced practice registered nurses practicing in federally qualified health centers, rural health clinics, and other health care facilities and physicians practicing at remote facilities located in this state. The IATOA program shall provide resources that grant patients and their treating assistant physicians, physician assistants, advanced practice registered nurses, or physicians access to knowledge and expertise through means such as telemedicine and Extension for Community Healthcare Outcomes (ECHO) programs established under section 191.1140.

4. Assistant physicians, physician assistants, and advanced practice registered nurses who participate in the IATOA program shall complete the necessary requirements to prescribe buprenorphine within at least thirty days of joining the IATOA program.

5. For the purposes of the IATOA program, a remote collaborating ~~[or supervising]~~ physician working with an on-site assistant physician, physician assistant, or advanced practice registered nurse shall be considered to be on-site. An assistant physician, physician assistant, or advanced practice registered nurse collaborating with a remote physician shall comply with all laws and requirements applicable to assistant physicians, physician assistants, or advanced practice registered nurses with on-site supervision before providing treatment to a patient.

6. An assistant physician, physician assistant, or advanced practice registered nurse collaborating with a physician who is waiver-certified for the use of buprenorphine may participate in the IATOA program in any area of the state and provide all services and functions of an assistant physician, physician assistant, or advanced practice registered nurse.

7. The department may develop curriculum and benchmark examinations on the subject of opioid addiction and treatment. The department may collaborate with specialists, institutions of higher education, and medical schools for such development. Completion of such a curriculum and passing of such an examination by an assistant physician, physician assistant, advanced practice registered nurse, or physician shall result in a certificate awarded by the department or sponsoring institution, if any.

8. An assistant physician, physician assistant, or advanced practice registered nurse participating in the IATOA program may also:

- (1) Engage in community education;
- (2) Engage in professional education outreach programs with local treatment providers;

- (8) Assist patients with court and social service obligations;
- (9) Perform other functions as authorized by the department; and
- (10) Provide mental health services in collaboration with a qualified licensed physician.

The list of authorizations in this subsection is a nonexclusive list, and assistant physicians, physician assistants, or advanced practice registered nurses participating in the IATOA program may perform other actions.

9. When an overdose survivor arrives in the emergency department, the assistant physician, physician assistant, or advanced practice registered nurse serving as a recovery coach or, if the assistant physician, physician assistant, or advanced practice registered nurse is unavailable, another properly trained recovery coach shall, when reasonably practicable, meet with the overdose survivor and provide treatment options and support available to the overdose survivor. The department shall assist recovery coaches in providing treatment options and support to overdose survivors.

10. The provisions of this section shall supersede any contradictory statutes, rules, or regulations. The department shall implement the improved access to treatment for opioid addictions program as soon as reasonably possible using guidance within this section. Further refinement to the improved access to treatment for opioid addictions program may be done through the rules process.

11. The department shall promulgate rules to implement the provisions of the improved access to treatment for opioid addictions act as soon as reasonably possible. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

Section B. Because immediate action is necessary to ensure vital health care services for Missouri citizens, the repeal and reenactment of section 208.930 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the repeal and reenactment of section 208.930 of section A of this act shall be in full force and effect upon its passage and approval."; and

House Amendment No. 4

AMEND Senate Committee Substitute for Senate Bill No. 330, Page 3, Section 301.3067, Line 37, by inserting after all of said section and line the following:

"537.340. 1. If any person shall cut down, injure or destroy or carry away any tree placed or growing for use, shade or ornament, or any timber, rails or wood standing, being or growing on the land of any other person, including any governmental entity, or shall dig up, quarry or carry away any stones, ore or mineral, gravel, clay or mold, or any ice or other substance or material being a part of the realty, or any roots, fruits or plants, or cut down or carry away grass, grain, corn, flax or hemp in which such person has no interest or right, standing, lying or being on land not such person's own, or shall knowingly break the glass or any part of it in any building not such person's own, the person so offending shall pay to the party injured treble the value of the things so injured, broken, destroyed or carried away, with costs. Any person filing a claim for damages pursuant to this section need not prove negligence or intent.

2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:

(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;

(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the trees and other vegetation are within the legal description of any recorded easement or, in the absence of a recorded easement, the following:

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable

operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of said trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove said tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term "electric supplier" means any rural electric cooperative that is subject to the provisions of chapter 394~~[-and]~~; any electrical corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation, and which holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003; **any municipally owned or operated electric power system that is subject to the provisions of chapter 91; and any municipally owned utility whose service area is set by state statute, service agreement, or other authority to include areas which are not incorporated into city limits.**"; and

House Amendment No. 5

AMEND Senate Committee Substitute for Senate Bill No. 330, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"249.422. 1. If approved by a majority of the voters voting on the proposal, any city, town, village or county on behalf of the unincorporated area, located either within the boundaries of a sewer district established pursuant to Article VI, Section 30(a) of the Missouri Constitution or within any county of the first classification having a charter form of government with a population of more than two hundred ten thousand inhabitants but less than three hundred thousand inhabitants, may by city, town, village or county ordinance levy and impose annually for the repair of lateral sewer service lines on or connecting residential property having six or less dwelling units a fee not to exceed fifty dollars per year. Any city, town, village, or county that establishes or increases the fee used to repair any portion of the lateral sewer service line shall include all defective portions of the lateral sewer service line from the residential structure to its connection with the public sewer system line. Notwithstanding any provision of chapter 448, the fee imposed pursuant to this chapter shall be imposed upon condominiums that have six or less condominium units per building and each condominium unit shall be responsible for its proportionate share of any fee charged pursuant to this chapter~~[-and]~~. In addition, any condominium unit shall, if determined to be responsible for and served by its own individual lateral sewer line **and notified of the determination in writing each time a notification of change of assessment is sent to the property owner under section 137.180**, be treated as an individual residence regardless of the number of units in the development. It shall be the responsibility of the condominium owner or condominium association who are of the opinion that they are not properly classified as provided in this section to notify the county **or municipal** office administering the program. Where an existing sewer lateral program was in effect prior to August 28, 2003, condominium and apartment units not previously enrolled may be ineligible for enrollment if it is determined that the sewer lateral serving the unit is defective.

2. The question shall be submitted in substantially the following form:

Shall a maximum charge not to exceed fifty dollars be assessed annually on residential property for each lateral sewer service line serving six or less dwelling units on that property and condominiums that have six or less condominium units per building and any condominium responsible for its own individual lateral sewer line to provide funds to pay the cost of certain repairs of those lateral sewer service lines which may be billed quarterly or annually?

☐ YES ☐ NO

3. If a majority of the voters voting thereon approve the proposal provided for in subsection 2 of this section, the governing body of the city, town, village or county may enact an ordinance for the collection and administration of such fee in order to protect the public health, welfare, peace and safety. The funds collected pursuant to such ordinance shall be deposited in a special account to be used solely for the purpose of paying for all

or a portion of the costs reasonably associated with and necessary to administer and carry out the defective lateral sewer service line repairs. All interest generated on deposited funds shall be accrued to the special account established for the repair of lateral sewer service lines.

4. Fee payments that are authorized by this section shall be exempt from the requirements of section 139.031, and class action challenges are authorized, including challenges under Article X, Sections 22 and 23 of the Constitution of Missouri, as well as other measures approved by law."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration

for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician ~~[or supervising physician]~~ shall not enter into a collaborative practice arrangement ~~[or supervision agreement]~~ with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

334.108. 1. Prior to prescribing any drug, controlled substance, or other treatment through telemedicine, as defined in section 191.1145, or the internet, a physician shall establish a valid physician-patient relationship as described in section 191.1146. This relationship shall include:

(1) Obtaining a reliable medical history and performing a physical examination of the patient, adequate to establish the diagnosis for which the drug is being prescribed and to identify underlying conditions or contraindications to the treatment recommended or provided;

(2) Having sufficient dialogue with the patient regarding treatment options and the risks and benefits of treatment or treatments;

(3) If appropriate, following up with the patient to assess the therapeutic outcome;

(4) Maintaining a contemporaneous medical record that is readily available to the patient and, subject to the patient's consent, to the patient's other health care professionals; and

(5) Maintaining the electronic prescription information as part of the patient's medical record.

2. The requirements of subsection 1 of this section may be satisfied by the prescribing physician's designee when treatment is provided in:

(1) A hospital as defined in section 197.020;

(2) A hospice program as defined in section 197.250;

(3) Home health services provided by a home health agency as defined in section 197.400;

(4) Accordance with a collaborative practice agreement as defined in section 334.104;

(5) Conjunction with a physician assistant licensed pursuant to section 334.738;

(6) Conjunction with an assistant physician licensed under section 334.036;

(7) Consultation with another physician who has an ongoing physician-patient relationship with the patient, and who has agreed to supervise the patient's treatment, including use of any prescribed medications; or

(8) On-call or cross-coverage situations.

3. No health care provider, as defined in section 376.1350, shall prescribe any drug, controlled substance, or other treatment to a patient based solely on an evaluation over the telephone; except that, a physician~~;~~ **or** such physician's on-call designee, **or** an advanced practice registered nurse, **a physician assistant, or an assistant physician** in a collaborative practice arrangement with such physician, ~~[a physician assistant in a supervision agreement with such physician, or an assistant physician in a supervision agreement with such physician]~~ may prescribe any drug, controlled substance, or other treatment that is within his or her scope of practice to a patient based solely on a telephone evaluation if a previously established and ongoing physician-patient relationship exists between such physician and the patient being treated.

4. No health care provider shall prescribe any drug, controlled substance, or other treatment to a patient based solely on an internet request or an internet questionnaire.

11. The state board of registration for the healing arts shall not deny, revoke, suspend, or otherwise take disciplinary action against a collaborating physician for health care services delegated to a physician assistant, provided that the provisions of this section and the rules promulgated thereunder are satisfied.

12. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each physician assistant with whom the

physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that the arrangements are carried out in compliance with this chapter.

13. The collaborating physician shall determine and document the completion of a period of time during which the physician assistant shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2009.

14. No contract or other ~~[agreement]~~ arrangement shall require a physician to act as a ~~[supervising]~~ collaborating physician for a physician assistant against the physician's will. A physician shall have the right to refuse to act as a supervising physician, without penalty, for a particular physician assistant. No contract or other agreement shall limit the ~~[supervising]~~ collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any physician assistant~~], but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by the hospital's medical staff~~. Schedule III controlled substances and Schedule II - hydrocodone prescriptions shall be limited to a five-day supply without refill, except that buprenorphine may be prescribed for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the ~~[supervising]~~ **collaborating** physician. Physician assistants who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

2. The ~~[supervising]~~ **collaborating** physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the physician assistant during which the physician assistant shall practice with the ~~[supervising]~~ **collaborating** physician on-site prior to prescribing

This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

Representative Shawan offered **House Amendment No. 5**.

House Amendment No. 5

AMEND Senate Bill No. 358, Page 2, Section 191.607, Line 16, by inserting after said section and line the following:

"192.667. 1. All health care providers shall at least annually provide to the department charge data as required by the department. All hospitals shall at least annually provide patient abstract data and financial data as required by the department. Hospitals as defined in section 197.020 shall report patient abstract data for outpatients and inpatients. Ambulatory surgical centers and abortion facilities as defined in section 197.200 shall provide patient abstract data to the department. The department shall specify by rule the types of information which shall be submitted and the method of submission.

2. The department shall collect data on the incidence of health care-associated infections from hospitals, ambulatory surgical centers, abortion facilities, and other facilities as necessary to generate the reports required by this section. Hospitals, ambulatory surgical centers, abortion facilities, and other facilities shall provide such data in compliance with this section. **In order to streamline government and to eliminate duplicative reporting requirements, if the Centers for Medicare and Medicaid Services, or its successor entity, requires hospitals to submit health care-associated infection data, then hospitals and the department shall not be required to comply with the health care-associated infection data reporting requirements of subsections 2 to 17 of this section applicable to hospitals, except that the department shall post a link on its website to publicly reported data by hospitals on the Centers for Medicare and Medicaid Services' Hospital Compare website, or its successor.**

3. The department shall promulgate rules specifying the standards and procedures for the collection, analysis, risk adjustment, and reporting of the incidence of health care-associated infections and the types of infections and procedures to be monitored pursuant to subsection 13 of this section. In promulgating such rules, the department shall:

- (1) Use methodologies and systems for data collection established by the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

(2) Consider the findings and recommendations of the infection control advisory panel established pursuant to section 197.165.

4. By January 1, 2017, the infection control advisory panel created by section 197.165 shall make recommendations to the department regarding the Centers for Medicare and Medicaid Services' health care-associated infection data collection, analysis, and public reporting requirements for hospitals, ambulatory surgical centers, and other facilities in the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor, in lieu of all or part of the data collection, analysis, and public reporting requirements of this section. The advisory panel recommendations shall address which hospitals shall be required as a condition of licensure to use the National Healthcare Safety Network for data collection; the use of the National Healthcare Safety Network for risk adjustment and analysis of hospital submitted data; and the use of the Centers for Medicare and Medicaid Services' Hospital Compare website, or its successor, for public reporting of the incidence of health care-associated infection metrics. The advisory panel shall consider the following factors in developing its recommendation:

- (1) Whether the public is afforded the same or greater access to facility-specific infection control indicators and metrics;
- (2) Whether the data provided to the public is subject to the same or greater accuracy of risk adjustment;
- (3) Whether the public is provided with the same or greater specificity of reporting of infections by type of facility infections and procedures;
- (4) Whether the data is subject to the same or greater level of confidentiality of the identity of an individual patient;
- (5) Whether the National Healthcare Safety Network, or its successor, has the capacity to receive, analyze, and report the required data for all facilities;
- (6) Whether the cost to implement the National Healthcare Safety Network infection data collection and reporting system is the same or less.

5. After considering the recommendations of the infection control advisory panel, and provided that the requirements of subsection 13 of this section can be met, the department shall implement guidelines from the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor. It shall be a condition of licensure for hospitals that meet the minimum public reporting requirements of the National Healthcare Safety Network and the Centers for Medicare and Medicaid Services to participate in the National Healthcare Safety Network, or its successor. Such hospitals shall permit the National Healthcare Safety Network, or its successor, to disclose facility-specific infection data to the department as required under this section, and as necessary to provide the public reports required by the department. It shall be a condition of licensure for any ambulatory surgical center or abortion facility which does not voluntarily participate in the National Healthcare Safety Network, or its successor, to submit facility-specific data to the department as required under this section, and as necessary to provide the public reports required by the department.

6. The department shall not require the resubmission of data which has been submitted to the department of health and senior services or the department of social services under any other provision of law. The department of health and senior services shall accept data submitted by associations or related organizations on behalf of health care providers by entering into binding agreements negotiated with such associations or related organizations to obtain data required pursuant to section 192.665 and this section. A health care provider shall submit the required information to the department of health and senior services:

- (1) If the provider does not submit the required data through such associations or related organizations;
- (2) If no binding agreement has been reached within ninety days of August 28, 1992, between the department of health and senior services and such associations or related organizations; or
- (3) If a binding agreement has expired for more than ninety days.

7. Information obtained by the department under the provisions of section 192.665 and this section shall not be public information. Reports and studies prepared by the department based upon such information shall be public information and may identify individual health care providers. The department of health and senior services may authorize the use of the data by other research organizations pursuant to the provisions of section 192.067. The department shall not use or release any information provided under section 192.665 and this section which would enable any person to determine any health care provider's negotiated discounts with specific preferred provider organizations or other managed care organizations. The department shall not release data in a form which could be used to identify a patient. Any violation of this subsection is a class A misdemeanor.

8. The department shall undertake a reasonable number of studies and publish information, including at least an annual consumer guide, in collaboration with health care providers, business coalitions and consumers based upon the information obtained pursuant to the provisions of section 192.665 and this section. The department shall

allow all health care providers and associations and related organizations who have submitted data which will be used in any publication to review and comment on the publication prior to its publication or release for general use. The publication shall be made available to the public for a reasonable charge.

9. Any health care provider which continually and substantially, as these terms are defined by rule, fails to comply with the provisions of this section shall not be allowed to participate in any program administered by the state or to receive any moneys from the state.

10. A hospital, as defined in section 197.020, aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.071. An ambulatory surgical center or abortion facility as defined in section 197.200 aggrieved by the department's determination of ineligibility for state moneys pursuant to subsection 9 of this section may appeal as provided in section 197.221.

11. The department of health may promulgate rules providing for collection of data and publication of the incidence of health care-associated infections for other types of health facilities determined to be sources of infections; except that, physicians' offices shall be exempt from reporting and disclosure of such infections.

12. By January 1, 2017, the advisory panel shall recommend and the department shall adopt in regulation with an effective date of no later than January 1, 2018, the requirements for the reporting of the following types of infections as specified in this subsection:

(1) Infections associated with a minimum of four surgical procedures for hospitals and a minimum of two surgical procedures for ambulatory surgical centers that meet the following criteria:

(a) Are usually associated with an elective surgical procedure. An "elective surgical procedure" is a planned, nonemergency surgical procedure that may be either medically required such as a hip replacement or optional such as breast augmentation;

(b) Demonstrate a high priority aspect such as affecting a large number of patients, having a substantial impact for a smaller population, or being associated with substantial cost, morbidity, or mortality; or

(c) Are infections for which reports are collected by the National Healthcare Safety Network or its successor;

(2) Central line-related bloodstream infections;

(3) Health care-associated infections specified for reporting by hospitals, ambulatory surgical centers, and other health care facilities by the rules of the Centers for Medicare and Medicaid Services to the federal Centers for Disease Control and Prevention's National Healthcare Safety Network, or its successor; and

(4) Other categories of infections that may be established by rule by the department.

The department, in consultation with the advisory panel, shall be authorized to collect and report data on subsets of each type of infection described in this subsection.

13. In consultation with the infection control advisory panel established pursuant to section 197.165, the department shall develop and disseminate to the public reports based on data compiled for a period of twelve months. Such reports shall be updated quarterly and shall show for each hospital, ambulatory surgical center, abortion facility, and other facility metrics on risk-adjusted health care-associated infections under this section.

14. The types of infections under subsection 12 of this section to be publicly reported shall be determined by the department by rule and shall be consistent with the infections tracked by the National Healthcare Safety Network, or its successor.

15. Reports published pursuant to subsection 13 of this section shall be published and readily accessible on the department's internet website. The reports shall be distributed at least annually to the governor and members of the general assembly. The department shall make such reports available to the public for a period of at least two years.

16. The Hospital Industry Data Institute shall publish a report of Missouri hospitals', ambulatory surgical centers', and abortion facilities' compliance with standardized quality of care measures established by the federal Centers for Medicare and Medicaid Services for prevention of infections related to surgical procedures. If the Hospital Industry Data Institute fails to do so by July 31, 2008, and annually thereafter, the department shall be authorized to collect information from the Centers for Medicare and Medicaid Services or from hospitals, ambulatory surgical centers, and abortion facilities and publish such information in accordance with this section.

17. The data collected or published pursuant to this section shall be available to the department for purposes of licensing hospitals, ambulatory surgical centers, and abortion facilities pursuant to chapter 197.

18. The department shall promulgate rules to implement the provisions of section 192.131 and sections 197.150 to 197.160. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the

provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

19. No later than August 28, 2017, each hospital, excluding mental health facilities as defined in section 632.005, and each ambulatory surgical center and abortion facility as defined in section 197.200, shall in consultation with its medical staff establish an antimicrobial stewardship program for evaluating the judicious use of antimicrobials, especially antibiotics that are the last line of defense against resistant infections. The hospital's stewardship program and the results of the program shall be monitored and evaluated by hospital quality improvement departments and shall be available upon inspection to the department. At a minimum, the antimicrobial stewardship program shall be designed to evaluate that hospitalized patients receive, in accordance with accepted medical standards of practice, the appropriate antimicrobial, at the appropriate dose, at the appropriate time, and for the appropriate duration.

20. Hospitals described in subsection 19 of this section shall meet the National Healthcare Safety Network requirements for reporting antimicrobial usage or resistance by using the Centers for Disease Control and Prevention's Antimicrobial Use and Resistance (AUR) Module when ~~[regulations concerning Stage 3 of the Medicare and Medicaid Electronic Health Records Incentive Programs promulgated by the Centers for Medicare and Medicaid Services that enable the electronic interface for such reporting are effective]~~ **conditions of participation promulgated by the Centers for Medicare and Medicaid Services requiring the electronic reporting of antibiotic use or antibiotic resistance by hospitals become effective.** When such antimicrobial usage or resistance reporting takes effect, hospitals shall authorize the National Healthcare Safety Network, or its successor, to disclose to the department facility-specific information reported to the AUR Module. Facility-specific data on antibiotic usage and resistance collected under this subsection shall not be disclosed to the public, but the department may release case-specific information to other facilities, physicians, and the public if the department determines on a case-by-case basis that the release of such information is necessary to protect persons in a public health emergency. **Nothing in this section shall prohibit a hospital from voluntarily reporting antibiotic use or antibiotic resistance data through the National Healthcare Safety Network, or its successor, prior to the effective date of the conditions of participation requiring the reporting.**

21. The department shall make a report to the general assembly beginning January 1, 2018, and on every January first thereafter on the incidence, type, and distribution of antimicrobial-resistant infections identified in the state and within regions of the state.

197.108. 1. The department of health and senior services shall not assign an individual to inspect or survey a hospital, for any purpose, if the inspector or surveyor was an employee of such hospital or another hospital within its organization or a competing hospital within fifty miles of the hospital to be inspected or surveyed in the preceding two years.

2. For any inspection or survey of a hospital, regardless of the purpose, the department shall require every newly hired inspector or surveyor at the time of hiring or any currently employed inspector or surveyor as of August 28, 2019, to disclose:

4. The information provided under subsection 2 of this section shall be considered a public record under the provisions of section 610.010.

5. Any person may notify the department if facts exist that would lead a reasonable person to conclude that any inspector or surveyor has any personal or business affiliation that would result in a conflict of interest in conducting an inspection or survey for a hospital. Upon receiving such notice, the department, when assigning an inspector or surveyor to inspect or survey a hospital, for any purpose, shall take steps to verify the information and, if the department has reason to believe that such information is correct, the

department shall not assign the inspector or surveyor to the hospital or any hospital within its organization so as to avoid an appearance of prejudice or favor to the hospital or bias on the part of the inspector or surveyor."; and

7. Drug courts or other diversion programs that provide for alternatives to jail or prison for persons with a substance use disorder shall be required to ensure all persons under their care are assessed for substance use disorders using standard diagnostic criteria by a licensed physician who actively treats patients with substance use disorders. The court or other diversion program shall make available the MAT services

covered under this section, consistent with a treatment plan developed by the physician, and shall not impose any limitations on the type of medication or other treatment prescribed or the dose or duration of MAT recommended by the physician.

8. Requirements under this section shall not be subject to a covered person's prior success or failure of the services provided.

191.1167. Any contract provision, written policy, or written procedure in violation of sections 191.1164 to 191.1168 shall be deemed to be unenforceable and shall be null and void.

191.1168. If any provision of sections 191.1164 to 191.1168 or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of sections 191.1164 to 191.1168 which may be given effect without the invalid provision or application, and to that end the provisions of sections 191.1164 to 191.1168 are severable.

195.060. 1. Except as provided in subsection 4 of this section, a pharmacist, in good faith, may sell and dispense controlled substances to any person only upon a prescription of a practitioner as authorized by statute, provided that the controlled substances listed in Schedule V may be sold without prescription in accordance with regulations of the department of health and senior services. All written prescriptions shall be signed by the person prescribing the same, **except for electronic prescriptions**. All prescriptions shall be dated on the day when issued and bearing the full name and address of the patient for whom, or of the owner of the animal for which, the drug is prescribed, and the full name, address, and the registry number under the federal controlled substances laws of the person prescribing, if he or she is required by those laws to be so registered. If the prescription is for an animal, it shall state the species of the animal for which the drug is prescribed. The person filling the prescription shall either write the date of filling and his or her own signature on the prescription or retain the date of filling and the identity of the dispenser as electronic prescription information. The prescription or electronic prescription information shall be retained on file by the proprietor of the pharmacy in which it is filled for a period of two years, so as to be readily accessible for inspection by any public officer or employee engaged in the enforcement of this law. No prescription for a drug in Schedule I or II shall be filled more than six months after the date prescribed; no prescription for a drug in Schedule I or II shall be refilled; no prescription for a drug in Schedule III or IV shall be filled or refilled more than six months after the date of the original prescription or be refilled more than five times unless renewed by the practitioner.

2. A pharmacist, in good faith, may sell and dispense controlled substances to any person upon a prescription of a practitioner located in another state, provided that the:

(1) Prescription was issued according to and in compliance with the applicable laws of that state and the United States; and

(2) Quantity limitations in subsection 4 of section 195.080 apply to prescriptions dispensed to patients located in this state.

3. The legal owner of any stock of controlled substances in a pharmacy, upon discontinuance of dealing in such drugs, may sell the stock to a manufacturer, wholesaler, or pharmacist, but only on an official written order.

4. A pharmacist, in good faith, may sell and dispense any Schedule II drug or drugs to any person in emergency situations as defined by rule of the department of health and senior services upon an oral prescription by an authorized practitioner.

5. Except where a bona fide physician-patient-pharmacist relationship exists, prescriptions for narcotics or hallucinogenic drugs shall not be delivered to or for an ultimate user or agent by mail or other common carrier.

195.080. 1. Except as otherwise provided in this chapter and chapter 579, this chapter and chapter 579 shall not apply to the following cases: prescribing, administering, dispensing or selling at retail of liniments, ointments, and other preparations that are susceptible of external use only and that contain controlled substances in such combinations of drugs as to prevent the drugs from being readily extracted from such liniments, ointments, or preparations, except that this chapter and chapter 579 shall apply to all liniments, ointments, and other preparations that contain coca leaves in any quantity or combination.

2. Unless otherwise provided in sections 334.037, 334.104, and 334.747, a practitioner, other than a veterinarian, shall not issue an initial prescription for more than a seven-day supply of any opioid controlled substance upon the initial consultation and treatment of a patient for acute pain. Upon any subsequent consultation for the same pain, the practitioner may issue any appropriate renewal, refill, or new prescription in compliance with the general provisions of this chapter and chapter 579. Prior to issuing an initial prescription for an opioid controlled substance, a practitioner shall consult with the patient regarding the quantity of the opioid and the patient's option to fill the prescription in a lesser quantity and shall inform the patient of the risks associated with the opioid prescribed. If, in the professional medical judgment of the practitioner, more than a seven-day supply is required to treat the patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat the

patient; provided, that the practitioner shall document in the patient's medical record the condition triggering the necessity for more than a seven-day supply and that a nonopioid alternative was not appropriate to address the patient's condition. The provisions of this subsection shall not apply to prescriptions for opioid controlled substances for a patient who is currently undergoing treatment for cancer **or sickle cell disease**, is receiving hospice care from a hospice certified under chapter 197 or palliative care, is a resident of a long-term care facility licensed under chapter 198, or is receiving treatment for substance abuse or opioid dependence.

3. A pharmacist or pharmacy shall not be subject to disciplinary action or other civil or criminal liability for dispensing or refusing to dispense medication in good faith pursuant to an otherwise valid prescription that exceeds the prescribing limits established by subsection 2 of this section.

4. Unless otherwise provided in this section, the quantity of Schedule II controlled substances prescribed or dispensed at any one time shall be limited to a thirty-day supply. The quantity of Schedule III, IV or V controlled substances prescribed or dispensed at any one time shall be limited to a ninety-day supply and shall be prescribed and dispensed in compliance with the general provisions of this chapter and chapter 579. The supply limitations provided in this subsection may be increased up to three months if the physician describes on the prescription form or indicates via telephone, fax, or electronic communication to the pharmacy to be entered on or attached to the prescription form the medical reason for requiring the larger supply. The supply limitations provided in this subsection shall not apply if:

(1) The prescription is issued by a practitioner located in another state according to and in compliance with the applicable laws of that state and the United States and dispensed to a patient located in another state; or

(2) The prescription is dispensed directly to a member of the United States Armed Forces serving outside the United States.

5. The partial filling of a prescription for a Schedule II substance is permissible as defined by regulation by the department of health and senior services.

195.100. 1. It shall be unlawful to distribute any controlled substance in a commercial container unless such container bears a label containing an identifying symbol for such substance in accordance with federal laws.

2. It shall be unlawful for any manufacturer of any controlled substance to distribute such substance unless the labeling thereof conforms to the requirements of federal law and contains the identifying symbol required in subsection 1 of this section.

3. The label of a controlled substance in Schedule II, III or IV shall, when dispensed to or for a patient, contain a clear, concise warning that it is a criminal offense to transfer such narcotic or dangerous drug to any person other than the patient.

4. Whenever a manufacturer sells or dispenses a controlled substance and whenever a wholesaler sells or dispenses a controlled substance in a package prepared by him or her, the manufacturer or wholesaler shall securely affix to each package in which that drug is contained a label showing in legible English the name and address of the vendor and the quantity, kind, and form of controlled substance contained therein. No person except a pharmacist for the purpose of filling a prescription under this chapter, shall alter, deface, or remove any label so affixed.

5. Whenever a pharmacist or practitioner sells or dispenses any controlled substance on a prescription issued by a physician, physician assistant, dentist, podiatrist, veterinarian, or advanced practice registered nurse, the pharmacist or practitioner shall affix to the container in which such drug is sold or dispensed a label showing his or her own name and address of the pharmacy or practitioner for whom he or she is lawfully acting; the name of the patient or, if the patient is an animal, the name of the owner of the animal and the species of the animal; the name of the physician, physician assistant, dentist, podiatrist, advanced practice registered nurse, or veterinarian by whom the prescription was written; the name of the collaborating physician if the prescription is written by an advanced practice registered nurse or ~~[the supervising physician if the prescription is written by]~~ a physician assistant, and such directions as may be stated on the prescription. No person shall alter, deface, or remove any label so affixed.

195.550. 1. Notwithstanding any other provision of this section or any other law to the contrary, beginning January 1, 2021, no person shall issue any prescription in this state for any Schedule II, III, or IV controlled substance unless the prescription is made by electronic prescription from the person issuing the prescription to a pharmacy, except for prescriptions:

- (1) Issued by veterinarians;**
- (2) Issued in circumstances where electronic prescribing is not available due to temporary technological or electrical failure;**
- (3) Issued by a practitioner to be dispensed by a pharmacy located outside the state;**
- (4) Issued when the prescriber and dispenser are the same entity;**

(5) Issued that include elements that are not supported by the most recently implemented version of the National Council for Prescription Drug Programs Prescriber/Pharmacist Interface SCRIPT Standard;

(6) Issued by a practitioner for a drug that the federal Food and Drug Administration requires the prescription to contain certain elements that are not able to be accomplished with electronic processing;

(7) Issued by a practitioner allowing for the dispensing of a nonpatient specific prescription pursuant to a standing order, approved protocol for drug therapy, collaborative drug management or comprehensive medication management, in response to a public health emergency, or other circumstances where the practitioner may issue a nonpatient specific prescription;

(8) Issued by a practitioner prescribing a drug under a research protocol;

(9) Issued by practitioners who have received an annual waiver, or a renewal thereof, from the requirement to use electronic prescribing, pursuant to a process established in regulation by the department of health and senior services, due to economic hardship, technological limitations, or other exceptional circumstances demonstrated by the practitioner;

(10) Issued by a practitioner under circumstances where, notwithstanding the practitioner's present ability to make an electronic prescription as required by this subsection, such practitioner reasonably determines that it would be impractical for the patient to obtain substances prescribed by electronic prescription in a timely manner, and such delay would adversely impact the patient's medical condition; or

(11) Issued where the patient specifically requests a written prescription.

2. A pharmacist who receives a written, oral, or faxed prescription is not required to verify that the prescription properly falls under one of the exceptions from the requirement to electronically prescribe. Pharmacists may continue to dispense medications from otherwise valid written, oral, or fax prescriptions that are consistent with state and federal laws and regulations.

3. An individual who violates the provisions of this section may be subject to discipline by his or her professional licensing board.

196.100. 1. Any manufacturer, packer, distributor or seller of drugs or devices in this state shall comply with the current federal labeling requirements contained in the Federal Food, Drug and Cosmetic Act, as amended, and any federal regulations promulgated thereunder. Any drug or device which contains labeling that is not in compliance with the provisions of this section shall be deemed misbranded.

2. A drug dispensed on **an electronic prescription** or a written prescription signed by a licensed physician, dentist, or veterinarian, except a drug dispensed in the course of the conduct of a business of dispensing drugs pursuant to a diagnosis by mail, shall be exempt from the requirements of this section if such physician, dentist, or veterinarian is licensed by law to administer such drug, and such drug bears a label containing the name and place of business of the dispenser, the serial number and date of such prescription, and the name of such physician, dentist, or veterinarian.

3. The department is hereby directed to promulgate regulations exempting from any labeling or packaging requirement of sections 196.010 to 196.120, drugs and devices which are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packed, on condition that such drugs and devices are not adulterated or misbranded under the provisions of said sections upon removal from such processing, labeling, or repacking establishment.

208.790. 1. The applicant shall have or intend to have a fixed place of residence in Missouri, with the present intent of maintaining a permanent home in Missouri for the indefinite future. The burden of establishing proof of residence within this state is on the applicant. The requirement also applies to persons residing in long-term care facilities located in the state of Missouri.

2. The department shall promulgate rules outlining standards for documenting proof of residence in Missouri. Documents used to show proof of residence shall include the applicant's name and address in the state of Missouri.

3. Applicant household income limits for eligibility shall be subject to appropriations, but in no event shall applicants have household income that is greater than one hundred eighty-five percent of the federal poverty level for the applicable family size for the applicable year as converted to the MAGI equivalent net income standard. ~~[The provisions of this subsection shall only apply to Medicaid dual eligible individuals.]~~

4. The department shall promulgate rules outlining standards for documenting proof of household income.

221.111. 1. A person commits the offense of possession of unlawful items in a prison or jail if such person knowingly delivers, attempts to deliver, possesses, deposits, or conceals in or about the premises of any correctional center as the term "correctional center" is defined under section 217.010, or any city, county, or private jail:

(1) Any controlled substance as that term is defined by law, except upon the written **or electronic** prescription of a licensed physician, dentist, or veterinarian;

(2) Any other alkaloid of any kind or any intoxicating liquor as the term intoxicating liquor is defined in section 311.020;

(3) Any article or item of personal property which a prisoner is prohibited by law, by rule made pursuant to section 221.060, or by regulation of the department of corrections from receiving or possessing, except as herein provided;

(4) Any gun, knife, weapon, or other article or item of personal property that may be used in such manner as to endanger the safety or security of the institution or as to endanger the life or limb of any prisoner or employee thereof.

2. The violation of subdivision (1) of subsection 1 of this section shall be a class D felony; the violation of subdivision (2) of this section shall be a class E felony; the violation of subdivision (3) of this section shall be a class A misdemeanor; and the violation of subdivision (4) of this section shall be a class B felony.

3. The chief operating officer of a county or city jail or other correctional facility or the administrator of a private jail may deny visitation privileges to or refer to the county prosecuting attorney for prosecution any person who knowingly delivers, attempts to deliver, possesses, deposits, or conceals in or about the premises of such jail or facility any personal item which is prohibited by rule or regulation of such jail or facility. Such rules or regulations, including a list of personal items allowed in the jail or facility, shall be prominently posted for viewing both inside and outside such jail or facility in an area accessible to any visitor, and shall be made available to any person requesting such rule or regulation. Violation of this subsection shall be an infraction if not covered by other statutes.

4. Any person who has been found guilty of a violation of subdivision (2) of subsection 1 of this section involving any alkaloid shall be entitled to expungement of the record of the violation. The procedure to expunge the record shall be pursuant to section 610.123. The record of any person shall not be expunged if such person has been found guilty of knowingly delivering, attempting to deliver, possessing, depositing, or concealing any alkaloid of any controlled substance in or about the premises of any correctional center, or city or county jail, or private prison or jail.

332.361. 1. **For purposes of this section, the following terms shall mean:**

(1) **"Acute pain", shall have the same meaning as in section 195.010;**

(2) **"Long-acting or extended-release opioids", formulated in such a manner as to make the contained medicament available over an extended period of time following ingestion.**

2. Any duly registered and currently licensed dentist in Missouri may write, and any pharmacist in Missouri who is currently licensed under the provisions of chapter 338 and any amendments thereto, may fill any prescription of a duly registered and currently licensed dentist in Missouri for any drug necessary or proper in the practice of dentistry, provided that no such prescription is in violation of either the Missouri or federal narcotic drug act.

~~[2-]~~ 3. Any duly registered and currently licensed dentist in Missouri may possess, have under his control, prescribe, administer, dispense, or distribute a "controlled substance" as that term is defined in section 195.010 only to the extent that:

(1) The dentist possesses the requisite valid federal and state registration to distribute or dispense that class of controlled substance;

(2) The dentist prescribes, administers, dispenses, or distributes the controlled substance in the course of his professional practice of dentistry, and for no other reason;

(3) A bona fide dentist-patient relationship exists; and

(4) The dentist possesses, has under his control, prescribes, administers, dispenses, or distributes the controlled substance in accord with all pertinent requirements of the federal and Missouri narcotic drug and controlled substances acts, including the keeping of records and inventories when required therein.

4. Long-acting or extended-release opioids shall not be used for the treatment of acute pain. If in the professional judgement of the dentist, a long-acting or extended-release opioid is necessary to treat the patient, the dentist shall document and explain in the patient's dental record the reason for the necessity for the long-acting or extended-release opioid.

5. Dentists shall avoid prescribing doses greater than fifty morphine milligram equivalent (MME) per day for treatment of acute pain. If in the professional judgement of the dentist, doses greater than fifty MME are necessary to treat the patient, the dentist shall document and explain in the patient's dental record the reason for the necessity for the dose greater than fifty MME. The relative potency of opioids is represented by a value assigned to individual opioids known as a morphine milligram equivalent (MME). The MME value represents how many milligrams of a particular opioid is equivalent to one milligram of morphine. The Missouri dental board shall maintain a MME conversion chart and instructions for calculating MME on its website to assist licensees with calculating MME.

338.010. 1. The "practice of pharmacy" means the interpretation, implementation, and evaluation of medical prescription orders, including any legend drugs under 21 U.S.C. Section 353; receipt, transmission, or handling of such orders or facilitating the dispensing of such orders; the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by the prescription order so long as the prescription order is specific to each patient for care by a pharmacist; the compounding, dispensing, labeling, and administration of drugs and devices pursuant to medical prescription orders and administration of viral influenza, pneumonia, shingles, hepatitis A, hepatitis B, diphtheria, tetanus, pertussis, and meningitis vaccines by written protocol authorized by a physician for persons at least seven years of age or the age recommended by the Centers for Disease Control and Prevention, whichever is higher, or the administration of pneumonia, shingles, hepatitis A, hepatitis B, diphtheria, tetanus, pertussis, meningitis, and viral influenza vaccines by written protocol authorized by a physician for a specific patient as authorized by rule; the participation in drug selection according to state law and participation in drug utilization reviews; the proper and safe storage of drugs and devices and the maintenance of proper records thereof; consultation with patients and other health care practitioners, and veterinarians and their clients about legend drugs, about the safe and effective use of drugs and devices; **the prescribing and dispensing of any nicotine replacement therapy product under section 338.665**; and the offering or performing of those acts, services, operations, or transactions necessary in the conduct, operation, management and control of a pharmacy. No person shall engage in the practice of pharmacy unless he **or she** is licensed under the provisions of this chapter. This chapter shall not be construed to prohibit the use of auxiliary personnel under the direct supervision of a pharmacist from assisting the pharmacist in any of his or her duties. This assistance in no way is intended to relieve the pharmacist from his or her responsibilities for compliance with this chapter and he or she will be responsible for the actions of the auxiliary personnel acting in his or her assistance. This chapter shall also not be construed to prohibit or interfere with any legally registered practitioner of medicine, dentistry, or podiatry, or veterinary medicine only for use in animals, or the practice of optometry in accordance with and as provided in sections 195.070 and 336.220 in the compounding, administering, prescribing, or dispensing of his or her own prescriptions.

2. Any pharmacist who accepts a prescription order for a medication therapeutic plan shall have a written protocol from the physician who refers the patient for medication therapy services. The written protocol and the prescription order for a medication therapeutic plan shall come from the physician only, and shall not come from a nurse engaged in a collaborative practice arrangement under section 334.104, or from a physician assistant engaged in a ~~[supervision agreement]~~ **collaborative practice arrangement** under section 334.735.

3. Nothing in this section shall be construed as to prevent any person, firm or corporation from owning a pharmacy regulated by sections 338.210 to 338.315, provided that a licensed pharmacist is in charge of such pharmacy.

4. Nothing in this section shall be construed to apply to or interfere with the sale of nonprescription drugs and the ordinary household remedies and such drugs or medicines as are normally sold by those engaged in the sale of general merchandise.

5. No health carrier as defined in chapter 376 shall require any physician with which they contract to enter into a written protocol with a pharmacist for medication therapeutic services.

6. This section shall not be construed to allow a pharmacist to diagnose or independently prescribe pharmaceuticals.

7. The state board of registration for the healing arts, under section 334.125, and the state board of pharmacy, under section 338.140, shall jointly promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Such rules shall require protocols to include provisions allowing for timely communication between the pharmacist and the referring physician, and any other patient protection provisions deemed appropriate by both boards. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither board shall separately promulgate rules regulating the use of protocols for prescription orders for medication therapy services and administration of viral influenza vaccines. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

8. The state board of pharmacy may grant a certificate of medication therapeutic plan authority to a licensed pharmacist who submits proof of successful completion of a board-approved course of academic clinical study beyond a bachelor of science in pharmacy, including but not limited to clinical assessment skills, from a nationally accredited college or university, or a certification of equivalence issued by a nationally recognized professional organization and approved by the board of pharmacy.

9. Any pharmacist who has received a certificate of medication therapeutic plan authority may engage in the designing, initiating, implementing, and monitoring of a medication therapeutic plan as defined by a prescription order from a physician that is specific to each patient for care by a pharmacist.

10. Nothing in this section shall be construed to allow a pharmacist to make a therapeutic substitution of a pharmaceutical prescribed by a physician unless authorized by the written protocol or the physician's prescription order.

11. "Veterinarian", "doctor of veterinary medicine", "practitioner of veterinary medicine", "DVM", "VMD", "BVSe", "BVMS", "BSe (Vet Science)", "VMB", "MRCVS", or an equivalent title means a person who has received a doctor's degree in veterinary medicine from an accredited school of veterinary medicine or holds an Educational Commission for Foreign Veterinary Graduates (EDFVG) certificate issued by the American Veterinary Medical Association (AVMA).

12. In addition to other requirements established by the joint promulgation of rules by the board of pharmacy and the state board of registration for the healing arts:

(1) A pharmacist shall administer vaccines by protocol in accordance with treatment guidelines established by the Centers for Disease Control and Prevention (CDC);

(2) A pharmacist who is administering a vaccine shall request a patient to remain in the pharmacy a safe amount of time after administering the vaccine to observe any adverse reactions. Such pharmacist shall have adopted emergency treatment protocols;

(3) In addition to other requirements by the board, a pharmacist shall receive additional training as required by the board and evidenced by receiving a certificate from the board upon completion, and shall display the certification in his or her pharmacy where vaccines are delivered.

13. A pharmacist shall inform the patient that the administration of the vaccine will be entered into the ShowMeVax system, as administered by the department of health and senior services. The patient shall attest to the inclusion of such information in the system by signing a form provided by the pharmacist. If the patient indicates that he or she does not want such information entered into the ShowMeVax system, the pharmacist shall provide a written report within fourteen days of administration of a vaccine to the patient's primary health care provider, if provided by the patient, containing:

- (1) The identity of the patient;
- (2) The identity of the vaccine or vaccines administered;
- (3) The route of administration;
- (4) The anatomic site of the administration;
- (5) The dose administered; and
- (6) The date of administration.

338.015. 1. The provisions of sections 338.010 to 338.015 shall not be construed to inhibit the patient's freedom of choice to obtain prescription services from any licensed pharmacist. However, nothing in sections 338.010 to 338.315 abrogates the patient's ability to waive freedom of choice under any contract with regard to payment or coverage of prescription expense.

2. All pharmacists may provide pharmaceutical consultation and advice to persons concerning the safe and therapeutic use of their prescription drugs.

3. All patients shall have the right to receive a written prescription from their prescriber to take to the facility of their choice **or to have an electronic prescription transmitted to the facility of their choice.**

338.055. 1. The board may refuse to issue any certificate of registration or authority, permit or license required pursuant to this chapter for one or any combination of causes stated in subsection 2 of this section or if the designated pharmacist-in-charge, manager-in-charge, or any officer, owner, manager, or controlling shareholder of the applicant has committed any act or practice in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit or license required by this chapter or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by this chapter;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated under this chapter, for any offense an essential element of which is fraud, dishonesty or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(3) Use of fraud, deception, misrepresentation or bribery in securing any certificate of registration or authority, permit or license issued pursuant to this chapter or in obtaining permission to take any examination given or required pursuant to this chapter;

(4) Obtaining or attempting to obtain any fee, charge, tuition or other compensation by fraud, deception or misrepresentation;

(5) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties of any profession licensed or regulated by this chapter;

(6) Violation of, or assisting or enabling any person to violate, any provision of this chapter, or of any lawful rule or regulation adopted pursuant to this chapter;

(7) Impersonation of any person holding a certificate of registration or authority, permit or license or allowing any person to use his or her certificate of registration or authority, permit, license, or diploma from any school;

(8) Denial of licensure to an applicant or disciplinary action against an applicant or the holder of a license or other right to practice any profession regulated by this chapter granted by another state, territory, federal agency, or country whether or not voluntarily agreed to by the licensee or applicant, including, but not limited to, surrender of the license upon grounds for which denial or discipline is authorized in this state;

(9) A person is finally adjudged incapacitated by a court of competent jurisdiction;

(10) Assisting or enabling any person to practice or offer to practice any profession licensed or regulated by this chapter who is not registered and currently eligible to practice under this chapter;

(11) Issuance of a certificate of registration or authority, permit or license based upon a material mistake of fact;

(12) Failure to display a valid certificate or license if so required by this chapter or any rule promulgated hereunder;

(13) Violation of any professional trust or confidence;

(14) Use of any advertisement or solicitation which is false, misleading or deceptive to the general public or persons to whom the advertisement or solicitation is primarily directed;

(15) Violation of the drug laws or rules and regulations of this state, any other state or the federal government;

(16) The intentional act of substituting or otherwise changing the content, formula or brand of any drug prescribed by written, **electronic**, or oral prescription without prior written or oral approval from the prescriber for the respective change in each prescription; provided, however, that nothing contained herein shall prohibit a pharmacist from substituting or changing the brand of any drug as provided under section 338.056, and any such substituting or changing of the brand of any drug as provided for in section 338.056 shall not be deemed unprofessional or dishonorable conduct unless a violation of section 338.056 occurs;

(17) Personal use or consumption of any controlled substance unless it is prescribed, dispensed, or administered by a health care provider who is authorized by law to do so.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination, censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years, or may suspend, for a period not to exceed three years, or revoke the license, certificate, or permit. The board may impose additional discipline on a licensee, registrant, or permittee found to have violated any disciplinary terms previously imposed under this section or by agreement. The additional discipline may include, singly or in combination, censure, placing the licensee, registrant, or permittee named in the complaint on additional probation on such terms and conditions as the board deems appropriate, which additional probation shall not exceed five years, or suspension for a period not to exceed three years, or revocation of the license, certificate, or permit.

4. If the board concludes that a licensee or registrant has committed an act or is engaging in a course of conduct which would be grounds for disciplinary action which constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the activities which give rise to the danger and the nature of the proposed restriction or suspension of the licensee's or registrant's license. Within fifteen days after service of the complaint on

the licensee or registrant, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged activities of the licensee or registrant appear to constitute a clear and present danger to the public health and safety which justify that the licensee's or registrant's license or registration be immediately restricted or suspended. The burden of proving that the actions of a licensee or registrant constitute a clear and present danger to the public health and safety shall be upon the state board of pharmacy. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend the licensee's or registrant's license, such temporary authority of the board shall become final authority if there is no request by the licensee or registrant for a full hearing within thirty days of the preliminary hearing. The administrative hearing commission shall, if requested by the licensee or registrant named in the complaint, set a date to hold a full hearing under the provisions of chapter 621 regarding the activities alleged in the initial complaint filed by the board.

6. If the administrative hearing commission dismisses the action filed by the board pursuant to subsection 4 of this section, such dismissal shall not bar the board from initiating a subsequent action on the same grounds.

338.056. 1. 197.318. 1. As used in this section, the term "licensed and available" means beds which are actually in place and for which a license has been issued.

2. The committee shall review all letters of intent and applications for long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria and standards for long-term care beds.

3. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in state court on or before April 1, 1996, in which the Missouri health facilities review committee is a defendant in an action concerning the application of sections 197.300 to 197.366 to long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

4. Notwithstanding any other provision of this chapter to the contrary:

(1) A facility licensed pursuant to chapter 198 may increase its licensed bed capacity by:

(a) Submitting a letter of intent to expand to the department of health and senior services and the health facilities review committee;

(b) Certification from the department of health and senior services that the facility:

a. Has no patient care class I deficiencies within the last eighteen months; and

b. Has maintained ~~a ninety percent~~ **an eighty-five percent** average occupancy rate for the previous six quarters;

(c) Has made an effort to purchase beds for eighteen months following the date the letter of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to purchase beds from another licensed facility in the same licensure category; and

(d) If an agreement is reached by the selling and purchasing entities, the health facilities review committee shall issue a certificate of need for the expansion of the purchaser facility upon surrender of the seller's license; or

(e) If no agreement is reached by the selling and purchasing entities, the health facilities review committee shall permit an expansion for:

a. A facility with more than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-three percent or greater over the previous six quarters;

b. A facility with fewer than forty beds may expand its licensed bed capacity within the same licensure category by twenty-five percent or ten beds, whichever is greater, if that same licensure category in such facility has experienced an average occupancy of ninety-two percent or greater over the previous six quarters;

c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure category;

(2) Any beds sold shall, for five years from the date of relicensure by the purchaser, remain unlicensed and unused for any long-term care service in the selling facility, whether they do or do not require a license;

(3) The beds purchased shall, for two years from the date of purchase, remain in the bed inventory attributed to the selling facility and be considered by the department of social services as licensed and available for purposes of this section;

(4) Any residential care facility licensed pursuant to chapter 198 may relocate any portion of such facility's current licensed beds to any other facility to be licensed within the same licensure category if both facilities are under the same licensure ownership or control, and are located within six miles of each other;

(5) A facility licensed pursuant to chapter 198 may transfer or sell individual long-term care licensed **and available** beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1) of this subsection. Any facility which transfers or sells licensed **and available** beds shall not expand its licensed bed capacity in that licensure category for a period of five years from the date the licensure is relinquished **and until the average occupancy of licensed and available beds in that licensure category within a fifteen-mile radius is eighty-five percent for the prior six quarters. Any facility which transfers or sells licensed and available beds shall have an average occupancy rate of less than seventy percent in the last six quarters.**

5. Any existing licensed and operating health care facility offering long-term care services may replace one-half of its licensed beds at the same site or a site not more than thirty miles from its current location if, for at least the most recent four consecutive calendar quarters, the facility operates only fifty percent of its then licensed capacity with every resident residing in a private room. In such case:

(1) The facility shall report to the health and senior services vacant beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

(2) The replacement beds shall be built to private room specifications and only used for single occupancy; and

(3) The existing facility and proposed facility shall have the same owner or owners, regardless of corporate or business structure, and such owner or owners shall stipulate in writing that the existing facility beds to be replaced will not later be used to provide long-term care services. If the facility is being operated under a lease, both the lessee and the owner of the existing facility shall stipulate the same in writing.

6. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter 198 from being replaced in its entirety within fifteen miles of its existing site so long as the existing facility and proposed or replacement facility have the same owner or owners regardless of corporate or business structure and the health care facility being replaced remains unlicensed and unused for any long-term care services whether they do or do not require a license from the date of licensure of the replacement facility.

208.225. 1. To implement fully the provisions of section 208.152, the MO HealthNet division shall calculate the Medicaid per diem reimbursement rates of each nursing home participating in the Medicaid program as a provider of nursing home services based on its costs reported in the Title XIX cost report filed with the MO HealthNet division for its fiscal year as provided in subsection 2 of this section.

2. The recalculation of Medicaid rates to all Missouri facilities will be performed as follows: effective July 1, 2004, the department of social services shall use the Medicaid cost report containing adjusted costs for the facility fiscal year ending in 2001 and redetermine the allowable per-patient day costs for each facility. The department shall recalculate the class ceilings in the patient care, one hundred twenty percent of the median; ancillary, one hundred twenty percent of the median; and administration, one hundred ten percent of the median cost centers. Each facility shall receive as a rate increase one-third of the amount that is unpaid based on the recalculated cost determination.

3. Any intermediate care facility or skilled nursing facility, as such terms are defined in section 198.006, participating in MO HealthNet that incurs total capital expenditures, as such term is defined in section 197.305, in excess of two thousand dollars per bed shall be entitled to obtain from the MO HealthNet division a recalculation of its Medicaid per diem reimbursement rate based on its additional capital costs or all costs incurred during the facility fiscal year during which such capital expenditures were made. Such recalculated reimbursement rate shall become effective and payable when granted by the MO HealthNet division as of the date of application for a rate adjustment."; and

(1) Step 3 of the United States Medical Licensing Examination or the equivalent of such step of any board-approved medical licensing examination in less than three attempts and within a three-year period after receiving his or her initial assistant physician license;

(2) Five years of continuous, full-time, active collaborating practice. Any time the assistant physician was not working within a collaborative practice arrangement with a collaborating physician shall not count toward the five-year requirement;

(3) One hundred hours of didactics during the five-year postgraduate training. Didactic training shall be presented by the collaborating physician or any individual that the collaborating physician deems qualified to teach. Didactic hours shall be logged and retained for a period of five years; and

(4) All continuing medical education requirements as required for assistant physicians under this chapter.

2. Upon completion of subdivisions (1) to (4) of subsection 1 of this section, the assistant physician shall be eligible for licensure as a physician with the state of Missouri and eligible to sit for board certification or any other appropriate advanced fellowships or certifications.

3. Any assistant physician obtaining licensure as a physician under this section shall be fully licensed as a physician and shall be subject to all statutes and regulations pertaining to physicians.

4. Any assistant physician obtaining licensure as a physician under this section shall practice as a physician in Missouri for a minimum of two years. Failure to practice for a minimum of two years shall be cause for the revocation of the license.

334.035. Except as otherwise provided in section **334.034** or 334.036, every applicant for a permanent license as a physician and surgeon shall provide the board with satisfactory evidence of having successfully completed such postgraduate training in hospitals or medical or osteopathic colleges as the board may prescribe by rule.

334.037. 1. A physician may enter into collaborative practice arrangements with assistant physicians. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to an assistant physician the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the assistant physician and is consistent with that assistant physician's skill, training, and competence and the skill and training of the collaborating physician.

2. The written collaborative practice arrangement shall contain at least the following provisions:

- (1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the assistant physician;
- (2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the assistant physician to prescribe;

- (4) All specialty or board certifications of the collaborating physician and all certifications of the assistant physician;
- (5) The manner of collaboration between the collaborating physician and the assistant physician, including how the collaborating physician and the assistant physician shall:
 - (a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;
 - (b) Maintain geographic proximity; except, the collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by Pub. L. 95-210 (42 U.S.C. Section 1395x), as amended, as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. Such exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics if the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics if the main location of the hospital sponsor is greater than fifty miles from the clinic. The collaborating physician shall maintain documentation related to such requirement and present it to the state board of registration for the healing arts when requested; and
 - (c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;
- (6) A description of the assistant physician's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the assistant physician to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;
- (7) A list of all other written practice agreements of the collaborating physician and the assistant physician;
- (8) The duration of the written practice agreement between the collaborating physician and the assistant physician;
- (9) A description of the time and manner of the collaborating physician's review of the assistant physician's delivery of health care services. The description shall include provisions that the assistant physician shall submit a minimum of ten percent of the charts documenting the assistant physician's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and
- (10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the assistant physician prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

3. The board shall complete all applications submitted by an assistant physician who has entered into a collaborative practice arrangement with a collaborating physician within thirty days of submission.

4. The state board of registration for the healing arts under section 334.125 shall promulgate rules regulating the use of collaborative practice arrangements for assistant physicians. Such rules shall specify:

- (1) Geographic areas to be covered;
- (2) The methods of treatment that may be covered by collaborative practice arrangements;
- (3) In conjunction with deans of medical schools and primary care residency program directors in the state, the development and implementation of educational methods and programs undertaken during the collaborative practice service which shall facilitate the advancement of the assistant physician's medical knowledge and capabilities, and which may lead to credit toward a future residency program for programs that deem such documented educational achievements acceptable; and
- (4) The requirements for review of services provided under collaborative practice arrangements, including delegating authority to prescribe controlled substances.

Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. The state board of registration for the healing arts shall promulgate rules applicable to assistant physicians that shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150- 5.100 as of April 30, 2008.

~~[4-]~~ **5.** The state board of registration for the healing arts shall not deny, revoke, suspend, or otherwise take disciplinary action against a collaborating physician for health care services delegated to an assistant physician provided the provisions of this section and the rules promulgated thereunder are satisfied.

~~[5-]~~ **6.** Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice arrangement, including collaborative practice arrangements delegating the authority to prescribe controlled substances, and also report to the board the name of each assistant physician with whom the physician has entered into such arrangement. The board may make such information available to the public. The board shall track the reported information and may routinely conduct random reviews of such arrangements to ensure that arrangements are carried out for compliance under this chapter.

~~[6-]~~ **7.** A collaborating physician or supervising physician shall not enter into a collaborative practice arrangement or supervision agreement with more than six full-time equivalent assistant physicians, full-time equivalent physician assistants, or full-time equivalent advance practice registered nurses, or any combination thereof. Such limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of section 334.104.

~~[7-]~~ **8.** The collaborating physician shall determine and document the completion of at least a one-month period of time during which the assistant physician shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. **Once the assistant physician has completed the one-month time period required under this subsection, the assistant physician shall be exempt from the training required under this subsection in the event there is a change in collaborating physicians.** No rule or regulation shall require the collaborating physician to review more than ten percent of the assistant physician's patient charts or records during such one-month period. Such limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008. **The collaborating physician may utilize any other qualified, fully licensed physician on his or her staff to help oversee, train, and review the records of an assistant physician during the assistant physician's one-month training period.**

~~[8-]~~ **9.** No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

~~[9-]~~ **10.** No contract or other agreement shall require a physician to act as a collaborating physician for an assistant physician against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular assistant physician. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

~~[10-]~~ **11.** No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. An assistant physician shall have the right to refuse to collaborate, without penalty, with a particular physician.

~~[11-]~~ **12.** All collaborating physicians and assistant physicians in collaborative practice arrangements shall wear identification badges while acting within the scope of their collaborative practice arrangement. The identification badges shall prominently display the licensure status of such collaborating physicians and assistant physicians.

~~[12-]~~ **13.** (1) An assistant physician with a certificate of controlled substance prescriptive authority as provided in this section may prescribe any controlled substance listed in Schedule III, IV, or V of section 195.017, and may have restricted authority in Schedule II, when delegated the authority to prescribe controlled substances in a collaborative practice arrangement. Prescriptions for Schedule II medications prescribed by an assistant physician who has a certificate of controlled substance prescriptive authority are restricted to only those medications containing hydrocodone. Such authority shall be filed with the state board of registration for the healing arts. The collaborating physician shall maintain the right to limit a specific scheduled drug or scheduled drug category that the assistant physician is permitted to prescribe. Any limitations shall be listed in the collaborative practice arrangement. Assistant physicians shall not prescribe controlled substances for themselves or members of their families. Schedule III controlled substances and Schedule II - hydrocodone prescriptions shall be limited to a five-day supply without refill, except that buprenorphine may be prescribed for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician. Assistant physicians who are authorized to prescribe controlled substances under this section shall register with the federal Drug Enforcement Administration and the state bureau of narcotics and dangerous drugs, and shall include the Drug Enforcement Administration registration number on prescriptions for controlled substances.

(2) The collaborating physician shall be responsible to determine and document the completion of at least one hundred twenty hours in a four-month period by the assistant physician during which the assistant physician shall practice with the collaborating physician on-site prior to prescribing controlled substances when the collaborating physician is not on-site. Such limitation shall not apply to assistant physicians of population-based public health services as defined in 20 CSR 2150-5.100 as of April 30, 2009, or assistant physicians providing opioid addiction treatment.

(3) An assistant physician shall receive a certificate of controlled substance prescriptive authority from the state board of registration for the healing arts upon verification of licensure under section 334.036.

~~[13-]~~ **14.** Nothing in this section or section 334.036 shall be construed to limit the authority of hospitals or hospital medical staff to make employment or medical staff credentialing or privileging decisions.

334.040. 1. Except as provided in section **334.034** or 334.260, all persons desiring to practice as physicians and surgeons in this state shall be examined as to their fitness to engage in such practice by the board. All persons applying for examination shall file a completed application with the board upon forms furnished by the board.

2. The examination shall be sufficient to test the applicant's fitness to practice as a physician and surgeon. The examination shall be conducted in such a manner as to conceal the identity of the applicant until all examinations have been scored. In all such examinations an average score of not less than seventy-five percent is required to pass; provided, however, that the board may require applicants to take the Federation Licensing Examination, also known as FLEX, or the United States Medical Licensing Examination (USMLE). If the FLEX examination is required, a weighted average score of no less than seventy-five is required to pass. Scores from one test administration of an examination shall not be combined or averaged with scores from other test administrations to achieve a passing score. Applicants graduating from a medical or osteopathic college, as described in section 334.031 prior to January 1, 1994, shall provide proof of successful completion of the FLEX, USMLE, the National Board of Osteopathic Medical Examiners Comprehensive Licensing Exam (COMLEX), a state board examination approved by the board, compliance with subsection 2 of section 334.031, or compliance with 20 CSR 2150-2.005. Applicants graduating from a medical or osteopathic college, as described in section 334.031 on or after January 1, 1994, must provide proof

of successful completion of the USMLE or the COMLEX or provide proof of compliance with subsection 2 of section 334.031. The board shall not issue a permanent license as a physician and surgeon or allow the Missouri state board examination to be administered to any applicant who has failed to achieve a passing score within three attempts on licensing examinations administered in one or more states or territories of the United States, the District of Columbia or Canada. The steps one, two and three of the United States Medical Licensing Examination or the National Board of Osteopathic Medical Examiners Comprehensive Licensing Exam shall be taken within a seven-year period with no more than three attempts on any step of the examination; however, the board may grant an extension of the seven-year period if the applicant has obtained a MD/PhD degree in a program accredited by the Liaison Committee on Medical Education (LCME) and a regional university accrediting body or a DO/PhD degree accredited by the American Osteopathic Association and a regional university accrediting body. The board may waive the provisions of this section if the applicant is licensed to practice as a physician and surgeon in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States or the District of Columbia and no license issued to the applicant has been disciplined in any state or territory of the United States or the District of Columbia.

3. If the board waives the provisions of this section, then the license issued to the applicant may be limited or restricted to the applicant's board specialty. The board shall not be permitted to favor any particular school or system of healing.

4. If an applicant has not actively engaged in the practice of clinical medicine or held a teaching or faculty position in a medical or osteopathic school approved by the American Medical Association, the Liaison Committee on Medical Education, or the American Osteopathic Association for any two years in the three-year period immediately preceding the filing of his or her application for licensure, the board may require successful completion of another examination, continuing medical education, or further training before issuing a permanent license. The board shall adopt rules to prescribe the form and manner of such reexamination, continuing medical education, and training."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(1) An "affiliate" of, or person "affiliated" with, a specific person, is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified;

Control shall be presumed to exist if any person, directly or indirectly, owns, controls, holds with power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 382.170 that control does not exist in fact. The director may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect;

(3) "Director", the director of the department of insurance, financial institutions and professional registration, his or her deputies, or the department of insurance, financial institutions and professional registration, as appropriate;

(4) "Enterprise risk", any activity, circumstance, event, or series of events involving one or more affiliates of an insurer that, if not remedied promptly, is likely to have a material adverse effect upon the financial condition or liquidity of the insurer or its insurance holding company system as a whole including, but not limited to, anything that would cause the insurer's risk-based capital to fall into company action level as set forth in section 375.1255 or would cause the insurer to be in hazardous financial condition as set forth in section 375.539;

(5) **"Group-wide supervisor", the regulatory official authorized to engage in conducting and coordinating group-wide supervisory activities who is determined or acknowledged by the director, under section 382.227, to have sufficient significant contacts with the internationally active insurance group;**

(6) **"Insurance holding company system", two or more affiliated persons, one or more of which is an insurer;**

~~[(6)]~~ (7) **"Insurer", an insurance company as defined in section 375.012, including a reciprocal or interinsurance exchange, and which is qualified and licensed by the department of insurance, financial institutions and professional registration of Missouri to transact the business of insurance in this state; but it shall not include any company organized and doing business under chapter 377, 378, or 380, agencies, authorities, or instrumentalities of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia, or a state or political subdivision of a state;**

~~[(7)]~~ (8) **"Internationally active insurance group", an insurance holding company system that includes an insurer registered under sections 382.100 to 382.180, and meets the following criteria:**

(a) **Premiums written in at least three countries;**

(b) **The percentage of gross premiums written outside the United States is at least ten percent of the insurance holding company system's total gross written premiums; and**

(c) **Based on a three-year rolling average, the total assets of the insurance holding company system are at least fifty billion dollars, or the total gross written premiums of the insurance holding company system are at least ten billion dollars;**

(9) **"Person", an individual, corporation, limited liability company, partnership, association, joint stock company, trust, unincorporated organization, or any similar entity, or any combination of the foregoing acting in concert, but shall not include any joint venture partnership exclusively engaged in owning, managing, leasing, or developing real or tangible personal property;**

~~[(8)]~~ (10) **A "securityholder" of a specified person is one who owns any security of that person, including common stock, preferred stock, debt obligations, and any other security convertible into or evidencing the right to acquire any of the foregoing;**

~~[(9)]~~ (11) **A "subsidiary" of a specified person is an affiliate controlled by that person directly, or indirectly through one or more intermediaries;**

~~[(10)]~~ (12) **The term "voting security" includes any security convertible into or evidencing a right to acquire a voting security.**

382.227. 1. The director is authorized to act as the group-wide supervisor for any internationally active insurance group in accordance with the provisions of this section. However, the director may otherwise acknowledge another regulatory official as the group-wide supervisor if the internationally active insurance group:

(1) **Does not have substantial insurance operations in the United States;**

(2) **Has substantial insurance operations in the United States but not in this state; or**

(3) **Has substantial insurance operations in the United States and in this state but the director has determined, pursuant to the factors set forth in subsections 3 and 9 of this section, that another regulatory official is the appropriate group-wide supervisor.**

2. An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the director make a determination or acknowledgment as to a group-wide supervisor pursuant to this section.

3. In cooperation with other state, federal, and international regulatory agencies, the director shall identify a single group-wide supervisor for an internationally active insurance group. The director may determine that the director is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state. However, the director may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The director shall consider the following factors when making a determination or acknowledgment under this subsection:

(1) **The domicile of the insurers within the internationally active insurance group that hold the largest share of the internationally active insurance group's written premiums, assets, or liabilities;**

(2) **The domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group;**

(3) **The location of the executive offices or largest operational offices of the internationally active insurance group;**

(4) Whether another regulatory official is acting as or is seeking to act as the group-wide supervisor under a regulatory system that the director determines to be:

- (a) Substantially similar to the system of regulation provided under the laws of this state; or
- (b) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials; and

(5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the director with reasonably reciprocal recognition and cooperation.

4. A director identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made after consideration of the factors listed in subdivisions (1) to (5) of subsection 3 of this section, and shall be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

5. Notwithstanding any other provision of the law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the director shall acknowledge that regulatory official as the group-wide supervisor, subject to subsection 6 of this section. In the event of a material change in the internationally active insurance group that results in either the internationally active insurance group's insurers domiciled in this state holding the largest share of the internationally active insurance group's premiums, assets, or liabilities, or this state being the domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group, the director shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group under subsections 3 and 4 of this section.

6. In the event of a dispute as to the proper regulatory official to act as group-wide supervisor, a determination by the director not to acknowledge the current group-wide supervisor shall be made only after notice and a public hearing, and such determination shall be accompanied by specific findings of fact and conclusions of law including, but not limited to, application of the factors listed in subdivisions (1) to (5) of subsection 3 of this section.

7. Under section 382.220, the director is authorized to collect from any insurer registered under sections 382.100 to 382.180 all information necessary to determine whether the director may act as the group-wide supervisor of an internationally active insurance group or if the director may acknowledge another regulatory official to act as the group-wide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the director, the director shall notify the insurer registered under sections 382.100 to 382.180 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have not less than thirty days to provide the director with additional information pertinent to the pending determination. The director shall publish on the department's website the identity of internationally active insurance groups that the director has determined are subject to group-wide supervision by the director.

8. If the director is the group-wide supervisor for an internationally active insurance group, the director is authorized to engage in any of the following group-wide supervisory activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure that:
 - (a) The material financial condition and liquidity risks to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management; and
 - (b) Reasonable and effective mitigation measures are in place;
- (2) Request, from any member of an internationally active insurance group subject to the director's supervision, information necessary and appropriate to assess enterprise risk including, but not limited to, information about the members of the internationally active insurance group regarding:
 - (a) Governance, risk assessment, and management;
 - (b) Capital adequacy; and
 - (c) Material intercompany transactions;
- (3) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of such internationally active insurance group that are engaged in the business of insurance;

(4) Communicate with other state, federal, and international regulatory agencies for members within the internationally active insurance group and share relevant information subject to the confidentiality provisions of section 382.230, through supervisory colleges as set forth in section 382.226 or otherwise;

(5) Enter into agreements with or obtain documentation from any insurer registered under sections 382.100 to 382.180, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the director's role as group-wide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation shall not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this state is doing business in this state or is otherwise subject to jurisdiction in this state; and

(6) Other group-wide supervision activities, consistent with the authorities and purposes enumerated in this subsection, as considered necessary by the director.

9. If the director acknowledges that another regulatory official from a jurisdiction that is not accredited by the National Association of Insurance Commissioners is the group-wide supervisor, the director is authorized to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor, provided that:

(1) The director's cooperation is in compliance with the laws of this state; and

(2) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the director's activities as a group-wide supervisor for other internationally active insurance groups where applicable. Where such recognition and cooperation are not reasonably reciprocal, the director is authorized to refuse recognition and cooperation.

10. The director is authorized to enter into agreements with, or obtain documentation from, any insurer registered under sections 382.100 to 382.180, any affiliate of the insurer, and other state, federal, and international regulatory agencies, regarding members of the internationally active insurance group, which provides the basis for or otherwise clarifies a regulatory official's role as group-wide supervisor.

11. The director may promulgate regulations necessary for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

12. An insurer registered under sections 382.100 to 382.180 and subject to this section shall be liable for and shall pay the reasonable expenses of the director's participation in the administration of this section, including the engagements of attorneys, actuaries, and any other professionals and all reasonable travel expenses.

382.230. 1. All information, documents and copies thereof in the possession or control of the director that are obtained by or disclosed to the director or any other person in the course of an examination or investigation made under section 382.220 and all information reported **or provided to the director** under subdivisions (13) and (14) of subsection 1 of section 382.050 ~~and~~, sections 382.100 to 382.210, **and section 382.227** shall be given confidential treatment and privileges; shall not be subject to the provisions of chapter 610; shall not be subject to subpoena; shall not be made public by the director, the National Association of Insurance Commissioners, or any other person, except to the chief insurance regulatory official of other states; and shall not be subject to discovery or admissible as evidence in any private civil action. However, the director is authorized to use the documents, materials, or other information in furtherance of any regulatory or legal action brought as a part of the director's official duties. The director shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer to which it pertains unless the director, after giving the insurer and its affiliates who would be affected thereby, notice and opportunity to be heard, determines that the interests of policyholders, shareholders or the public will be served by the publication thereof, in which event the director may publish all or any part thereof in such manner as he or she may deem appropriate.

2. Neither the director nor any person who receives documents, materials, or other information while acting under the authority of the director or with whom such documents, materials, or other information is shared under sections 382.010 to 382.300 shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or other information subject to subsection 1 of this section.

3. In order to assist in the performance of the director's duties, the director:

(1) May share documents, materials, or other information including the confidential and privileged documents, materials, or other information subject to subsection 1 of this section with other state, federal, and international financial regulatory agencies, with the National Association of Insurance Commissioners and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities including members of any supervisory college described in section 382.225; provided that the recipient agrees in writing to maintain the confidentiality and privileged status of such documents, materials, or other information, and has verified in writing the legal authority to maintain confidentiality;

(2) Notwithstanding the provisions of subsection 1 of this section and subdivision (1) of this subsection, may share confidential and privileged documents, materials, or other information reported under section 382.175 only with the directors of states having statutes or regulations substantially similar to subsection 1 of this section and who have agreed in writing not to disclose such information;

(3) May receive documents, materials, or other information including otherwise confidential and privileged documents, materials, or information from the National Association of Insurance Commissioners and its affiliates and subsidiaries and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any documents, materials, or other information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or other information; and

(4) Shall enter into a written agreement with the National Association of Insurance Commissioners governing sharing and use of information provided under sections 382.010 to 382.300 consistent with this subsection that shall:

(a) Specify procedures and protocols regarding the confidentiality and security of information shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300 including procedures and protocols for sharing by the National Association of Insurance Commissioners with other state, federal, and international regulators;

(b) Specify that ownership of information shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300 remains with the director and that the National Association of Insurance Commissioners' use of such information is subject to the direction of the director;

(c) Require prompt notice to be given to an insurer whose confidential information in the possession of the National Association of Insurance Commissioners under sections 382.010 to 382.300 is subject to a request or subpoena to the National Association of Insurance Commissioners for disclosure or production; and

(d) Require the National Association of Insurance Commissioners and its affiliates and subsidiaries to consent to intervention by an insurer in any judicial or administrative action in which the National Association of Insurance Commissioners and its affiliates and subsidiaries may be required to disclose confidential information about the insurer shared with the National Association of Insurance Commissioners and its affiliates and subsidiaries under sections 382.010 to 382.300.

4. The sharing of information by the director under sections 382.010 to 382.300 shall not constitute a delegation of regulatory or rulemaking authority, and the director is solely responsible for the administration, execution, and enforcement of the provisions of sections 382.010 to 382.300.

5. No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or other information shall occur as a result of disclosure of such documents, materials, or other information to the director under this section or as a result of sharing as authorized in sections 382.010 to 382.300.

6. Documents, materials, or other information in the possession or control of the National Association of Insurance Commissioners under sections 382.010 to 382.300 shall be confidential by law and privileged, shall not be subject to disclosure under chapter 610, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action."; and

3. The department shall promulgate rules to implement the provisions of sections 198.610 to 198.632. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 198.614. 1. For purposes of this chapter, the placement and use of an electronic monitoring device in the room of a resident is considered to be covert if:

- (2) That a person who covertly places an electronic monitoring device in the room of a resident or who consents to or acquiesces in the covert placement of the device in the room of a resident has waived any privacy right the person may have had in connection with images or sounds that may be acquired by the device;

- 221.520. 1. As used in this section, the following terms shall mean:

 - (4) "Medical emergency", a condition that, based on reasonable medical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate removal of restraints to avert the death of the pregnant woman or for which a delay in removal of restraints will create a serious risk of substantial and irreversible physical impairment of a major bodily function of the pregnant woman;
 - (5) "Physician", any person licensed by the state board of registration for the healing arts to practice medicine in this state;
 - (6) "Postpartum", the period of recovery immediately following childbirth, which is six weeks for a vaginal birth or eight weeks for a cesarean birth, or longer if so determined by a physician;
 - (7) "Reasonable medical judgment", a medical judgment made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved;
 - (8) "Restraints", any physical restraint or other device used to control the movement of a person's body or limbs;

3. Any time restraints are used on a pregnant prisoner in her third trimester or on a postpartum prisoner within forty-eight hours postdelivery, as documented by a physician and for which the county or city officer or sheriff or jailer has written notice, the restraints shall be the least restrictive available and reasonable under the circumstances. Only in extraordinary circumstances, as determined by a county or city officer or jail official, shall ankle or waist restraints be used on any such offender.
4. If, based on his or her reasonable medical judgment, a doctor, nurse, or other licensed health care provider treating the pregnant prisoner in her third trimester or the postpartum prisoner within forty-eight hours postdelivery, as previously documented by a physician, finds that a medical emergency exists and requests that restraints not be used, the county or city officer or sheriff or jailer accompanying such prisoner

shall as soon as practical remove all restraints. The individual ordering the removal of restraints shall assume all liability for acts and damages that occur as a result of the restraints being removed and shall report in writing the specific facts justifying the medical emergency. The report shall be kept on file for at least five years.

5. In the event a county or city officer or sheriff or jailer determines that extraordinary circumstances exist and restraints are necessary, the officer, sheriff, or jailer shall fully document in writing within forty-eight hours of the incident the reasons he or she determined such extraordinary circumstances existed, the type of restraints used, and the reasons those restraints were considered the least restrictive available and reasonable under the circumstances. Such documents shall be kept on file by the county or city jail for at least five years from the date the restraints were used.

COMMUNICATIONS

May 15, 2019

Emily White
Assistant Chief Clerk
Missouri House of Representatives
201 W. Capitol Ave.
Jefferson City, MO 65101

Dear Emily,

House Resolution No. 3287, sponsored by Representative Barbara Washington, has been referred to the Committee on Consent and House Procedures. This resolution concerns the use of the House Chamber by the Emerging Leaders Youth Conference on June 24, 2019. Due to the fact that we are so near the end of session, I believe it is unnecessary for the Consent and House Procedures committee to meet solely to hear and take a vote on this resolution.

To that end, I have spoken with Representative Washington and received her assurance that she will personally attend this program in the House Chamber on June 24. This is an annual educational program that was started by former House Minority Floor Leader Gail McCann Beatty, and as such is a program that deserves the use of the Chamber and that will use the Chamber responsibly.

I ask that you permit the Emerging Leaders Youth Conference the use of the House Chamber on June 24, 2019, without approval for **HR 3287** by the Committee on Consent and House Procedure.

Thank you,

/s/ Donna Pfautsch
State Representative – District 33
Chair, Committee on Consent and House Procedure

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SEVENTY-FIRST DAY, THURSDAY, MAY 16, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

This is the day which the Lord has made; we will rejoice and be glad in it. (Psalm 118:24)

Our Heavenly Creator, we bow before this altar of prayer with hearts overflowing with gratitude because You have been so wonderfully good to us. We are what we are and we have what we have not because we deserve it, not because we have earned it, but because Your goodness has come to us, Your strength has made us strong, Your love has guided us, and Your presence has blessed us all our days.

Help us to be worthy of Your gifts and to use each day for Your glory, for the good of our great state and for the welfare of our fellow citizens. Thus may these last hours be a glorious adventure in great political living in this historic chamber.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Blane Ray.

The Journal of the seventieth day was approved as printed by the following vote:

Speaker Pro Tem Wiemann assumed the Chair.

Representative Roden offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Substitute for Senate Bill No. 414, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"105.261. 1. For purposes of this section, the term "public employer" shall mean the state of Missouri, or any office, agency, department, bureau, division, board, or commission of the state, or any school district, political subdivision, or special district within the state.

2. Notwithstanding any provisions of law to the contrary, employees of a public employer shall be allowed to donate their accrued sick leave to a shared pool which can be used by other public employees in this state who are eligible for sick leave but who have exhausted their own personal sick leave balances. The commissioner of administration shall design the shared pool described in this subsection. The commissioner shall collaborate with the chief administrative officers of all public employers to allow for the employees of such employers to donate to and draw from the shared pool. No employee of a public employer shall be allowed to donate his or her accrued sick leave to such a pool in any amount which would reduce such employee's own personal sick leave balance below an amount equal to the greater of eighty hours or the standard number of hours worked by such employee within a two-week period.

3. The commissioner of administration may promulgate rules as necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

105.263. 1. For purposes of this section, the term "public employee" shall mean any employee of the state of Missouri, or of any office, agency, department, bureau, division, board, or commission of the state, or of any school district, political subdivision, or special district within the state.

2. Notwithstanding any provisions of law to the contrary, any public employee who has exhausted all available leave granted under the provisions of the Family and Medical Leave Act of 1993, as amended, 29 U.S.C. Section 2601, et seq., in connection with a cancer diagnosis for such employee's spouse or child shall be granted an extension of such leave for a period of up to one year.

3. No public employee shall be penalized for requesting or obtaining an extension of leave under this section.

4. The commissioner of administration may promulgate rules as necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

287.067. 1. (1) In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

(2) For purposes of this section, the following terms mean:

(a) "Hazardous duty", the same meaning given to the term under 5 CFR 550.902, as amended;

(b) "Psychological stress" or "mental disorder", a condition, whether sudden or gradual in onset, that is diagnosed by a psychiatrist or psychologist and that requires medical services or results in physical or mental disability.

2. An injury or death by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to

be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

4. "Loss of hearing due to industrial noise" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be a loss of hearing in one or both ears due to prolonged exposure to harmful noise in employment. "Harmful noise" means sound capable of producing occupational deafness.

5. "Radiation disability" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be that disability due to radioactive properties or substances or to Roentgen rays (X-rays) or exposure to ionizing radiation caused by any process involving the use of or direct contact with radium or radioactive properties or substances or the use of or direct exposure to Roentgen rays (X-rays) or ionizing radiation.

6. (1) Disease of the lungs or respiratory tract, hypotension, hypertension, or disease of the heart or cardiovascular system, including carcinoma, may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to smoke, gases, carcinogens, **or** inadequate oxygen, of paid **or** volunteer firefighters of a ~~paid~~ fire department or paid **or** volunteer police officers of a ~~paid~~ police department certified under chapter 590 if a direct causal relationship is established~~[, or]~~. **Psychological stress and mental disorders may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to stressful events of paid or volunteer firefighters, paramedics, and emergency medical technicians of a paid fire department or fire district or paid peace officers of a police department who are certified under chapter 590 if [a direct causal relationship] the psychological stress or mental disorder is established as having arisen from exposure to the stressful event or events.**

(2) (a) **Notwithstanding the provisions of any other law, cancer contracted by a paid firefighter who has been assigned to at least five years of hazardous duty as a firefighter or cancer contracted by a volunteer firefighter who has been assigned to at least ten years of hazardous duty as a firefighter constitutes a presumption that the cancer meets the definition of occupational disease under subsection 1 of this section and is compensable under the requirements of subsections 1 and 2 of this section if the firefighter was exposed to an agent classified by the International Agency for Research on Cancer or its successor organization as a group 1 or 2A carcinogen.**

(b) The presumption described in paragraph (a) of this subdivision is rebuttable in any of the following situations:

a. There is evidence that the firefighter's exposure, outside the scope of the firefighter's official duties, to cigarettes, tobacco products, or other conditions presenting an extremely high risk for the development of the cancer alleged, was probably a significant factor in the cause or progression of the cancer;

b. There is evidence that the firefighter was not exposed to an agent classified by the International Agency for Research on Cancer as a group 1 or 2A carcinogen;

c. There is evidence that the firefighter incurred the type of cancer alleged before becoming a member of the fire department; or

d. The firefighter is sixty-five years of age or older.

(c) The presumption described under paragraph (a) of this subdivision does not apply if it has been more than ten years since the firefighter was last assigned to hazardous duty as a firefighter or if the firefighter has retired from his or her employment as a firefighter.

(d) Compensation for cancer contracted by a firefighter in the course of hazardous duty under paragraph (a) of this subdivision is payable only in the event of temporary total disability, permanent total disability, or death, in accordance with sections 287.170, 287.200, and 287.230.

(e) This subdivision shall apply to paid and volunteer firefighters of all fire departments of all counties, cities, towns, fire districts, and other government units.

(f) **This subdivision applies only to claims arising on or after August 28, 2019.**

7. Any employee who is exposed to and contracts any contagious or communicable disease arising out of and in the course of his or her employment shall be eligible for benefits under this chapter as an occupational disease.

8. With regard to occupational disease due to repetitive motion, if the exposure to the repetitive motion which is found to be the cause of the injury is for a period of less than three months and the evidence demonstrates that the exposure to the repetitive motion with the immediate prior employer was the prevailing factor in causing the injury, the prior employer shall be liable for such occupational disease.

9. (1) **Psychological stress or mental disorder of a paid, volunteer, or retired firefighter, paramedic, or emergency medical technician of a fire department or fire district or paid peace officer of a paid police department certified under chapter 590 shall be presumed as an occupational disease that was contracted in the course and scope of employment.**

(2) A paid, volunteer, or retired firefighter, paramedic, or emergency medical technician of a fire department or fire district or paid peace officer of a paid police department certified under chapter 590 who is diagnosed with post-traumatic stress disorder, psychological stress, or mental disorder during employment or during volunteer service or within three years of the last active date of employment or volunteer service shall be eligible for compensation benefits as otherwise provided for in this chapter, with no showing regarding causality required.

10. The psychological stress or mental disorder presumption described in subdivision (1) of subsection 9 of this section shall be rebuttable if:

(1) There is evidence that the condition existed before the commencement of employment or volunteer service;

(2) The prevailing factor in causing the condition is a factor unrelated to the employment or volunteer service; or

(3) The prevailing factor in causing the condition is an exposure occurring outside the scope of employment or volunteer service.

590.1200. 1. For purposes of this section, the following terms mean:

(1) "Live video broadcast", any video broadcast made during a tactical law enforcement operation, including time-delayed broadcasts;

(2) "Tactical law enforcement operation":

(a) A situation in which law enforcement officers are deployed by reason of a person holding one or more hostages;

(b) A situation in which law enforcement officers are deployed for the purpose of taking into custody an armed person who refuses to surrender to law enforcement; or

(c) Any other situation in which tactical law enforcement forces are deployed by reason of an emergency involving danger to the law enforcement officers or to the public.

2. Any law enforcement agency may declare that a tactical law enforcement operation is subject to the provisions of this section and may designate a boundary for the purpose of the prohibitions of this section. Any person who is aware that a law enforcement agency has made a declaration under this section shall not make live video broadcasts displaying events within the boundary established by the law enforcement agency.

3. Any person who knowingly violates the provisions of subsection 2 of this section is strictly liable for any injury, death, or other damage that may arise out of the violation, including any injury, death, or other damage that may arise out of the live video broadcasts of the tactical law enforcement operation.

4. Any person who complies with the requirements of subsection 2 of this section is immune from any civil liability for any injury, death, or other damage that may arise out of the live video broadcasts or other reporting that relates to the tactical law enforcement operation or the events surrounding the operation.

Representative Lynch declared the bill passed.

Representative Ross assumed the Chair.

SB 228, relating to methods of service of notice under employment security laws, was taken up by Representative Andrews.

On motion of Representative Andrews, the title of **SB 228** was agreed to.

Representative Lynch offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Bill No. 228, Page 1, Section A, Line 2, by inserting after all of said line the following:

"288.100. 1. (1) The division shall maintain a separate account for each employer which is paying contributions, and shall credit each employer's account with all contributions which each employer has paid. A separate account shall be maintained for each employer making payments in lieu of contributions to which shall be credited all such payments made. The account shall also show payments due as provided in section 288.090. The division may close and cancel such separate account after a period of four consecutive calendar years during which such employer has had no employment in this state subject to contributions. Nothing in this law shall be construed to grant any employer or individuals in the employer's service prior claims or rights to the amounts paid by the

employer into the fund either on the employer's own behalf or on behalf of such individuals. Except as provided in subdivision (4) of this subsection, regular benefits and that portion of extended benefits not reimbursed by the federal government paid to an eligible individual shall be charged against the accounts of the individual's base period employers who are paying contributions subject to the provisions of subdivision (4) of subsection 3 of section 288.090. With respect to initial claims filed after December 31, 1984, for benefits paid to an individual based on wages paid by one or more employers in the base period of the claim, the amount chargeable to each employer shall be obtained by multiplying the benefits paid by a ratio obtained by dividing the base period wages from such employer by the total wages appearing in the base period. Except as provided in this subdivision, the maximum amount of extended benefits paid to an individual and charged against the account of any employer shall not exceed one-half of the product obtained by multiplying the benefits paid by a ratio obtained by dividing the base period wages from such employer by the total wages appearing in the base period. The provisions of this subdivision notwithstanding, with respect to weeks of unemployment beginning after December 31, 1978, the maximum amount of extended benefits paid to an individual and charged against the account of an employer which is an employer ~~[pursuant to]~~ **under** subdivision (3) of subsection 1 of section 288.032 and which is paying contributions ~~[pursuant to]~~ **under** subsections 1 and 2 of section 288.090 shall not exceed the calculated entitlement for the extended benefit claim based upon the wages appearing within the base period of the extended benefit claim.

(2) Beginning as of June 30, 1951, and as of June thirtieth of each year thereafter, any unassigned surplus in the unemployment compensation fund which is five hundred thousand dollars or more in excess of five-tenths of one percent of the total taxable wages paid by all employers for the preceding calendar year as shown on the division's records on such June thirtieth shall be credited on a pro rata basis to all employer accounts having a credit balance in the same ratio that the balance in each such account bears to the total of the credit balances subject to use for rate calculation purposes for the following year in all such accounts on the same date. As used in this subdivision, the term "unassigned surplus" means the amount by which the total cash balance in the unemployment compensation fund exceeds a sum equal to the total of all employer credit account balances. The amount thus prorated to each separate employer's account shall for tax rating purposes be considered the same as contributions paid by the employer and credited to the employer's account for the period preceding the calculation date except that no such amount can be credited against any contributions due or that may thereafter become due from such employer.

(3) At the conclusion of each calendar quarter the division shall, within thirty days, notify each employer by mail of the benefits paid to each claimant by week as determined by the division which have been charged to such employer's account subsequent to the last notice.

(4) (a) No benefits based on wages paid for services performed prior to the date of any act for which a claimant is disqualified ~~[pursuant to]~~ **under** section 288.050 shall be chargeable to any employer directly involved in such disqualifying act.

(b) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (a) of subdivision (1) of subsection 1 of section 288.050 that a claimant quit his or her work with an employer for the purpose of accepting a more remunerative job with another employer which the claimant did accept and earn some wages therein, no benefits based on wages paid prior to the date of the quit shall be chargeable to the employer the claimant quit.

(c) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (b) of subdivision (1) of subsection 1 of section 288.050 that a claimant quit temporary work in employment with an employer to return to the claimant's regular employer, then, only for the purpose of charging base period employers, all of the wages paid by the employer who furnished the temporary employment shall be combined with the wages actually paid by the regular employer as if all such wages had been actually paid by the regular employer. Further, charges for benefits based on wages paid for part-time work shall be removed from the account of the employer furnishing such part-time work if that employer continued to employ the individual claiming such benefits on a regular recurring basis each week of the claimant's claim to at least the same extent that the employer had previously employed the claimant and so informs the division within thirty days from the date of notice of benefit charges.

(d) No charge shall be made against an employer's account in respect to benefits paid an individual if the gross amount of wages paid by such employer to such individual is four hundred dollars or less during the individual's base period on which the individual's benefit payments are based. Further, no charge shall be made against any employer's account in respect to benefits paid any individual unless such individual was in employment with respect to such employer longer than a probationary period of ~~[twenty-eight]~~ **ninety** days, if such probationary period of employment has been reported to the division as required by regulation.

(e) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (c) of subdivision (1) of subsection 1 of section 288.050 that a claimant is not disqualified, no benefits based on wages paid for work prior to the date of the quit shall be chargeable to the employer the claimant quit.

(f) In the event the deputy has in due course determined under paragraph (e) of subdivision (1) of subsection 1 of section 288.050 that a claimant is not disqualified, no benefits based on wages paid for work prior to the date of the quit shall be chargeable to the employer the claimant quit.

(g) Nothing in paragraph (b), (c), (d), (e), or (f) of this subdivision shall in any way affect the benefit amount, duration of benefits or the wage credits of the claimant.

2. The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

3. The division may by regulation provide for the compilation and publication of such data as may be necessary to show the amounts of benefits not charged to any individual employer's account classified by reason no such charge was made and to show the types and amounts of transactions affecting the unemployment compensation fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SEVENTY-SECOND DAY, FRIDAY, MAY 17, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Where two or three are gathered together in My name, there am I in the midst of them. (Matthew 18:20)

O Loving God, once again the eyes of our great nation are focused on our House of Representatives. We understand Your word that where two or three are gathered together in Your name there You are in the midst of them. Now make us aware of Your presence during this moment as we assemble in Your name, invoking Your blessing upon us and praying that You would make us adequate for the tasks of this day. Give us wisdom for the decisions we have to make and courage always to do what is right on this last day of session.

Bless our Governor, our Speaker and all the Members of this House, their staff and families. Support us during this long day until the shadows lengthen and 6:00 p.m. arrives, and the busy world is quiet, and the fever of political life is over, and our legislative work is done. Then, by Your great mercy, grant us satisfaction, rest, peace and quiet at last.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: John Francis Jackson.

The Journal of the seventy-first day was approved as printed by the following vote:

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HB 355** entitled:

An act to repeal sections 386.020, 386.510, and 386.515, RSMo, and to enact in lieu thereof four new sections relating to matters within the scope of the public service commission.

With Senate Amendment No. 1, Senate Amendment No. 2, Senate Amendment No. 3, Senate Amendment No. 4, Senate Amendment No. 5 and Senate Amendment No. 6.

Senate Amendment No. 1

AMEND Senate Committee Substitute for House Bill No. 355, Page 4, Section 386.020, Lines 92-99, by striking said lines and inserting in lieu thereof the following:

“(c) Persons or corporations not otherwise engaged in the production or sale of electricity at wholesale or retail that sell, lease, own, control, operate, or manage one or more electric vehicle charging stations;”; and

Further amend said section by renumbering the remaining subdivisions accordingly; and

Further amend said bill, Page 12, Section 386.805, Line 4, by striking “the” and inserting in lieu thereof the following:

“their”.

Senate Amendment No. 2

AMEND Senate Committee Substitute for House Bill No. 355, Page 13, Section 386.805, Line 8, by inserting after all of said line the following:

“537.340. 1. If any person shall cut down, injure or destroy or carry away any tree placed or growing for use, shade or ornament, or any timber, rails or wood standing, being or growing on the land of any other person, including any governmental entity, or shall dig up, quarry or carry away any stones, ore or mineral, gravel, clay or mold, or any ice or other substance or material being a part of the realty, or any roots, fruits or plants, or cut down or carry away grass, grain, corn, flax or hemp in which such person has no interest or right, standing, lying or being on land not such person's own, or shall knowingly break the glass or any part of it in any building not such person's own, the person so offending shall pay to the party injured treble the value of the things so injured, broken, destroyed or carried away, with costs. Any person filing a claim for damages pursuant to this section need not prove negligence or intent.

2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:

(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;

(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the trees and other vegetation are within the legal description of any recorded easement or, in the absence of a recorded easement, the following:

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of said trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove said tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term "electric supplier" means any rural electric cooperative that is subject to the provisions of chapter 394~~[-and]~~; any electrical corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation, and which holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003; **any municipally owned or operated electric power system that is subject to the provisions of chapter 91; and any municipally owned utility whose service area is set by state statute, service agreement, or other authority to include areas which are not incorporated into city limits.**"; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 3

AMEND Senate Committee Substitute for House Bill No. 355, Page 11, Section 386.020, Line 352, by inserting immediately after said line the following:

"386.135. 1. The commission ~~[shall have]~~ **may retain** an independent technical advisory staff of up to six full-time employees. The **technical** advisory staff shall have expertise in accounting, economics, finance, engineering/utility operations, law, or public policy.

“utilities”; and

Further amend said bill and page, Section A, Line 3, by inserting after all of said line the following:

“88.770. 1. The board of aldermen may provide for and regulate the lighting of streets and the erection of lamp posts, poles and lights therefor, and may make contracts with any person, association or corporation, either private or municipal, for the lighting of the streets and other public places of the city with gas, electricity or otherwise, except that each initial contract shall be ratified by a majority of the voters of the city voting on the question and any renewal contract or extension shall be subject to voter approval of the majority of the voters voting on the question, pursuant to the provisions of section 88.251. The board of aldermen may erect, maintain and operate gas works, electric light works, or light works of any other kind or name, and to erect lamp posts, electric light poles, or any other apparatus or appliances necessary to light the streets, avenues, alleys or other public places, and to supply private lights for the use of the inhabitants of the city and its suburbs, and may regulate the same, and may prescribe and regulate the rates to be paid by the consumers thereof, and may acquire by purchase, donation or condemnation suitable grounds within or without the city upon which to erect such works and the right-of-way to and from such works, and also the right-of-way for laying gas pipes, electric wires under or above the grounds, and erecting posts and poles and such other apparatus and appliances as may be necessary for the efficient operation of such works. The board of aldermen may, in its discretion, grant the right to any person, persons or corporation, to erect such works and lay the pipe, wires, and erect the posts, poles and other necessary apparatus and appliances therefor, upon such terms as may be prescribed by ordinance. Such rights shall not extend for a longer time than twenty years, but may be renewed for another period or periods not to exceed twenty years per period. Every initial grant shall be approved by a majority of the voters of the municipality voting on the question, and each renewal or extension of such rights shall be subject to voter approval of the majority of the voters voting on the question, pursuant to the provisions of section 88.251. Nothing herein contained shall be so construed as to prevent the board of aldermen from contracting with any person, persons or corporation for furnishing the city with gas or electric lights in cities where franchises have already been granted, and where gas or electric light plants already exist, without a vote of the people, except that the board of aldermen may sell, convey, encumber, lease, abolish or otherwise dispose of any public utilities owned by the city including electric light systems, electric distribution systems or transmission lines, or any part of the electric light systems, electric or other heat systems, electric or other power systems, electric or other railways, gas plants, telephone systems, telegraph systems, transportation systems of any kind, waterworks, equipments and all public utilities not herein enumerated and everything acquired therefor, after first having passed an ordinance setting forth the terms of the sale, conveyance or encumbrance and when ratified by two-thirds of the voters voting on the question, except for the sale of a water or wastewater system, or the sale of a gas plant, which shall be authorized by a simple majority vote of the voters voting on the question. In the event of the proposed sale of a water or wastewater system, or a gas plant, the board of alderman shall hold a public meeting on such proposed sale at least thirty days prior to the vote. The municipality in question shall notify its customers of the informational meeting through radio, television, newspaper, regular mail, electronic mail, or any combination of notification methods to most effectively notify customers at least fifteen days prior to the informational meeting. **In advance of putting a proposed sale of a water or wastewater system, or a gas plant before the voters, the board of aldermen may seek an appraisal as set forth in subsections 3 and 4 of section 393.320. The board may also seek and provide additional reasonable analyses to inform voters of such sale,**

including but not limited to, the impact of such sale on all city funds and revenues, other city services, and annexation. Nothing in this section shall be so construed as to discourage the board of aldermen from seeking multiple bids when considering the disposal of a water or wastewater system or a gas plant by sale.

2. The board of aldermen's determination of the fair market value of a water or wastewater system or a gas plant for the purposes of this section shall not be dispositive of the price of a water or wastewater system, or a gas plant, which may be subject to negotiation by the board of aldermen.

3. The board of aldermen may consider alternatives to disposing of a water or wastewater system, or a gas plant by sale, including entering into a finance agreement, purchase agreement, management agreement, or lease agreement with another entity.

4. The board of aldermen may make available on its internet site, if such internet site exists, at least forty-five days prior to submitting a proposal for election pursuant to this section, a copy of the appraisal or additional reasonable analyses under subsection 1 of this section and the fair market value of a water or wastewater system or a gas plant. Such information may also be posted in the building where the board of aldermen has its monthly meetings.

5. The board of aldermen may make a good-faith effort to notify each property owner of the city and each ratepayer of a water or wastewater system or a gas plant of the proposal to dispose of the water or wastewater system, or a gas plant, by sale through radio, television, newspaper, regular mail, electronic mail, or any combination of such notification methods. Such notice may also include instructions for locating a summary of the proposal and a summary of any appraisal and analyses as under subsection 1 of this section on the board of aldermen's internet site, if such internet site exists. In the event the board of aldermen does not have an internet site, the notice may inform the recipient that written copies of such information may be made available at the building where the board of aldermen has its monthly meetings.

7. The ballots shall be substantially in the following form and shall indicate the property, or portion thereof, and whether the same is to be sold, leased or encumbered:

Shall _____ (Indicate the property by stating whether electric distribution system, electric transmission lines or waterworks, etc.) be _____ (Indicate whether sold, leased or encumbered.)?"; and

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND Senate Substitute No. 2 for Senate Committee Substitute for House Committee Substitute for House Bill No. 604, Page 83, Section 168.133, Line 21 of said page, by inserting immediately after said line the following:

"168.221. 1. The first five years of employment of all teachers entering the employment of the metropolitan school district shall be deemed a period of probation during which period all appointments of teachers shall expire at the end of each school year. During the probationary period any probationary teacher whose work is unsatisfactory shall be furnished by the superintendent of schools with a written statement setting forth the nature of his or her incompetency. If improvement satisfactory to the superintendent is not made within one semester after the receipt of the statement, the probationary teacher shall be dismissed. The semester granted the probationary teacher in which to improve shall not in any case be a means of prolonging the probationary period beyond five years and six months from the date on which the teacher entered the employ of the board of education. The superintendent of schools on or before the fifteenth day of April in each year shall notify probationary teachers who will not be retained by the school district of the termination of their services. Any probationary teacher who is not so notified shall be deemed to have been appointed for the next school year. Any principal who prior to becoming a principal

had attained permanent employee status as a teacher shall upon ceasing to be a principal have a right to resume his or her permanent teacher position with the time served as a principal being treated as if such time had been served as a teacher for the purpose of calculating seniority and pay scale. The rights and duties and remuneration of a teacher who was formerly a principal shall be the same as any other teacher with the same level of qualifications and time of service.

2. After completion of satisfactory probationary services, appointments of teachers shall become permanent, subject to removal for any one or more causes herein described and to the right of the board to terminate the services of all who attain the age of compulsory retirement fixed by the retirement system. In determining the duration of the probationary period of employment in this section specified, the time of service rendered as a substitute teacher shall not be included.

3. No teacher whose appointment has become permanent may be removed except for one or more of the following causes: immorality, incompetency, or inefficiency in line of duty, violation of the published regulations of the school district, violation of the laws of Missouri governing the public schools of the state, or physical or mental condition which incapacitates him for instructing or associating with children, and then only by a vote of not less than a majority of all the members of the board, upon written charges presented by the superintendent of schools, to be heard by the board after thirty days' notice, with copy of the charges served upon the person against whom they are preferred, who shall have the privilege of being present at the hearing, together with counsel, offering evidence and making defense thereto. At the request of any person so charged the hearing shall be public. During any time in which powers granted to the district's board of education are vested in a special administrative board, the special administrative board may appoint a hearing officer to conduct the hearing. **Should the special administrative board relinquish power to the district's elected board of education, such board of education may also appoint a hearing officer to conduct the hearing.** The hearing officer shall conduct the hearing as a contested case under chapter 536 and shall issue a written recommendation to the board rendering the charges against the teacher. The board shall render a decision on the charges upon the review of the hearing officer's recommendations and the record from the hearing. The action and decision of the board upon the charges shall be final. Pending the hearing of the charges, the person charged may be suspended if the rules of the board so prescribe, but in the event the board does not by a majority vote of all the members remove the teacher upon charges presented by the superintendent, the person shall not suffer any loss of salary by reason of the suspension. Incompetency or inefficiency in line of duty is cause for dismissal only after the teacher has been notified in writing at least thirty days prior to the presentment of charges against him by the superintendent. The notification shall specify the nature of the incompetency or inefficiency with such particularity as to enable the teacher to be informed of the nature of his or her incompetence or inefficiency.

4. No teacher whose appointment has become permanent shall be demoted nor shall his or her salary be reduced unless the same procedure is followed as herein stated for the removal of the teacher because of inefficiency in line of duty, and any teacher whose salary is reduced or who is demoted may waive the presentment of charges against him by the superintendent and a hearing thereon by the board. The foregoing provision shall apply only to permanent teachers prior to the compulsory retirement age under the retirement system. Nothing herein contained shall in any way restrict or limit the power of the board of education to make reductions in the number of teachers or principals, or both, because of insufficient funds, decrease in pupil enrollment, or abolition of particular subjects or courses of instruction, except that the abolition of particular subjects or courses of instruction shall not cause those teachers who have been teaching the subjects or giving the courses of instruction to be placed on leave of absence as herein provided who are qualified to teach other subjects or courses of instruction, if positions are available for the teachers in the other subjects or courses of instruction.

5. Whenever it is necessary to decrease the number of teachers because of insufficient funds or a substantial decrease of pupil population within the school district, the board of education upon recommendation of the superintendent of schools may cause the necessary number of teachers beginning with those serving probationary periods to be placed on leave of absence without pay, but only in the inverse order of their appointment. Nothing herein stated shall prevent a readjustment by the board of education of existing salary schedules. No teacher placed on a leave of absence shall be precluded from securing other employment during the period of the leave of absence. Each teacher placed on leave of absence shall be reinstated in inverse order of his or her placement on leave of absence. Such reemployment shall not result in a loss of status or credit for previous years of service. No appointment of new teachers shall be made while there are available teachers on unrequested leave of absence who are properly qualified to fill such vacancies. Such leave of absence shall not impair the tenure of a teacher. The leave of absence shall continue for a period of not more than three years unless extended by the board.

6. If any regulation which deals with the promotion of teachers is amended by increasing the qualifications necessary to be met before a teacher is eligible for promotion, the amendment shall fix an effective date which shall allow a reasonable length of time within which teachers may become qualified for promotion under the regulations.

7. A teacher whose appointment has become permanent may give up the right to a permanent appointment to participate in the teacher choice compensation package under sections 168.745 to 168.750.

8. Should the state mandate that professional development for teachers be provided in local school districts and any funds be utilized for such, a metropolitan school district shall be allowed to utilize a professional development plan for teachers which is known within the administration as the "St. Louis Plan", should the district and the teacher decide jointly to participate in such plan."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted the Conference Committee Report #2 on **HCS SCS SB 147, as amended**, and has taken up and passed **CCS#2 HCS SCS SB 147**.

AMEND Senate Bill No. 275, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"178.931. 1. Beginning July 1, 2018, and thereafter, the department of elementary and secondary education shall pay monthly, out of the funds appropriated to it for that purpose, to each sheltered workshop a sum equal to the amount calculated under subsection 2 of this section but at least the amount necessary to ensure that at least twenty-one dollars is paid for each six-hour or longer day worked by a handicapped employee **for each standard workweek of up to and including thirty-eight hours worked. For each handicapped worker employed by a sheltered workshop for less than a thirty-eight-hour week or a six-hour day, the workshop shall receive a percentage of the corresponding amount normally paid based on the percentage of time worked by the handicapped employee.**

2. In order to calculate the monthly amount due to each sheltered workshop, the department shall:

(1) Determine the quotient obtained by dividing the appropriation for the fiscal year by twelve; and

(2) Divide the amount calculated under subdivision (1) of this subsection among the sheltered workshops in proportion to each sheltered workshop's number of hours submitted to the department for the preceding calendar month.

3. The department shall accept, as prima facie proof of payment due to a sheltered workshop, information as designated by the department, either in paper or electronic format. A statement signed by the president, secretary, and manager of the sheltered workshop, setting forth the dates worked and the number of hours worked each day by each handicapped person employed by that sheltered workshop during the preceding calendar month, together with any other information required by the rules or regulations of the department, shall be maintained at the workshop location.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HB 547** entitled:

An act to repeal sections 56.765 and 478.001, RSMo, and to enact in lieu thereof three new sections relating to alternative methods for the disposal of cases in the judicial system.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 547, Page 9, Section 557.014, Line 104, by inserting after all of said line the following:

“650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of ~~[fifty]~~ **one hundred** dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term “actually innocent” shall mean:

- (1) The individual was convicted of a felony for which a final order of release was entered by the court;
- (2) All appeals of the order of release have been exhausted;
- (3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the board of probation and parole in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the board of probation and parole's sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and

- (4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

- (1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

- (2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false

statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 563** entitled:

An act to repeal sections 215.030 and 260.035, RSMo, and to enact in lieu thereof two new sections relating to employer eligibility in the Missouri State Employees' Retirement System.

With Senate Amendment No. 1.

Senate Amendment No. 1

AMEND House Bill No. 563, Page 1, Section Title, Line 2, by inserting after "RSMo," the following:

"and section 169.560 as enacted by house bill no. 77, one hundredth general assembly, first regular session,"; and

Further amend Line 3 by striking all of said line and inserting in lieu thereof the following:

"relating to public employee retirement systems."; and

Further amend said bill and page, Section A, Line 1, by inserting after "RSMo," the following:

"and section 169.560 as enacted by house bill no. 77, one hundredth general assembly, first regular session,"; and

Further amend Line 2 by inserting after all of said line the following:

"169.560. 1. Any person retired and currently receiving a retirement allowance pursuant to sections 169.010 to 169.141, other than for disability, may be employed in any capacity for an employer included in the retirement system created by those sections on either a part-time or temporary-substitute basis not to exceed a total of five hundred fifty hours in any one school year, and through such employment may earn up to fifty percent of the annual compensation payable under the employer's salary schedule for the position or positions filled by the retiree, given such person's level of experience and education, without a discontinuance of the person's retirement allowance. If the employer does not utilize a salary schedule, or if the position in question is not subject to the employer's salary schedule, a retiree employed in accordance with the provisions of this subsection may earn up to fifty percent of the annual compensation paid to the person or persons who last held such position or positions. If the position or positions did not previously exist, the compensation limit shall be determined in accordance with rules duly adopted by the board of trustees of the retirement system; provided that, it shall not exceed fifty percent of the annual compensation payable for the position by the employer that is most comparable to the position filled by the retiree. In any case where a retiree fills more than one position during the school year, the fifty-percent limit on permitted earning shall be based solely on the annual compensation of the highest paid position occupied by the retiree for at least one-fifth of the total hours worked during the year. Such a person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment. If such a person is employed in any capacity by such an employer in excess of the limitations set forth in this subsection, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall contribute to the retirement system if the person satisfies the retirement system's membership eligibility

requirements. In addition to the conditions set forth above, this subsection shall apply to any person retired and currently receiving a retirement allowance under sections 169.010 to 169.141, other than for disability, who is employed by a third party or is performing work as an independent contractor, if such person is performing work for an employer included in the retirement system as a temporary or long-term substitute teacher or in any other position that would normally require that person to be duly certificated under the laws governing the certification of teachers in Missouri if such person was employed by the district. The retirement system may require the employer, the third-party employer, the independent contractor, and the retiree subject to this subsection to provide documentation showing compliance with this subsection. If such documentation is not provided, the retirement system may deem the retiree to have exceeded the limitations provided in this subsection.

2. Notwithstanding any other provision of this section, any person retired and currently receiving a retirement allowance in accordance with sections 169.010 to 169.141, other than for disability, may be employed by an employer included in the retirement system created by those sections in a position that does not normally require a person employed in that position to be duly certificated under the laws governing the certification of teachers in Missouri, and through such employment may earn up to sixty percent of the minimum teacher's salary as set forth in section 163.172, without a discontinuance of the person's retirement allowance. Such person shall not contribute to the retirement system or to the public education employee retirement system established by sections 169.600 to 169.715 because of earnings during such period of employment, and such person shall not earn membership service for such employment. The employer's contribution rate shall be paid by the hiring employer into the public education employee retirement system established by sections 169.600 to 169.715. If such a person is employed in any capacity by an employer in excess of the limitations set forth in this subsection, the person shall not be eligible to receive the person's retirement allowance for any month during which the person is so employed. In addition, such person shall become a member of and contribute to any retirement system described in this subsection if the person satisfies the retirement system's membership eligibility requirements. The provisions of this subsection shall not apply to any person retired and currently receiving a retirement allowance in accordance with sections 169.010 to 169.141 employed by a public community college.

3. Notwithstanding any other provisions of the law to the contrary, for the 2019 calendar year, the amount to be paid by each community college to the board of trustees of the retirement system for funding purposes of the public education employee retirement system of Missouri shall be adjusted as follows:

(1) No later than August 30, 2019, the board of trustees of the retirement system shall calculate the amount paid by the college pursuant to this section from August 27, 2018, until the effective date of this act and provide the amount calculated to each college; and

(2) The amount to be remitted by each college for the remainder of the 2019 calendar year shall be reduced by the amount stated by the board of trustees of the retirement system.

The adjustment made pursuant to this subsection shall not affect any payments by the colleges to the board of trustees of the retirement system after December 31, 2019, nor shall such adjustments affect payments by the board of trustees of the retirement system to any retiree.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **HCS for SB 282, as amended**, and has taken up and passed **HCS SB 282, as amended**.

Speaker Haahr declared the bill passed.

SIGNING OF HOUSE BILL

All other business of the House was suspended while **SS SCS HB 126** was read at length and was signed by the Speaker to the end that the same may become law.

The following Representatives offered an objection to **SS SCS HB 126**, which was appended to the bill.

CONSTITUTIONAL OBJECTION

May 17, 2019

Mrs. Dana Rademan Miller
Chief Clerk
Missouri House of Representatives
Missouri State Capitol
Jefferson City, MO 65101

Dear Mrs. Miller:

Pursuant to Article III, Section 30 of the Missouri Constitution, we do hereby object to the constitutionality of the truly agreed to and finally passed version of **Senate Substitute for Senate Committee Substitute for House Bill 126** as the measure constitutes an undue burden on a woman's right to access a legal abortion – running squarely in contradiction to clearly established and entrenched case law. *See generally, Whole Woman's Health v. Hellerstedt*, 136 S. Ct. 2292 (2016); *Gonzales v. Carhart* 550 U.S. 124 (2007); *Stenberg v. Carhart*, 530 U.S. 914 (2000); *Planned Parenthood of Se. Pa v. Casey*, 505 U.S. 833 (1992); *Roe v. Wade*, 410 U.S. 113 (1973). This measure fails to offer any health care benefits to Missouri taxpayers yet will subject them to ongoing litigation costs on an issue already long-settled by the Supreme Court of the United States.

Therefore, as **Senate Substitute for Senate Committee Substitute for House Bill 126** is constitutionally infirm for the above stated reasons the measure should not be signed by the governor.

Please note said objection in the House Journal and annex it to truly agreed to and finally passed version of **Senate Substitute for Senate Committee Substitute for House Bill 126** to be considered by the governor in connection therewith as mandated by Article III, Section 30 of the Missouri Constitution.

Thou are my God, and I will praise You: Thou are my God, I will exalt You. (Psalm 118:28)

Ever-seeing God, in whom we live and move and have our being, You filled us with Your spirit, that we have not yielded to temptation but been strengthened with inward power for outward tasks. We have met our obligations with honor, our duties with faith, and our responsibilities with a high regard for the good of all citizens.

Bless us with those deep and abiding convictions which keep our state strong, which makes our institutions vital, and fill our homes with love and joy and peace. May noble virtues live in us as we return home to the love and comfort of our families with a sense of a job well done.

And the House says, "Amen!"

ADJOURNMENT

On motion of Representative Vescovo, the House adjourned until 1:00 p.m., Wednesday, May 29, 2019.

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-THIRD DAY, MONDAY, MAY 6, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Kent Haden.

Our Father, thank You for bringing us all safely back to the legislature today.

Lord, as we start the final two weeks of session, give us physical strength to put in the hours before us, mental strength to make good decisions, and moral strength to stand by our convictions.

Lord, help us to have the wisdom of Solomon, the patience of Job, and the perseverance of Paul. Let us be just in our dealings and realize our job here is not one of power or glory but of service. Let us strive to show grace to one another as we deal with contentious issues, just as Christ showed us grace by His death on the cross.

Guide us, direct us, protect us, and help us legislate fairly.

In Christ's name, Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-second day was approved as printed by the following vote:

Representative Kolkmeier offered **House Amendment No. 2**.

House Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for Senate Bill No. 230, Page 6, Section 475.115, Line 18, by inserting after all of said section and line the following:

"508.010. 1. As used in this section, "principal place of residence" shall mean the county which is the main place where an individual resides in the state of Missouri. ~~[There shall be a rebuttable presumption that the county of voter registration at the time of injury is the principal place of residence.]~~ There shall be only one principal place of residence.

(1) For an individual person, there shall be a rebuttable presumption that the county of voter registration at the time of injury is the principal place of residence.

(2) Notwithstanding subdivision (1) of this subsection, for an individual whose conduct at issue was alleged in at least one count to be in the course and scope of his or her employment with a corporation, the individual's principal place of residence for venue purposes shall be deemed to be the applicable corporation's principal place of residence.

(3) For a corporation that, either directly or through its subsidiaries, wholly owns or operates a railroad, the place where the corporation has its registered agent is its principal place of residence for the purposes of venue, provided that the registered agent is in a city not within a county, a charter county, or a first class county.

2. In all actions in which there is no count alleging a tort, venue shall be determined as follows:

(1) When the defendant is a resident of the state, either in the county within which the defendant resides, or in the county within which the plaintiff resides, and the defendant may be found;

(2) When there are several defendants, and they reside in different counties, the suit may be brought in any such county;

(3) When there are several defendants, some residents and others nonresidents of the state, suit may be brought in any county in this state in which any defendant resides;

(4) When all the defendants are nonresidents of the state, suit may be brought in any county in this state, **provided there is personal jurisdiction over each defendant, independent of each other defendant.**

3. The term "tort" shall include claims based upon improper health care, under the provisions of chapter 538.

4. Notwithstanding any other provision of law, in all actions in which there is any count alleging a tort and in which the plaintiff was first injured in the state of Missouri, venue shall be in the county where the plaintiff was first injured by the ~~[wrongful]~~ acts or ~~[negligent]~~ conduct alleged in the action.

5. Notwithstanding any other provision of law, in all actions in which there is any count alleging a tort and in which the plaintiff was first injured outside the state of Missouri, venue **as to that individual plaintiff** shall be determined as follows:

(1) If the defendant is a corporation, then venue shall be in any county where a defendant corporation's registered agent is located or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue may be in the county of the plaintiff 's principal place of residence on the date the plaintiff was first injured;

(2) If the defendant is an individual, then venue shall be in ~~[any] the county [of] where the [individual defendant's]~~ **defendant has his or her principal place of residence in the state of Missouri, which for venue purposes shall be deemed to be that of his or her employer corporation if any count alleges conduct in the course and scope of his or her employment with that corporation,** or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue **as to that individual plaintiff** may be in the county containing the plaintiff 's principal place of residence on the date the plaintiff was first injured;

(3) Notwithstanding subdivisions (1) and (2) of this subsection, if the plaintiff was first injured in a foreign country in connection with any railroad operations therein and any defendant is a:

(a) Corporation that, either directly or through its subsidiaries, wholly owns or operates the foreign railroad; or

(b) Wholly owned subsidiary of a corporation that, either directly or through its subsidiaries, wholly owns or operates the foreign railroad;

then venue shall exclusively be in the county where any such defendant corporation's registered agent is located, regardless of venue as to any other defendant or, if the plaintiff 's principal place of residence was in the state of Missouri on the date the plaintiff was first injured, then venue may be in the county of the plaintiff 's principal place of residence on the date the plaintiff was first injured.

6. Any action, in which any county shall be a plaintiff, may be commenced and prosecuted to final judgment in the county in which the defendant or defendants reside, or in the county suing and where the defendants, or one of them, may be found.

7. In all actions, process shall be issued by the court in which the action is filed and process may be served in any county within the state.

8. In any action for defamation or for invasion of privacy, the plaintiff shall be considered first injured in the county in which the defamation or invasion was first published.

9. In all actions, venue shall be determined as of the date the plaintiff was first injured.

10. All motions to dismiss or to transfer based upon a claim of improper venue shall be deemed granted if not denied within ninety days of filing of the motion unless such time period is waived in writing by all parties.

11. In a wrongful death action, the plaintiff shall be considered first injured where the decedent was first injured by the wrongful acts or negligent conduct alleged in the action. In any spouse's claim for loss of consortium, the plaintiff claiming consortium shall be considered first injured where the other spouse was first injured by the wrongful acts or negligent conduct alleged in the action.

12. The provisions of this section shall apply irrespective of whether the defendant is a for-profit or a not-for-profit entity.

13. In any civil action, if all parties agree in writing to a change of venue, the court shall transfer venue to the county within the state unanimously chosen by the parties. If any parties are added to the cause of action after the date of said transfer who do not consent to said transfer then the cause of action shall be transferred to such county in which venue is appropriate under this section, based upon the amended pleadings.

14. A plaintiff is considered first injured where the trauma or exposure occurred rather than where symptoms are first manifested.

15. If the county where the plaintiff's claim is filed is not a proper venue, that plaintiff shall be transferred to a county where proper venue can be established. If no such county exists in the state of Missouri, the claim shall be dismissed without prejudice.

16. Denial of a motion to transfer venue pursuant to sections 507.040, 507.050, or 508.010, if denied in error, requires reversal, and no finding of prejudice under Missouri supreme court rule 84.13(b) is required for reversal.

17. For the purposes of this section, a domestic insurance company shall be deemed to reside in, and be a resident of, the county where its registered office is maintained. A foreign insurance company shall be deemed to reside in, and be a resident of, the county where its registered office is maintained. If a foreign insurance company does not maintain a registered office in any county in Missouri, the foreign insurance company shall be deemed to reside in, and be a resident of, Cole County."; and

AMEND House Amendment No. 3 to Senate Substitute for Senate Committee Substitute for Senate Bill No. 230, Page 2, Line 34, by inserting after said line the following:

"Further amend said bill, Page 6, Section 475.115, Line 18, by inserting after said section and line the following:

"544.455. 1. Any person charged with a bailable offense, at his or her appearance before ~~[an associate circuit judge or]~~ a judge, may be ordered released pending trial, appeal, or other stage of the proceedings against him on his personal recognizance, unless the ~~[associate circuit judge or]~~ judge determines, in the exercise of his discretion, that such a release will not reasonably assure the appearance of the person as required. When such a determination is made, the ~~[associate circuit judge or]~~ judge may either in lieu of or in addition to the above methods of release, impose any or any combination of the following conditions of release which will reasonably assure the appearance of the person for trial:

(1) Place the person in the custody of a designated person or organization agreeing to supervise him;
 (2) Place restriction on the travel, association, or place of abode of the person during the period of release;
 (3) Require the execution of a bail bond with sufficient solvent sureties, or the deposit of cash in lieu thereof **by a defendant or a third party; however, the court shall accept in lieu of a cash only bond a guaranty from any surety who is in compliance with general laws regulating such profession. Cash only bonds involving child support enforcement, insufficient funds, and enforcing posttrial collections of court costs, fines, and restitution shall be excluded from the provisions of this subdivision;**

(4) Require the person to report regularly to some officer of the court, ~~[or]~~ peace officer, ~~[in such manner as the associate circuit judge or judge directs]~~ **or a private pretrial court services company;**

(5) Require the execution of a bond in a given sum and the deposit in the registry of the court of ten percent, or such lesser percent as the judge directs, of the sum in cash or negotiable bonds of the United States or of the state of Missouri or any political subdivision thereof. **The court shall accept, in lieu of a percentage bond under this subdivision, a guaranty from any surety properly licensed under the laws of Missouri in an amount equal to the percentage the court required from the defendant or third party and confirm sufficient assets of a private individual acting as the guaranty of the full amount of bond if a percentage of the full amount of the bond in lieu thereof was accepted by the court. Upon judgment of a bail bond forfeiture, moneys shall be disbursed in the same manner as a judgment that is paid by a professional surety;**

(6) Place the person on house arrest with electronic monitoring; except that all costs associated with the electronic monitoring shall be charged to the person on house arrest. If the judge finds the person unable to afford the costs associated with electronic monitoring, the judge may order that the person be placed on house arrest with electronic monitoring if the county commission agrees to pay from the general revenue of the county the costs of such monitoring. If the person on house arrest is unable to afford the costs associated with electronic monitoring and the county commission does not agree to pay the costs of such electronic monitoring, the judge shall not order that the person be placed on house arrest with electronic monitoring;

(7) Impose any other condition deemed reasonably necessary to assure appearance as required, including a condition requiring that the person return to custody after specified hours.

2. In determining which conditions of release will reasonably assure appearance, the associate circuit judge or judge shall, on the basis of available information, take into account the nature and circumstances of the offense charged, the weight of the evidence against the accused, the accused's family ties, employment, financial resources, character and mental condition, the length of his residence in the community, his record of convictions, and his record of appearance at court proceedings or flight to avoid prosecution or failure to appear at court proceedings.

3. ~~[An associate circuit judge or]~~ A judge authorizing the release of a person under this section shall issue an appropriate order containing a statement of the conditions imposed, if any, shall inform such person of the penalties applicable to violations of the conditions of his release and shall advise him that a warrant for his arrest will be issued immediately upon any such violation.

4. A person for whom conditions of release are imposed and who after twenty-four hours from the time of the release hearing continues to be detained as a result of his inability to meet the conditions of release, shall, upon application, be entitled to have the condition reviewed by the associate circuit judge or judge who imposed them. The motion shall be determined promptly.

5. ~~[An associate circuit judge or]~~ A judge ordering the release of a person on any condition specified in this section may at any time amend his order to impose additional or different conditions of release; except that, if the imposition of such additional or different conditions results in the detention of the person as a result of his inability to meet such conditions or in the release of the person on a condition requiring him to return to custody after specified hours, the provisions of subsection 4 of this section shall apply.

6. Information stated in, or offered in connection with, any order entered pursuant to this section need not conform to the rules pertaining to the admissibility of evidence in a court of law.

7. Nothing contained in this section shall be construed to prevent the disposition of any case or class of cases by forfeiture of collateral security where such disposition is authorized by the court.

8. Persons charged with violations of municipal ordinances may be released by a municipal judge or other judge who hears and determines municipal ordinance violation cases of the municipality involved under the same conditions and in the same manner as provided in this section for release by an associate circuit judge.

9. A circuit court may adopt a local rule authorizing the pretrial release on electronic monitoring pursuant to subdivision (6) of subsection 1 of this section in lieu of incarceration of individuals charged with offenses specifically identified therein.

10. A person serving as a municipal, associate circuit, or circuit judge, or a family member of such person within the first degree of affinity or consanguinity, shall be prohibited from owning a private pretrial court services company unless two years have elapsed since the date the person has served as an associate circuit or a circuit judge."; and"; and

2. The court shall appoint counsel for a child prior to the filing of a petition if a request is made therefor to the court and the court finds that the child is the subject of a juvenile court proceeding and that the child making the request is indigent.

3. **(1)** When a petition has been filed under subdivision (2) or (3) of subsection 1 of section 211.031, the court shall appoint counsel for the child except if private counsel has entered his or her appearance on behalf of the child or if counsel has been waived in accordance with law; **except that, counsel shall not be waived for any proceeding specified under subsection 10 of this section.**

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-FOURTH DAY, TUESDAY, MAY 7, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Beloved, let us love one another; for love is of God; and he who loves is born of God, and knows God. (1 John 4:7)

Almighty God, ruler of the universe and redeemer of all peoples, we praise You for the life You have given us, for the beauty of the world in which we live, for the truth by which we live, and for the love which binds us together. Open our eyes that we may see the beauty about us, open our ears that we may hear the appeal of truth, and open our hearts that we may receive the gift of Your love.

Remove from within us all bitterness, all resentment, and all hostility and fill us anew with the spirit of joy and peace and love. In spite of political differences may we be of one mind, possessed by one spirit, and motivated by one power: to serve our state with all our hearts, to keep our faith in You, and to work for the good of our fellow citizens during these last days of session.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-third day was approved as printed by the following vote:

THIRD READING OF HOUSE CONCURRENT RESOLUTIONS

HCS HCR 43, relating to the Green New Deal, was taken up by Representative Shawan.

Representative Lavender offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Concurrent Resolution No. 43, Page 2, Line 61, by deleting all of said line and inserting in lieu thereof the following:

"industries; and

WHEREAS, as documented through the use of sound scientific methods and evidence-based practices, the climate in the state of Missouri is changing at an alarming rate; and

WHEREAS, the average annual temperature in the United States has increased more than two degrees Fahrenheit in the last century, and Missouri is above the national average; and

WHEREAS, rising global temperatures have resulted in an atmosphere that holds more water vapor and creates a higher potential for heavy rainfall; and

WHEREAS, average annual precipitation in most of the Midwest has increased by five to ten percent over the last half century as a result of rising global temperatures, causing flooding to become more frequent; and

WHEREAS, the state of Missouri will see an increase in the number of extremely hot days in the coming decades, which will cause public health issues in urban areas and damage or destroy crops such as corn and rice in rural areas. Already, in 2018, Governor Michael L. Parson issued an executive order declaring a drought alert for certain Missouri counties after the U.S. Drought Monitor indicated that all or portions of forty-seven Missouri counties were in severe or extreme drought and data demonstrated that nearly seventy percent of Missouri was experiencing some level of drought; and

WHEREAS, farmers in the state of Missouri have witnessed firsthand the impacts of climate change, such as hay shortages, and have used controlled grazing and other methods to work to combat the consequences of climate change; and

WHEREAS, climate change in the state of Missouri is severe, as demonstrated by recent significant drought and flooding events and record high and low temperatures; and

WHEREAS, Missouri has remained highly dependent on coal for its electrical energy sources, while the price of solar energy decreases and renewable energy is becoming the most affordable option; and

WHEREAS, the state of Missouri should reduce greenhouse gas emissions by fifty percent and work toward fifty percent renewable energy by the year 2030; and

WHEREAS, the state of Missouri should consider incentives for technological innovations of products and processes that will move the state toward a healthier climate; and

WHEREAS, because climate change has negative effects on the environment, economic development, job creation, and quality of life, the state of Missouri should seek input on the issue from numerous stakeholders in Missouri including, but not limited to, state and local officials, residents of Missouri, the state climatologist, and organizations representing the interests of agriculture, economic development, conservation, natural resources, and health and senior services; and
